Below you will find a photo of some contraband that was removed from Colton Fears cell and when questioned, he claimed ownership. I will gladly send this over to you, or you can send someone to pick it if that would be better. Just let me know either way.

Narrative: On the above date and approximate time, while I was assigned as the Bravo Zone Housing Officer, multiple gang related items were found in 2-Bravo cell #2 during my Security and Sanitation Inspection. The paraphernalia consisted of one piece of soap carved into a swastika, one piece of soap with gang related signs and symbols marked with black ink, and one styrofoam cup bearing symbols and markings used by gangs. Maximum Custody Inmate Anthony Willette and Medium Custody Inmate Colton Fears are currently housed together in cell #2. Upon further investigation, Inmate Fears claimed ownership of the tote that the soap was found in and Inmate Willette claimed the cup belonged to him. Sergeant Sparks was in the area during inspection and ordered that this report be generated for information purposes and images of the paraphernalia be attached. A copy of this report will be placed into Jail Intelligence Investigator F. Cole's mailbox for further review.  
Supervisor's After Action: Photographs were taken but the cup is difficult to read. The writing on the cup says, "We must secure the existence of our people and a future for white children," "Sieg heil!" and "14/88." SRS 520

## NARRATIVE

1. AO: On 10/19/2017 at approximately 1719 hrs while on uniform patrol and driving a marked GPD unit, I heard what appeared to be a gunshot coming from SW Archer RD east of SW 34TH ST.

2. INV: Prior to hearing the gunshot I was in the parking lot of CVS at 3400 SW Archer, I was then approached by a group of protestors who just left the Spencer event approached and said they were being heckled by two white males driving a silver in color SUV.

The group of protesters then went east on SW Archer RD, I then commenced to checking the CVS parking lot for the two white men in the Silver SUV that was heckling the protesters.

About a minute later I heard a gunshot coming from the 3300 block area of SW Archer RD, I then followed the sound and came in contact with the same group of protesters that advised me earlier that they were being heckled by two white men in silver SUV.

According to statements from the group, as they sat at the bus stop the same SUV from earlier pulled up at the bus stop and the two white males got out and starting heckling the group again. They also began doing the Nazi salute. At that time both groups started to exchange words.

One of the group members (55. [REDACTED] victim) stated that he felt very threatened by the two white men since they were displaying Nazi salute and Hitler's verbiage. 55. [REDACTED] then advised that he took out his baton and struck the back of the SUV's window hoping the two men would go away

As both men were returning to their vehicle, the group advised that they heard the driver tell the passenger "shoot him". The group then fled the scene behind Radio Shack. 55. [REDACTED] stated as his friends ran after hearing "shoot him"; the two men returned to their vehicle drove away then stopped about 30 feet from the bus stop. The passenger then exited the vehicle with a handgun pointed it at 55. [REDACTED] as he backed away with his hands up. The white male then fired one shot at 55. [REDACTED] the male then returned to the vehicle and the vehicle headed eastbound on SW Archer road.

The suspects was identified as two white males slender build with blonde hair, and between 25 to thirty years old.

No one was shot or injured; the victim and witnesses were transported to GPD headquarters for interviews by detectives. The suspects were no apprehended investigation continues.

3. EV: The Scene was processed by Foong ID #6111 see supplement.

4. SCA: N/A.

5. VEH: Silver in color Jeep Bearing Texas registration 23. [REDACTED]

On 10/19/17 I responded to the 405 North bound mile marker for SR 93. A deputy sheriff located a vehicle that was wanted for a shooting during the Richard Spencer event in Gainesville, FL (GPD case report number 17 [REDACTED] e description Gainesville Police gave of the suspect vehicle was a silver Jeep Patriot with a Texas tag of **23. [REDACTED]**.

I first responded to Williston Rd and SR 93 where I was advised a phone ping showed the vehicle was recently in that area. While driving around businesses in that area, I did not locate the Jeep Patriot. I was then advised via ASO radio that a deputy located the vehicle at the 396 North bound mile marker on SR 93. I then activated my emergency lights and sirens and responded to the deputy to assist in a felony traffic stop. The traffic stop was initiated at the 405 mile marker.

As I arrived on scene, several other deputies were already in place for the felony stop. I drew my agency issued handgun and provided cover on the car. Four passengers from the vehicle were detained.

I then took control of William Fears IV and placed him in the back of my agency patrol vehicle. I then relocated to the Florida Welcome center at 18625 NW County Rd 236, where I stood by until Gainesville Police Department detectives arrived to take over the investigation.

**On 10/19/17, I was supervising the field performance of D/T Helmerson within the scope of the field training program. On this date, at approximately 2023 hours, we responded to the area of SR 93 and SW Williston RD to attempt to locate a suspect vehicle from an armed disturbance which occurred within the Gainesville city limits earlier this date. Upon arrival, we were advised that the vehicle was travelling northbound on SR 93 within Alachua County. A short time later, an ACSO unit advised that they vehicle at approximately MM396 NB SR 93. The vehicle was described as a silver Jeep SUV bearing TX **23** and a felony traffic stop was ultimately effected on the vehicle at approximately MM405 NB SR 93.**

**Due to the nature of the original armed disturbance, and the threat potential of firearms within the vehicle, units involved in this felony stop displayed their agency issued weapons and pointed them at the vehicle and its occupants. The following subjects were called out of the vehicle via clear and loud verbal commands at gunpoint, and ultimately detained in handcuffs. Maverick Mears, Colton Fears, William Fears, and Tyler Tenbrink. For the purposes of subject resistance regarding the involvement of ACSO Deputies in this incident, "Group Tactics" were utilized during the course of this felony stop.**

**My individual involvement consisted of making physical contact with the multiple subjects once they had been instructed to move to a predesignated area away from the suspect vehicle. At this point, I assisted in taking physical control of the subject's arms and placing them in handcuffs. Once all occupants were believed to be removed from the vehicle, I assisted in executing a cursory search of the vehicle's interior for any remaining occupants. In doing so, I utilized a ballistic shield and approached the vehicle within a four man element while my agency issued handgun was pointed at the vehicle. At no time did I interview any of the subjects removed from the vehicle, or search the contents of the vehicle.**

**Maverick Mears was placed in the backseat of my marked patrol, and relocated to the Marathon gas station (18625 NW CR 236 / Exit 404 NB SR 93). The additional subjects were also transported to this same location by other ACSO units. Upon arriving at this location, we remained with the four subjects and awaited the arrival of GPD Investigators.**

**GPD Investigators arrived to this location, and spoke with the subjects as well as executed a show up identification process with various witnesses. Upon Detective Juan DeCastro of the Gainesville Police Department transferring probable cause to D/T Helmerson, William and Colton Fears, and Tyler Tenbrink were placed under arrest. These three subjects were then transported to the Gainesville Police Department where they were interviewed by GPD. These subjects were then transported to ACSO-DOJ without incident by Deputies Helmerson and Justin Williams where they were booked on the following charges: William and Colton Fears (Homicide - Commit act which could cause death), and Tyler Tenbrink (Homicide - Commit act which could cause death, and Possession of a firearm by a convicted felon).**

**The recipient copy of the vehicle tow receipt was provided to William Fears by me. I submitted the agency copies of the vehicle tow receipts to ACSO. This concludes my involvement in this matter.**

was located unoccupied. At that time, the occupants of the vehicle were not located either.

Around 8:30 p.m., a second call for the incident came out and ACSO deputies received information that the vehicle was in the area of SW Williston RD and SW 34th ST. Multiple deputies responded to this area to attempt to locate the vehicle and possibly the suspect(s). The suspect vehicle was a grey Jeep Patriot and it was believed to be at one of the Marathon Gas stations near the listed address. Deputies were unable to locate the vehicle at either of the gas stations or in the immediate area.

D/S Diaz (ID 789) and I were traveling home from the event and we were both driving northbound on SR 93 (Interstate 75). At approximately 8:35 p.m. D/S Diaz announced over the radio that he was behind the suspect vehicle. He read the tag [REDACTED] ispatch and confirmed that it was in fact the suspect vehicle, silver Jeep Patriot bearing the Texas tag of [REDACTED] 23. I was approximately 2 miles ahead of D/S Diaz and I maneuvered so that I could be his back up unit. At [REDACTED] thbound mile marker (NB MM) of SR 93, I was in position behind D/S Diaz. Due to the vehicle being involved in a drive by shooting, I believed that at least one of the occupants was armed with, and willing to use a firearm. As a result, D/S Diaz and I conducted a Felony traffic stop. Once D/S Diaz and I activated our overhead lights the vehicle pulled to the shoulder of SR 93. I positioned my vehicle in the middle of the slow lane with the nose of my vehicle pointing slightly north east. I left my vehicle blocking the slow lane to keep cars from at [REDACTED] to come around our traffic stop. I then exited my vehicle and pointed my agency issued handgun (Serial #: [REDACTED] 31. [REDACTED] at the vehicle. At this time, I noticed that several other deputies and Officers from other agencies were be [REDACTED] Diaz and I. Once we had enough deputies for arrest teams, I took lead in the felony stop and began giving announcements via the PA system in vehicle 661. The first command I gave was for all of the occupants of the jeep to place both hands out of the window. I received compliance and four occupants placed their hands out of the windows. I then began to remove all of the occupants from the vehicle starting with the driver.

I ordered the driver out of the Jeep and I told him to face away from me, while keeping his hands in the air. He complied and I noticed that he was wearing a white shirt with kahaki pants. I told the driver to lift his shirt up with one arm so that I could see his waist line. This is a tactic used to determine if an individual has a weapon concealed in his waist line. He also complied and I told him to turn and face me. The driver complied with this request also however, when he turned toward me, I noticed that his shirt tail was still covering his waist line. I then told the driver to lift his shirt all the way up and when he did, I saw the grip end of a black semi-automatic handgun sticking out of his waist line. I immediately gave the driver a loud verbal command of "Do not reach for that gun," and "Do not move." I was pointing my handgun at the driver while I gave these commands. At this point, we took a tactical pause and I asked D/S Diaz to cover this individual with his rifle. Once we had long rifle coverage, I gave the driver commands to slowly remove the weapon from his waist by using his right hand. He complied and placed the weapon on the ground. Once I had cleared the driver's waist line, I again had him face away from me. I called the driver back to my location and an arrest team detained him in a patrol car.

Once the driver was detained, I began to remove the left rear passenger, in a similar fashion. This subject was wearing blue jeans and cowboy boots and he was later identified at Tyler Tenbrink. Tyler exited the vehicle and immediately faced away from me. As instructed he lifted his shirt and I verified that Tyler did not have a weapon in his waistline. I then had Tyler walk back to the trunk of the vehicle and I requested that he open the trunk so that I could see if anyone was hiding in the trunk area. He complied with this request and opened the trunk. I then called Tyler back to my location where he was detained by another arrest team and he was taken to a patrol car. I then removed the front right passenger in a similar fashion. This individual was wearing a blue shirt and khaki pants. I never learned the identity of this subject. I removed him from the vehicle and had him face away from me. I then requested the he lift his shirt to show me his waist line. Once I verified the front right passenger's waist line was clear I called him back to my location. He was then detained by an arrest team and placed into a patrol vehicle. Finally I removed the right rear passenger, the same way that I removed the driver, Tyler, and the front right passenger. The right rear passenger was not armed and he was also detained by an arrest team.

After all four known occupants were removed from the vehicle, I continued giving verbal commands to the vehicle for a fifth occupant to show me his hands. I received no response from my verbal commands. D/S Williams (ID 1164) and I along with a K9 handler from APD and his K9 partner utilized two ballistic shields as cover and we moved to clear the remainder of the vehicle. D/S Williams and I utilized the shields to provide cover for the K9 handler who deployed his K9 partner into the Jeep to verify that the vehicle was clear. There was no one else inside the vehicle.

On October 20, 2017, I worked as part of the ACSO SWAT detail for the Richard Spencer speaking event on The University of Florida Campus. Toward the end of the event, it was announced over the radio that GPD was responding to an incident involving the discharge of a firearm at a subject near 3400 SW Archer Rd. There was a silver suv involved in the incident that left the scene. I did not respond to the original incident.

While going home after completing my earlier detail, I overheard via in car radio that the vehicle from the earlier incident was on SW Williston Rd and ACO Deputies were responding to the scene. A brief time later it was announced via in car radio that the vehicle was now north bound on SR 93. Deputy Diaz asked over the radio for dispatch to repeat the tag on the vehicle. Dispatch repeated the tag number, at which time Deputy Diaz said that he was behind the vehicle. I was several miles behind Deputy Diaz on SR 93 and began to head his way. Deputy Diaz began to follow the vehicle, until additional back up units arrived to assist him with a felony stop.

Deputy Diaz informed dispatch that he had stopped the vehicle near the 405 north mile marker. Upon arriving at the 405 mile marker, there were several other units including ASO, FHP and APD. I immediately exited my vehicle and retrieved my agency issued rifle (Colt 31. [REDACTED] from its rack and charged a round into the chamber. This was due to this being a felony stop. There s [REDACTED] weapons used in the crime were beleived to be in the vehicle. I took up position behind a Tahoe and kept lethal coverage on the vehicle. I kept coverage while Deputy Cook called the occupants of the vehicle out, at which time they were detained by other Deputies on scene. The vehicle was then cleared by the K-9 and Deputies on scene.

I did not talk to any of the occupants, nor did I approach the vehicle. I made sure I was not needed further and then left the scene.

While assigned to the Alachua County SWAT team, I was assigned as a quick response force (QRF) during the Richard Spencer speech. This event was being held at the Phillips Center of Performing Arts. Towards the end of the day I heard over the radio via dispatch that someone had fired a shot into a crowd of people off of Archer Road. The vehicle was described as a silver Jeep SUV that fled the area.

After completing my assignment with SWAT and was heading home for the night. I heard over the radio that the silver Jeep was located at a gas station. Alachua County Patrol Deputies responded to the area and was given channel three over the radio. I switched over to channel three to listen. After hearing that the vehicle was not at the gas station, I got onto State Road 93 at Archer Road and headed north.

While traveling north to go home I was looking for a silver Jeep SUV with Texas plates. At approximately mile marker 393 north bound I past a silver Jeep SUV with Texas plates that was traveling in the middle lane. I pulled off into the middle emergency lane and waited for the vehicle to pass. Once the vehicle past I got State Road 93 to verify the tag. I advised dispatch to repeat the tag number again and they advised Texas 23. I advised that I was behind the vehicle traveling north at mile marker 396. The vehicle I was following w Jeep Patriot with Texas plate of 23.

The vehicle never left the as I was calling out our locations. While waiting for other units to arrive we made our way to mile marker 403. D/S Cook advised me to turn on my rear lights on and he advised that he could see me. At that point, I conducted a traffic stop at mile marker 405. The vehicle used his turn signal and moved over to the slow lane and then to the emergency lane. D/S Cook, D/S Smith and I conducted a felony stop on the vehicle. I advised D/S Cook to give verbal commands over the PA system. D/S Cook advise the driver to put his hands out the window. At that time, I noticed four sets of hands pop out of all the windows of the vehicle. D/S Cook advised the driver to remove the keys from the vehicle and place them on the ground. The driver complied. The driver was ordered to step out of the vehicle with his hands in the air. As he stepped out of the vehicle, he was order to lift his shirt up with his left hand and turn around. I noticed something black in his right side waistband. I told D/S Cook that he might have a gun on him. D/S Cook asked the driver to pull his shirt up more and then I could clearly see the firearm in his waistband. I yelled out to the other units around that the driver had a "gun." The driver was given further commands and he complied and was detained. Shortly after three others were removed from the vehicle and detained without incident. Utilizing Alachua Police department K9, the vehicle was cleared and no other person was located in the vehicle.

This concludes my involvement in this case.

## NARRATIVE

1. AO: On 10/19/2017 at approximately 1719 hrs while on uniform patrol and driving a marked GPD unit, I heard what appeared to be a gunshot coming from SW Archer RD east of SW 34TH ST.

2. INV: Prior to hearing the gunshot I was in the parking lot of CVS at 3400 SW Archer, I was then approached by a group of protestors who just left the Spencer event approached and said they were being heckled by two white males driving a silver in color SUV.

The group of protesters then went east on SW Archer RD, I then commenced to checking the CVS parking lot for the two white men in the Silver SUV that was heckling the protesters.

About a minute later I heard a gunshot coming from the 3300 block area of SW Archer RD, I then followed the sound and came in contact with the same group of protesters that advised me earlier that they were being heckled by two white men in silver SUV.

According to statements from the group, as they sat at the bus stop the same SUV from earlier pulled up at the bus stop and the two white males got out and starting heckling the group again. They also began doing the Nazi salute. At that time both groups started to exchange words.

One of the group members 55. (victim) stated that he felt very threatened by the two white men since they were displaying Nazi salute and Hitler's verbiage. 55. then advised that he took out his baton and struck the back of the SUV's window hoping the two men would go away

As both men were returning to their vehicle, the group advised that they heard the driver tell the passenger "shoot him". The group then fled the scene behind Radio Shack. 55. stated as his friends ran after hearing "shoot him"; the two men returned to their vehicle drove away then stopped about 30 feet from the bus stop. The passenger then exited the vehicle with a handgun pointed it at 55. as he backed away with his hands up. The white male then fired one shot at 55. the male then returned to the vehicle and the vehicle headed eastbound on SW Archer road.

The suspects was identified as two white males slender build with blonde hair, and between 25 to thirty years old.

No one was shot or injured; the victim and witnesses were transported to GPD headquarters for interviews by detectives. The suspects were no apprehended investigation continues.

3. EV: The Scene was processed by Foong ID #6111 see supplement.

4. SCA: N/A.

5. VEH: Silver in color Jeep Bearing Texas registration 23.

On 10/19/17 I responded to the 405 North bound mile marker for SR 93. A deputy sheriff located a vehicle that was wanted for a shooting during the Richard Spencer event in Gainesville, FL (GPD case report number 17-19592). The description Gainesville Police gave of the suspect vehicle was a silver Jeep Patriot with a Texas tag of HXP-3519.

I first responded to Williston Rd and SR 93 where I was advised a phone ping showed the vehicle was recently in that area. While driving around businesses in that area, I did not locate the Jeep Patriot. I was then advised via ASO radio that a deputy located the vehicle at the 396 North bound mile marker on SR 93. I then activated my emergency lights and sirens and responded to the deputy to assist in a felony traffic stop. The traffic stop was initiated at the 405 mile marker.

As I arrived on scene, several other deputies were already in place for the felony stop. I drew my agency issued handgun and provided cover on the car. Four passengers from the vehicle were detained.

I then took control of William Fears IV and placed him in the back of my agency patrol vehicle. I then relocated to the Florida Welcome center at 18625 NW County Rd 236, where I stood by until Gainesville Police Department detectives arrived to take over the investigation.

**On 10/19/17, I was supervising the field performance of D/T Helmerson within the scope of the field training program. On this date, at approximately 2023 hours, we responded to the area of SR 93 and SW Williston RD to attempt to locate a suspect vehicle from an armed disturbance which occurred within the Gainesville city limits earlier this date. Upon arrival, we were advised that the vehicle was travelling northbound on SR 93 within Alachua County. A short time later, an ACSO unit advised that they [REDACTED] the vehicle at approximately MM396 NB SR 93. The vehicle was described as a silver Jeep SUV bearing TX/ [REDACTED] 23, and a felony traffic stop was ultimately effected on the vehicle at approximately MM405 NB SR 93.**

**Due to the nature of the original armed disturbance, and the threat potential of firearms within the vehicle, units involved in this felony stop displayed their agency issued weapons and pointed them at the vehicle and its occupants. The following subjects were called out of the vehicle via clear and loud verbal commands at gunpoint, and ultimately detained in handcuffs. Maverick Mears, Colton Fears, William Fears, and Tyler Tenbrink. For the purposes of subject resistance regarding the involvement of ACSO Deputies in this incident, "Group Tactics" were utilized during the course of this felony stop.**

**My individual involvement consisted of making physical contact with the multiple subjects once they had been instructed to move to a predesignated area away from the suspect vehicle. At this point, I assisted in taking physical control of the subject's arms and placing them in handcuffs. Once all occupants were believed to be removed from the vehicle, I assisted in executing a cursory search of the vehicle's interior for any remaining occupants. In doing so, I utilized a ballistic shield and approached the vehicle within a four man element while my agency issued handgun was pointed at the vehicle. At no time did I interview any of the subjects removed from the vehicle, or search the contents of the vehicle.**

**Maverick Mears was placed in the backseat of my marked patrol, and relocated to the Marathon gas station (18625 NW CR 236 / Exit 404 NB SR 93). The additional subjects were also transported to this same location by other ACSO units. Upon arriving at this location, we remained with the four subjects and awaited the arrival of GPD Investigators.**

**GPD Investigators arrived to this location, and spoke with the subjects as well as executed a show up identification process with various witnesses. Upon Detective Juan DeCastro of the Gainesville Police Department transferring probable cause to D/T Helmerson, William and Colton Fears, and Tyler Tenbrink were placed under arrest. These three subjects were then transported to the Gainesville Police Department where they were interviewed by GPD. These subjects were then transported to ACSO-DOJ without incident by Deputies Helmerson and Justin Williams where they were booked on the following charges: William and Colton Fears (Homicide - Commit act which could cause death), and Tyler Tenbrink (Homicide - Commit act which could cause death, and Possession of a firearm by a convicted felon).**

**The recipient copy of the vehicle tow receipt was provided to William Fears by me. I submitted the agency copies of the vehicle tow receipts to ACSO. This concludes my involvement in this matter.**

was located unoccupied. At that time, the occupants of the vehicle were not located either.

Around 8:30 p.m., a second call for the incident came out and ACSO deputies received information that the vehicle was in the area of SW Williston RD and SW 34th ST. Multiple deputies responded to this area to attempt to locate the vehicle and possibly the suspect(s). The suspect vehicle was a grey Jeep Patriot and it was believed to be at one of the Marathon Gas stations near the listed address. Deputies were unable to locate the vehicle at either of the gas stations or in the immediate area.

D/S Diaz (ID 789) and I were traveling home from the event and we were both driving northbound on SR 93 (Interstate 75). At approximately 8:35 p.m. D/S Diaz announced over the radio that he was behind the suspect vehicle. He read the tag t [REDACTED] ispatch and confirmed that it was in fact the suspect vehicle, silver Jeep Patriot bearing the Texas tag of [REDACTED] 23. [REDACTED]. I was approximately 2 miles ahead of D/S Diaz and I maneuvered so that I could be his back up unit. At t [REDACTED] thbound mile marker (NB MM) of SR 93, I was in position behind D/S Diaz. Due to the vehicle being involved in a drive by shooting, I believed that at least one of the occupants was armed with, and willing to use a firearm. As a result, D/S Diaz and I conducted a Felony traffic stop. Once D/S Diaz and I activated our overhead lights the vehicle pulled to the shoulder of SR 93. I positioned my vehicle in the middle of the slow lane with the nose of my vehicle pointing slightly north east. I left my vehicle blocking the slow lane to keep cars from at [REDACTED] to come around our traffic stop. I then exited my vehicle and pointed my agency issued handgun (Serial #: 31. [REDACTED]) at the vehicle. At this time, I noticed that several other deputies and Officers from other agencies were be [REDACTED] Diaz and I. Once we had enough deputies for arrest teams, I took lead in the felony stop and began giving announcements via the PA system in vehicle 661. The first command I gave was for all of the occupants of the jeep to place both hands out of the window. I received compliance and four occupants placed their hands out of the windows. I then began to remove all of the occupants from the vehicle starting with the driver.

I ordered the driver out of the Jeep and I told him to face away from me, while keeping his hands in the air. He complied and I noticed that he was wearing a white shirt with kahaki pants. I told the driver to lift his shirt up with one arm so that I could see his waist line. This is a tactic used to determine if an individual has a weapon concealed in his waist line. He also complied and I told him to turn and face me. The driver complied with this request also however, when he turned toward me, I noticed that his shirt tail was still covering his waist line. I then told the driver to lift his shirt all the way up and when he did, I saw the grip end of a black semi-automatic handgun sticking out of his waist line. I immediately gave the driver a loud verbal command of "Do not reach for that gun," and "Do not move." I was pointing my handgun at the driver while I gave these commands. At this point, we took a tactical pause and I asked D/S Diaz to cover this individual with his rifle. Once we had long rifle coverage, I gave the driver commands to slowly remove the weapon from his waist by using his right hand. He complied and placed the weapon on the ground. Once I had cleared the driver's waist line, I again had him face away from me. I called the driver back to my location and an arrest team detained him in a patrol car.

Once the driver was detained, I began to remove the left rear passenger, in a similar fashion. This subject was wearing blue jeans and cowboy boots and he was later identified at Tyler Tenbrink. Tyler exited the vehicle and immediately faced away from me. As instructed he lifted his shirt and I verified that Tyler did not have a weapon in his waistline. I then had Tyler walk back to the trunk of the vehicle and I requested that he open the trunk so that I could see if anyone was hiding in the trunk area. He complied with this request and opened the trunk. I then called Tyler back to my location where he was detained by another arrest team and he was taken to a patrol car. I then removed the front right passenger in a similar fashion. This individual was wearing a blue shirt and khaki pants. I never learned the identity of this subject. I removed him from the vehicle and had him face away from me. I then requested the he lift his shirt to show me his waist line. Once I verified the front right passenger's waist line was clear I called him back to my location. He was then detained by an arrest team and placed into a patrol vehicle. Finally I removed the right rear passenger, the same way that I removed the driver, Tyler, and the front right passenger. The right rear passenger was not armed and he was also detained by an arrest team.

After all four known occupants were removed from the vehicle, I continued giving verbal commands to the vehicle for a fifth occupant to show me his hands. I received no response from my verbal commands. D/S Williams (ID 1164) and I along with a K9 handler from APD and his K9 partner utilized two ballistic shields as cover and we moved to clear the remainder of the vehicle. D/S Williams and I utilized the shields to provide cover for the K9 handler who deployed his K9 partner into the Jeep to verify that the vehicle was clear. There was no one else inside the vehicle.

On October 20, 2017, I worked as part of the ACSO SWAT detail for the Richard Spencer speaking event on The University of Florida Campus. Toward the end of the event, it was announced over the radio that GPD was responding to an incident involving the discharge of a firearm at a subject near 3400 SW Archer Rd. There was a silver suv involved in the incident that left the scene. I did not respond to the original incident.

While going home after completing my earlier detail, I overheard via in car radio that the vehicle from the earlier incident was on SW Williston Rd and ACO Deputies were responding to the scene. A brief time later it was announced via in car radio that the vehicle was now north bound on SR 93. Deputy Diaz asked over the radio for dispatch to repeat the tag on the vehicle. Dispatch repeated the tag number, at which time Deputy Diaz said that he was behind the vehicle. I was several miles behind Deputy Diaz on SR 93 and began to head his way. Deputy Diaz began to follow the vehicle, until additional back up units arrived to assist him with a felony stop.

Deputy Diaz informed dispatch that he had stopped the vehicle near the 405 north mile marker. Upon arriving at the 405 mile marker, there were several other units on scene, including ASO, FHP and APD. I immediately exited my vehicle and retrieved my agency issued rifle (Colt A0227087) from its rack and charged a round into the chamber. This was due to this being a felony stop. There suspects and weapons used in the crime were beleived to be in the vehicle. I took up position behind a Tahoe and kept lethal coverage on the vehicle. I kept coverage while Deputy Cook called the occupants of the vehicle out, at which time they were detained by other Deputies on scene. The vehicle was then cleared by the K-9 and Deputies on scene.

I did not talk to any of the occupants, nor did I approach the vehicle. I made sure I was not needed further and then left the scene.

This concludes my involvement.

While assigned to the Alachua County SWAT team, I was assigned as a quick response force (QRF) during the Richard Spencer speech. This event was being held at the Phillips Center of Performing Arts. Towards the end of the day I heard over the radio via dispatch that someone had fired a shot into a crowd of people off of Archer Road. The vehicle was described as a silver Jeep SUV that fled the area.

After completing my assignment with SWAT and was heading home for the night. I heard over the radio that the silver Jeep was located at a gas station. Alachua County Patrol Deputies responded to the area and was given channel three over the radio. I switched over to channel three to listen. After hearing that the vehicle was not at the gas station, I got onto State Road 93 at Archer Road and headed north.

While traveling north to go home I was looking for a silver Jeep SUV with Texas plates. At approximately mile marker 393 north bound I past a silver Jeep SUV with Texas plates that was traveling in the middle lane. I pulled off into the middle emergency lane and waited for the vehicle to pass. Once the vehicle past I got State Road 93 to verify the tag. I advised dispatch to repeat the tag number again and they advised Texas 23. I advised that I was behind the vehicle g north at mile marker 396. The vehicle I was following w Jeep Patriot with Texas plate of 23.

The vehicle never left the e as I was calling out our locations. While waiting for other units to arrive we made our way to mile marker 403. D/S Cook advised me to turn on my rear lights on and he advised that he could see me. At that point, I conducted a traffic stop at mile marker 405. The vehicle used his turn signal and moved over to the slow lane and then to the emergency lane. D/S Cook, D/S Smith and I conducted a felony stop on the vehicle. I advised D/S Cook to give verbal commands over the PA system. D/S Cook advise the driver to put his hands out the window. At that time, I noticed four sets of hands pop out of all the windows of the vehicle. D/S Cook advised the driver to remove the keys from the vehicle and place them on the ground. The driver complied. The driver was ordered to step out of the vehicle with his hands in the air. As he stepped out of the vehicle, he was order to lift his shirt up with his left hand and turn around. I noticed something black in his right side waistband. I told D/S Cook that he might have a gun on him. D/S Cook asked the driver to pull his shirt up more and then I could clearly see the firearm in his waistband. I yelled out to the other units around that the driver had a "gun." The driver was given further commands and he complied and was detained. Shortly after three others were removed from the vehicle and detained without incident. Utilizing Alachua Police department K9, the vehicle was cleared and no other person was located in the vehicle.

This concludes my involvement in this case.

On October 19, 2017 I responded to MM 396 in reference to a vehicle that was involved in a shooting that occurred at the 3400 block of SW Archer Road and related to the Richard Spencer event. On this date I was off duty travelling home when it was announced that the vehicle was being followed.

As I was headed home, I overheard information given over primary that a silver Jeep Liberty with a Texas tag was last seen in the area of SW Williston Road and I75 based on a cell ping. Several night shift deputies responded to the area of the Circle K, 3509 SW Williston Road and were unable to locate the vehicle. Seconds later, Deputy Adam Diaz requested the vehicle description and tag number over the radio. After provided he announced that he was behind the suspect vehicle northbound from MM 396 on I75. He stated that he was going to wait for additional units to arrive before activating his emergency lights.

I overheard the information as I was passing the Phoenix Industrial Park at the 14000 block of NW US 441 and knew that I was going to be a closer unit. I announced that I was responding in emergency mode (lights and siren) and requested that APD respond also.

Deputy Diaz provide updates as additional deputies responded from the south. I turned northbound on I75 from MM 399 in the city of Alachua and APD had two officers ahead of me. Deputy Diaz announced at MM 405 that he was going to stop the vehicle presumably to keep them from leaving Alachua County. Deputy Diaz was the lead vehicle and we all set up our vehicles to conduct a felony stop as safely as we could on the side of the interstate. My unmarked vehicle was behind and to the right of an APD marked patrol car and I deployed with my issued handgun pointed at the vehicle. To my left was APD Officer's Bohannon and Pilgrim.

On 10/19/17 I responded to the 405 North bound mile marker for SR 93. A deputy sheriff located a vehicle that was wanted for a shooting during the Richard Spencer event in Gainesville, FL (GPD case report number 17-19592). The description Gainesville Police gave of the suspect vehicle was a silver Jeep Patriot with a Texas tag of HXP-3519.

I first responded to Williston Rd and SR 93 where I was advised a phone ping showed the vehicle was recently in that area. While driving around businesses in that area, I did not locate the Jeep Patriot. I was then advised via ASO radio that a deputy located the vehicle at the 396 North bound mile marker on SR 93. I then activated my emergency lights and sirens and responded to the deputy to assist in a felony traffic stop. The traffic stop was initiated at the 405 mile marker.

As I arrived on scene, several other deputies were already in place for the felony stop. I drew my agency issued handgun and provided cover on the car. Four passengers from the vehicle were detained.

I then took control of William Fears IV and placed him in the back of my agency patrol vehicle. I then relocated to the Florida Welcome center at 18625 NW County Rd 236, where I stood by until Gainesville Police Department detectives arrived to take over the investigation.

**On 10/19/17, I was supervising the field performance of D/T Helmerson within the scope of the field training program. On this date, at approximately 2023 hours, we responded to the area of SR 93 and SW Williston RD to attempt to locate a suspect vehicle from an armed disturbance which occurred within the Gainesville city limits earlier this date. Upon arrival, we were advised that the vehicle was travelling northbound on SR 93 within Alachua County. A short time later, an ACSO unit advised that they [REDACTED] the vehicle at approximately MM396 NB SR 93. The vehicle was described as a silver Jeep SUV bearing TX/ [REDACTED] 23, and a felony traffic stop was ultimately effected on the vehicle at approximately MM405 NB SR 93.**

**Due to the nature of the original armed disturbance, and the threat potential of firearms within the vehicle, units involved in this felony stop displayed their agency issued weapons and pointed them at the vehicle and its occupants. The following subjects were called out of the vehicle via clear and loud verbal commands at gunpoint, and ultimately detained in handcuffs. Maverick Mears, Colton Fears, William Fears, and Tyler Tenbrink. For the purposes of subject resistance regarding the involvement of ACSO Deputies in this incident, "Group Tactics" were utilized during the course of this felony stop.**

**My individual involvement consisted of making physical contact with the multiple subjects once they had been instructed to move to a predesignated area away from the suspect vehicle. At this point, I assisted in taking physical control of the subject's arms and placing them in handcuffs. Once all occupants were believed to be removed from the vehicle, I assisted in executing a cursory search of the vehicle's interior for any remaining occupants. In doing so, I utilized a ballistic shield and approached the vehicle within a four man element while my agency issued handgun was pointed at the vehicle. At no time did I interview any of the subjects removed from the vehicle, or search the contents of the vehicle.**

**Maverick Mears was placed in the backseat of my marked patrol, and relocated to the Marathon gas station (18625 NW CR 236 / Exit 404 NB SR 93). The additional subjects were also transported to this same location by other ACSO units. Upon arriving at this location, we remained with the four subjects and awaited the arrival of GPD Investigators.**

**GPD Investigators arrived to this location, and spoke with the subjects as well as executed a show up identification process with various witnesses. Upon Detective Juan DeCastro of the Gainesville Police Department transferring probable cause to D/T Helmerson, William and Colton Fears, and Tyler Tenbrink were placed under arrest. These three subjects were then transported to the Gainesville Police Department where they were interviewed by GPD. These subjects were then transported to ACSO-DOJ without incident by Deputies Helmerson and Justin Williams where they were booked on the following charges: William and Colton Fears (Homicide - Commit act which could cause death), and Tyler Tenbrink (Homicide - Commit act which could cause death, and Possession of a firearm by a convicted felon).**

**The recipient copy of the vehicle tow receipt was provided to William Fears by me. I submitted the agency copies of the vehicle tow receipts to ACSO. This concludes my involvement in this matter.**

was located unoccupied. At that time, the occupants of the vehicle were not located either.

Around 8:30 p.m., a second call for the incident came out and ACSO deputies received information that the vehicle was in the area of SW Williston RD and SW 34th ST. Multiple deputies responded to this area to attempt to locate the vehicle and possibly the suspect(s). The suspect vehicle was a grey Jeep Patriot and it was believed to be at one of the Marathon Gas stations near the listed address. Deputies were unable to locate the vehicle at either of the gas stations or in the immediate area.

D/S Diaz (ID 789) and I were traveling home from the event and we were both driving northbound on SR 93 (Interstate 75). At approximately 8:35 p.m. D/S Diaz announced over the radio that he was behind the suspect vehicle. He read the tag t ispatch and confirmed that it was in fact the suspect vehicle, silver Jeep Patriot bearing the Texas tag of █ 23. █. I was approximately 2 miles ahead of D/S Diaz and I maneuvered so that I could be his back up unit. At t thbound mile marker (NB MM) of SR 93, I was in position behind D/S Diaz. Due to the vehicle being involved in a drive by shooting, I believed that at least one of the occupants was armed with, and willing to use a firearm. As a result, D/S Diaz and I conducted a Felony traffic stop. Once D/S Diaz and I activated our overhead lights the vehicle pulled to the shoulder of SR 93. I positioned my vehicle in the middle of the slow lane with the nose of my vehicle pointing slightly north east. I left my vehicle blocking the slow lane to keep cars from at to come around our traffic stop. I then exited my vehicle and pointed my agency issued handgun (Serial #: 31. █ at the vehicle. At this time, I noticed that several other deputies and Officers from other agencies were b Diaz and I. Once we had enough deputies for arrest teams, I took lead in the felony stop and began giving announcements via the PA system in vehicle 661. The first command I gave was for all of the occupants of the jeep to place both hands out of the window. I received compliance and four occupants placed their hands out of the windows. I then began to remove all of the occupants from the vehicle starting with the driver.

I ordered the driver out of the Jeep and I told him to face away from me, while keeping his hands in the air. He complied and I noticed that he was wearing a white shirt with kahaki pants. I told the driver to lift his shirt up with one arm so that I could see his waist line. This is a tactic used to determine if an individual has a weapon concealed in his waist line. He also complied and I told him to turn and face me. The driver complied with this request also however, when he turned toward me, I noticed that his shirt tail was still covering his waist line. I then told the driver to lift his shirt all the way up and when he did, I saw the grip end of a black semi-automatic handgun sticking out of his waist line. I immediately gave the driver a loud verbal command of "Do not reach for that gun," and "Do not move." I was pointing my handgun at the driver while I gave these commands. At this point, we took a tactical pause and I asked D/S Diaz to cover this individual with his rifle. Once we had long rifle coverage, I gave the driver commands to slowly remove the weapon from his waist by using his right hand. He complied and placed the weapon on the ground. Once I had cleared the driver's waist line, I again had him face away from me. I called the driver back to my location and an arrest team detained him in a patrol car.

Once the driver was detained, I began to remove the left rear passenger, in a similar fashion. This subject was wearing blue jeans and cowboy boots and he was later identified at Tyler Tenbrink. Tyler exited the vehicle and immediately faced away from me. As instructed he lifted his shirt and I verified that Tyler did not have a weapon in his waistline. I then had Tyler walk back to the trunk of the vehicle and I requested that he open the trunk so that I could see if anyone was hiding in the trunk area. He complied with this request and opened the trunk. I then called Tyler back to my location where he was detained by another arrest team and he was taken to a patrol car. I then removed the front right passenger in a similar fashion. This individual was wearing a blue shirt and khaki pants. I never learned the identity of this subject. I removed him from the vehicle and had him face away from me. I then requested the he lift his shirt to show me his waist line. Once I verified the front right passenger's waist line was clear I called him back to my location. He was then detained by an arrest team and placed into a patrol vehicle. Finally I removed the right rear passenger, the same way that I removed the driver, Tyler, and the front right passenger. The right rear passenger was not armed and he was also detained by an arrest team.

After all four known occupants were removed from the vehicle, I continued giving verbal commands to the vehicle for a fifth occupant to show me his hands. I received no response from my verbal commands. D/S Williams (ID 1164) and I along with a K9 handler from APD and his K9 partner utilized two ballistic shields as cover and we moved to clear the remainder of the vehicle. D/S Williams and I utilized the shields to provide cover for the K9 handler who deployed his K9 partner into the Jeep to verify that the vehicle was clear. There was no one else inside the vehicle.

On October 20, 2017, I worked as part of the ACSO SWAT detail for the Richard Spencer speaking event on The University of Florida Campus. Toward the end of the event, it was announced over the radio that GPD was responding to an incident involving the discharge of a firearm at a subject near 3400 SW Archer Rd. There was a silver suv involved in the incident that left the scene. I did not respond to the original incident.

While going home after completing my earlier detail, I overheard via in car radio that the vehicle from the earlier incident was on SW Williston Rd and ACO Deputies were responding to the scene. A brief time later it was announced via in car radio that the vehicle was now north bound on SR 93. Deputy Diaz asked over the radio for dispatch to repeat the tag on the vehicle. Dispatch repeated the tag number, at which time Deputy Diaz said that he was behind the vehicle. I was several miles behind Deputy Diaz on SR 93 and began to head his way. Deputy Diaz began to follow the vehicle, until additional back up units arrived to assist him with a felony stop.

Deputy Diaz informed dispatch that he had stopped the vehicle near the 405 north mile marker. Upon arriving at the 405 mile marker, there were several other units including ASO, FHP and APD. I immediately exited my vehicle and retrieved my agency issued rifle (Colt 31. ) from its rack and charged a round into the chamber. This was due to this being a felony stop. There s d weapons used in the crime were beleived to be in the vehicle. I took up position behind a Tahoe and kept lethal coverage on the vehicle. I kept coverage while Deputy Cook called the occupants of the vehicle out, at which time they were detained by other Deputies on scene. The vehicle was then cleared by the K-9 and Deputies on scene.

I did not talk to any of the occupants, nor did I approach the vehicle. I made sure I was not needed further and then left the scene.

This concludes my involvement.

While assigned to the Alachua County SWAT team, I was assigned as a quick response force (QRF) during the Richard Spencer speech. This event was being held at the Phillips Center of Performing Arts. Towards the end of the day I heard over the radio via dispatch that someone had fired a shot into a crowd of people off of Archer Road. The vehicle was described as a silver Jeep SUV that fled the area.

After completing my assignment with SWAT and was heading home for the night. I heard over the radio that the silver Jeep was located at a gas station. Alachua County Patrol Deputies responded to the area and was given channel three over the radio. I switched over to channel three to listen. After hearing that the vehicle was not at the gas station, I got onto State Road 93 at Archer Road and headed north.

While traveling north to go home I was looking for a silver Jeep SUV with Texas plates. At approximately mile marker 393 north bound I past a silver Jeep SUV with Texas plates that was traveling in the middle lane. I pulled off into the middle emergency lane and waited for the vehicle to pass. Once the vehicle past I got State Road 93 to verify the tag. I advised dispatch to repeat the tag number again and they advised Texas ■■■ 23. ■■■. I advised that I was behind the vehicle ■■■ 23. ■■■ g north at mile marker 396. The vehicle I was following w Jeep Patriot with Texas plate of ■■■ 23. ■■■.

The vehicle never left the ■■■ e as I was calling out our locations. While waiting for other units to arrive we made our way to mile marker 403. D/S Cook advised me to turn on my rear lights on and he advised that he could see me. At that point, I conducted a traffic stop at mile marker 405. The vehicle used his turn signal and moved over to the slow lane and then to the emergency lane. D/S Cook, D/S Smith and I conducted a felony stop on the vehicle. I advised D/S Cook to give verbal commands over the PA system. D/S Cook advise the driver to put his hands out the window. At that time, I noticed four sets of hands pop out of all the windows of the vehicle. D/S Cook advised the driver to remove the keys from the vehicle and place them on the ground. The driver complied. The driver was ordered to step out of the vehicle with his hands in the air. As he stepped out of the vehicle, he was order to lift his shirt up with his left hand and turn around. I noticed something black in his right side waistband. I told D/S Cook that he might have a gun on him. D/S Cook asked the driver to pull his shirt up more and then I could clearly see the firearm in his waistband. I yelled out to the other units around that the driver had a "gun." The driver was given further commands and he complied and was detained. Shortly after three others were removed from the vehicle and detained without incident. Utilizing Alachua Police department K9, the vehicle was cleared and no other person was located in the vehicle.

On October 19, 2017 I responded to MM 396 in reference to a vehicle that was involved in a shooting that occurred at the 3400 block of SW Archer Road and related to the Richard Spencer event. On this date I was off duty travelling home when it was announced that the vehicle was being followed.

As I was headed home, I overheard information given over primary that a silver Jeep Liberty with a Texas tag was last seen in the area of SW Williston Road and I75 based on a cell ping. Several night shift deputies responded to the area of the Circle K, 3509 SW Williston Road and were unable to locate the vehicle. Seconds later, Deputy Adam Diaz requested the vehicle description and tag number over the radio. After provided he announced that he was behind the suspect vehicle northbound from MM 396 on I75. He stated that he was going to wait for additional units to arrive before activating his emergency lights.

I overheard the information as I was passing the Phoenix Industrial Park at the 14000 block of NW US 441 and knew that I was going to be a closer unit. I announced that I was responding in emergency mode (lights and siren) and requested that APD respond also.

Deputy Diaz provide updates as additional deputies responded from the south. I turned northbound on I75 from MM 399 in the city of Alachua and APD had two officers ahead of me. Deputy Diaz announced at MM 405 that he was going to stop the vehicle presumably to keep them from leaving Alachua County. CASE NUMBER: 17-019592 / Attempted Homicide

**CRIME SCENE INVESTIGATION:** On 10/19/17 at 1805 hours I responded to the RTS bus stop near 3315 SW Archer Rd (Radio Shack) in reference to an attempted homicide investigation. I made contact with Det. DeCastro who advised two groups of people were having a confrontation; one group was in a vehicle and the other was on the sidewalk. One victim, a member of the group on the sidewalk, allegedly struck the vehicle with an expandable baton. One member of the group in the vehicle allegedly exited the vehicle and fired a single round at the victims (the group on the sidewalk). I conducted my investigation and cleared the scene at 1903 hours.

After returning to the GPD FCL I was contacted by Lt. Fanelli and advised the expandable baton used in the incident was located in a trash can at 528 NW 8th Ave (Sunoco Gas Station). I arrived on scene at about 2100 hours, photographed and collected the expandable baton, and cleared the scene at about 2108 hours.

**PARTICULARS OF CRIME SCENE:** The incident took place on the south side of SW Archer Rd at the RTS bus stop located near the Radio Shack (3315 SW Archer Rd). SW Archer Rd runs southwest to northeast. The bus stop is located on the southeast side of SW Archer Rd on the north side of the parking lot for the Radio Shack and consists of a single bench and bus stop sign. A sidewalk runs parallel to SW Archer Rd. The Radio Shack building is located southwest of the bus stop; the front faces northwest. The building is rectangular with a reverse "L"-shaped section cut out of the front, forming a short northeast facing wall and a longer northwest facing wall.

A 9mm fired cartridge casing (6111-1) was located in the outside westbound lane of SW Archer Rd, northeast of the bus stop.

Two bullet impact marks (A and A1) were located on the Radio Shack building. Bullet impact "A" was on the northwest face of the building and Bullet impact "A1" was on the northeast face. The building façade appeared to be made of brick. A projectile jacket fragment (6111-2) was located in the parking lot just north of the building.

The scene at 528 NW 8th Ave (Sunoco Gas Station) was contained to the trash can located on the west side of the building near the air pump. A black expandable baton (6111-4) with a small piece of red tape around the handle was on the bottom of the trash can.

On October 19, 2017 at 2023 hours, I was on uniform patrol with my FTD D/S F. Williams, #1164, when we received information from dispatch in reference to a Silver Jeep, with Texas plates, being in the area of Williston Road (SR 121) and Interstate 75 (SR 93), which was allegedly involved in a shooting incident at 3400 SW Archer Road, at 1720 hours, this date. The case number for the Gainesville Police Department for the reported incident is 17-19592.

As we arrived at the above location, the information was continually being updated as to the location of the vehicle by dispatch and was reported heading northbound on I75 (SR 93). The vehicle was spotted and being followed by an ASO deputy as we entered the interstate. When enough law enforcement reached the trailing deputy, a traffic stop was conducted on the suspect vehicle. D/S Williams and I arrived as the occupants were being brought out of the vehicle.

As the occupants were ordered out of the vehicle, I assisted with handcuffing one of the occupants of the suspected vehicle. He was placed in an ASO vehicle and his identity (Colton Fears) was retrieved by myself. I also obtained the identification of the other occupants of the suspect vehicle. All occupants were detained and taken to the Florida Welcome Center on I75 at the 404 mile marker in order to get off of the busy highway for everyone's safety. At the Welcome center, we waited with the detained subjects until the Gainesville Police Department detectives arrived, who brought witnesses to identify the potential suspects, and questioned the suspects. Probable cause was transferred to me by Det. J. DeCastro of GPD. Victim Notification forms were not completed as this is an active GPD case. This concludes my involvement in this incident.

On October 19, 2017, around 2042 hours I responded to the 405 mile marker in reference to assist with a felony stop, which was being conducted on shooting suspects, who were wanted by the City of Gainesville Police Department.

Upon my arrival, I deployed out of my vehicle with my agency issued rifle and pointed it at the driver as he was standing outside of the suspected car, with what appeared to be a black handgun in his waistband.

As more deputies arrived, I lowered my rifle and as the occupants were being called out of the car I began with assisting with detaining them in handcuffs and placing them inside of patrol cars.

Two of the occupants, Colton Fears and Tyler Tenbrink were placed in the backseat of my patrol car. Once the scene was secure, I transported Colton and Tyler to the Florida Welcome Center at 18625 NW CR 236 and waited for Detectives from the Gainesville Police Department to arrive. They determined that they were going to arrest Colton, Tyler and William Fears.

The GPD detectives transferred their probable cause to us and they were subsequently arrested and transported to the ACSO jail without incident.

No further information at this time.

On 10/19/17 I responded to the 405 North bound mile marker for SR 93. A deputy sheriff located a vehicle that was wanted for a shooting during the Richard Spencer event in Gainesville, FL (GPD case report number 17-19592). The description Gainesville Police gave of the suspect vehicle was a silver Jeep Patriot with a Texas tag of HXP-3519.

I first responded to Williston Rd and SR 93 where I was advised a phone ping showed the vehicle was recently in that area. While driving around businesses in that area, I did not locate the Jeep Patriot. I was then advised via ASO radio that a deputy located the vehicle at the 396 North bound mile marker on SR 93. I then activated my emergency lights and sirens and responded to the deputy to assist in a felony traffic stop. The traffic stop was initiated at the 405 mile marker.

As I arrived on scene, several other deputies were already in place for the felony stop. I drew my agency issued handgun and provided cover on the car. Four passengers from the vehicle were detained.

I then took control of William Fears IV and placed him in the back of my agency patrol vehicle. I then relocated to the Florida Welcome center at 18625 NW County Rd 236, where I stood by until Gainesville Police Department detectives arrived to take over the investigation.

On October 19th 2017 at approximately 1720 hours the DEF (Tenbrink) willfully and willingly fired a deadly weapon at VIC with the intent to kill.

VIC (55. ) was sitting at the bus stop located at 3315 SW Archer Road immediately following the Richard Spencer speaking event which occurred nearby on the University of Florida campus. The vehicle containing the defendants pulled up to VIC's location and one of the passengers began yelling Hail Hitler and other chants at VIC. An argument ensued and VIC (55. ) used a baton to hit the rear window of DEF's vehicle. The VIC (55. ) said the vehicle pulled away approximately 10 feet and then quickly stopped. DEF (Tenbrink) emerged from the vehicle and produced a handgun. CoDEF (C. Fears) and CoDEF (W. Fears) were yelling at both VICs, "I'm going to fucking kill you". CoDEF (C. Fears) and CoDEF (W. Fears) were also yelling, "kill them" and "shoot them". DEF (Tenbrink) fired a single shot at VIC, which missed and struck the business directly behind VIC. The DEFs jumped back in the vehicle and fled eastbound on SW Archer Road.

VIC (55. ) called the police and was able to provide the vehicle tag (T) 23. ) and description of the occupants. An attempt to locate bulletin was immediately distributed to area agencies. The Alachua County Sheriff's Office located the suspect vehicle traveling north on I-75 about 20 miles north of Gainesville, Florida. A traffic stop was conducted and the vehicle was occupied by 4 males and a firearm was also located.

VIC (55. ) was transported to the location of the suspect vehicle traffic stop and positively identified DEF (Tedbrink), CoDef (C. Fears) and CoDef (W. Fears) as the subjects who threatened him. VIC stated that DEF (Tedbrink) was the person who fired the shot. VIC also stated that CoDef (W. Fears) to be the subject who emerged from the passenger side and yelling at them.

Post Miranda, DEF (Tedbrink) admitted that he was in the suspect vehicle at the time of the incident and that he was the shooter.

This probable cause was transferred to me by Detective Juan DeCastro of the Gainesville Police Department.

On 10/19/17, I was supervising the field performance of D/T Helmerson within the scope of the field training program. On this date, at approximately 2023 hours, we responded to the area of SR 93 and SW Williston RD to attempt to locate a suspect vehicle from an armed disturbance which occurred within the Gainesville city limits earlier this date. Upon arrival, we were advised that the vehicle was travelling northbound on SR 93 within Alachua County. A short time later, an ACSO unit advised that they located the vehicle at approximately MM396 NB SR 93. The vehicle was described as a silver Jeep SUV bearing TX/ **23**, and a felony traffic stop was ultimately effected on the vehicle at approximately MM405 NB SR 93.

Due to the nature of the original armed disturbance, and the threat potential of firearms within the vehicle, units involved in this felony stop displayed their agency issued weapons and pointed them at the vehicle and its occupants. The following subjects were called out of the vehicle via clear and loud verbal commands at gunpoint, and ultimately detained in handcuffs. Maverick Mears, Colton Fears, William Fears, and Tyler Tenbrink. For the purposes of subject resistance regarding the involvement of ACSO Deputies in this incident, "Group Tactics" were utilized during the course of this felony stop.

My individual involvement consisted of making physical contact with the multiple subjects once they had been instructed to move to a predesignated area away from the suspect vehicle. At this point, I assisted in taking physical control of the subject's arms and placing them in handcuffs. Once all occupants were believed to be removed from the vehicle, I assisted in executing a cursory search of the vehicle's interior for any remaining occupants. In doing so, I utilized a ballistic shield and approached the vehicle within a four man element while my agency issued handgun was pointed at the vehicle. At no time did I interview any of the subjects removed from the vehicle, or search the contents of the vehicle.

Maverick Mears was placed in the backseat of my marked patrol, and relocated to the Marathon gas station (18625 NW CR 236 / Exit 404 NB SR 93). The additional subjects were also transported to this same location by other ACSO units. Upon arriving at this location, we remained with the four subjects and awaited the arrival of GPD Investigators.

GPD Investigators arrived to this location, and spoke with the subjects as well as executed a show up identification process with various witnesses. Upon Detective Juan DeCastro of the Gainesville Police Department transferring probable cause to D/T Helmerson, William and Colton Fears, and Tyler Tenbrink were placed under arrest. These three subjects were then transported to the Gainesville Police Department where they were interviewed by GPD. These subjects were then transported to ACSO-DOJ without incident by Deputies Helmerson and Justin Williams where they were booked on the following charges: William and Colton Fears (Homicide - Commit act which could cause death), and Tyler Tenbrink (Homicide - Commit act which could cause death, and Possession of a firearm by a convicted felon).

The recipient copy of the vehicle tow receipt was provided to William Fears by me. I submitted the agency copies of the vehicle tow receipts to ACSO. This concludes my involvement in this matter.

On 10/19/2017, I was working the SWAT portion of the Free Speech event, at the University of Florida, where Richard Spencer came to speak about his political beliefs. Near the conclusion of the event, UPD dispatch announced that there had been a drive by shooting, in the area of 3400 SW Archer RD. The incident involved a grey SUV and it had fled the area after the shooting. This call was handled by the Gainesville Police Department (GPD) and the vehicle was located unoccupied. At that time, the occupants of the vehicle were not located either.

Around 8:30 p.m., a second call for the incident came out and ACSO deputies received information that the vehicle was in the area of SW Williston RD and SW 34th ST. Multiple deputies responded to this area to attempt to locate the vehicle and possibly the suspect(s). The suspect vehicle was a grey Jeep Patriot and it was believed to be at one of the Marathon Gas stations near the listed address. Deputies were unable to locate the vehicle at either of the

gas stations or in the immediate area.

D/S Diaz (ID 789) and I were traveling home from the event and we were both driving northbound on SR 93 (Interstate 75). At approximately 8:35 p.m. D/S Diaz announced over the radio that he was behind the suspect vehicle. He read the tag to ACSO dispatch and confirmed that it was in fact the suspect vehicle, silver Jeep Patriot bearing the Texas tag of **23**. I was approximately 2 miles ahead of D/S Diaz and I maneuvered so that I could be his back up unit. At the 405 northbound mile marker (NB MM) of SR 93, I was in position behind D/S Diaz. Due to the vehicle being involved in a drive by shooting, I believed that at least one of the occupants was armed with, and willing to use a firearm. As a result, D/S Diaz and I conducted a Felony traffic stop. Once D/S Diaz and I activated our overhead lights the vehicle pulled to the shoulder of SR 93. I positioned my vehicle in the middle of the slow lane with the nose of my vehicle pointing slightly north east. I left my vehicle blocking the slow lane to keep cars from attempting to come around our traffic stop. I then exited my vehicle and pointed my agency issued handgun (Serial # **31**) at the vehicle. At this time, I noticed that several other deputies and Officers from other agencies were behind D/S Diaz and I. Once we had enough deputies for arrest teams, I took lead in the felony stop and began giving announcements via the PA system in vehicle 661. The first command I gave was for all of the occupants of the jeep to place both hands out of the window. I received compliance and four occupants placed their hands out of the windows. I then began to remove all of the occupants from the vehicle starting with the driver.

I ordered the driver out of the Jeep and I told him to face away from me, while keeping his hands in the air. He complied and I noticed that he was wearing a white shirt with kahaki pants. I told the driver to lift his shirt up with one arm so that I could see his waist line. This is a tactic used to determine if an individual has a weapon concealed in his waist line. He also complied and I told him to turn and face me. The driver complied with this request also however, when he turned toward me, I noticed that his shirt tail was still covering his waist line. I then told the driver to lift his shirt all the way up and when he did, I saw the grip end of a black semi-automatic handgun sticking out of his waist line. I immediately gave the driver a loud verbal command of "Do not reach for that gun," and "Do not move." I was pointing my handgun at the driver while I gave these commands. At this point, we took a tactical pause and I asked D/S Diaz to cover this individual with his rifle. Once we had long rifle coverage, I gave the driver commands to slowly remove the weapon from his waist by using his right hand. He complied and placed the weapon on the ground. Once I had cleared the driver's waist line, I again had him face away from me. I called the driver back to my location and an arrest team detained him in a patrol car.

Once the driver was detained, I began to remove the left rear passenger, in a similar fashion. This subject was wearing blue jeans and cowboy boots and he was later identified at Tyler Tenbrink. Tyler exited the vehicle and immediately faced away from me. As instructed he lifted his shirt and I verified that Tyler did not have a weapon in his waistline. I then had Tyler walk back to the trunk of the vehicle and I requested that he open the trunk so that I could see if anyone was hiding in the trunk area. He complied with this request and opened the trunk. I then called Tyler back to my location where he was detained by another arrest team and he was taken to a patrol car. I then removed the front right passenger in a similar fashion. This individual was wearing a blue shirt and khaki pants. I never learned the identity of this subject. I removed him from the vehicle and had him face away from me. I then requested the he lift his shirt to show me his waist line. Once I verified the front right passenger's waist line was clear I called him back to my location. He was then detained by an arrest team and placed into a patrol vehicle. Finally I removed the right rear passenger, the same way that I removed the driver, Tyler, and the front right passenger. The right rear passenger was not armed and he was also detained by an arrest team.

After all four known occupants were removed from the vehicle, I continued giving verbal commands to the vehicle for a fifth occupant to show me his hands. I received no response from my verbal commands. D/S Williams (ID 1164) and I along with a K9 handler from APD and his K9 partner utilized two ballistic shields as cover and we moved to clear the remainder of the vehicle. D/S Williams and I utilized the shields to provide cover for the K9 handler who deployed his K9 partner into the Jeep to verify that the vehicle was clear. There was no one else inside the vehicle.

Once the vehicle was determined to be clear I was no longer needed on scene. I cleared the scene and completed a supplement for my involvement the next day. I had no other involvement in this case.

University of Florida Campus. Toward the end of the event, it was announced over the radio that GPD was responding to an incident involving the discharge of a firearm at a subject near 3400 SW Archer Rd. There was a silver suv involved in the incident that left the scene. I did not respond to the original incident.

While going home after completing my earlier detail, I overheard via in car radio that the vehicle from the earlier incident was on SW Williston Rd and ACO Deputies were responding to the scene. A brief time later it was announced via in car radio that the vehicle was now north bound on SR 93. Deputy Diaz asked over the radio for dispatch to repeat the tag on the vehicle. Dispatch repeated the tag number, at which time Deputy Diaz said that he was behind the vehicle. I was several miles behind Deputy Diaz on SR 93 and began to head his way. Deputy Diaz began to follow the vehicle, until additional back up units arrived to assist him with a felony stop.

Deputy Diaz informed dispatch that he had stopped the vehicle near the 405 north mile marker. Upon arriving at the 405 mile marker, there were several other units on scene, including ASO, FHP and APD. I immediately exited my vehicle and retrieved my agency issued rifle (Colt 31. [REDACTED] from its rack and charged a round into the chamber. This was due to this being a felony stop. There suspects and weapons used in the crime were beleived to be in the vehicle. I took up position behind a Tahoe and kept lethal coverage on the vehicle. I kept coverage while Deputy Cook called the occupants of the vehicle out, at which time they were detained by other Deputies on scene. The vehicle was then cleared by the K-9 and Deputies on scene.

I did not talk to any of the occupants, nor did I approach the vehicle. I made sure I was not needed further and then left the scene.

This concludes my involvement.

Once the vehicle past I got back onto State Road 93 to verify the tag. I advised dispatch to repeat the tag number again and they advised Texas [REDACTED]. The driver complied. The driver was ordered to step out of the vehicle with his hands in the air. As he stepped out of the vehicle, he was order to lift his shirt up with his left hand and turn around. I noticed something black in his right side waistband. I told D/S Cook that he might have a gun on him. D/S Cook asked the driver to pull his shirt up more and then I could clearly see the firearm in his waistband. I yelled out to the other units around that the driver had a "gun." The driver was given further commands and he complied and was detained. On October 19, 2017 I responded to MM 396 in reference to a vehicle that was involved in a shooting that occurred at the 3400 block of SW Archer Road and related to the Richard Spencer event. On this date I was off duty travelling home when it was announced that the vehicle was being followed.

As I was headed home, I overheard information given over primary that a silver Jeep Liberty with a Texas tag was last seen in the area of SW Williston Road and I75 based on a cell ping. Several night shift deputies responded to the area of the Circle K, 3509 SW Williston Road and were unable to locate the vehicle. Seconds later, Deputy Adam Diaz requested the vehicle description and tag number over the radio. After provided he announced that he was behind the suspect vehicle northbound from MM 396 on I75. He stated that he was going to wait for additional units to arrive before activating his emergency lights.

I overheard the information as I was passing the Phoenix Industrial Park at the 14000 block of NW US 441 and knew that I was going to be a closer unit. I announced that I was responding in emergency mode (lights and siren) and requested that APD respond also.

Deputy Diaz provide updates as additional deputies responded from the south. I turned northbound on I75 from MM 399 in the city of Alachua and APD had two officers ahead of me. Deputy Diaz announced at MM 405 that he was going to stop the vehicle presumably to keep them from leaving Alachua County. Deputy Diaz was the lead vehicle and we all set up our vehicles to conduct a felony stop as safely as we could on the side of the interstate. My unmarked vehicle was behind and to the right of an APD marked patrol car and I deployed with my issued handgun pointed at the vehicle. To my left was APD Officer's Bohannon and Pilgrim.

Several other deputies from ASO and FHP arrived on scene and assisted. Deputy Diaz ordered the driver to roll down all four windows and for all four occupants to place their hands outside of the window. The driver was called out first at gunpoint. He complied with the all verbal commands to raise his shirt and when he did, a black handgun in a holster was observed on the left side of his body. He was ordered to down the firearm on the ground and to walk back behind the marked patrol car where he was detained. The three remaining occupants were also ordered out of the vehicle and were detained.

Once all of the occupants were detained and secured in patrol vehicles, I cleared from the scene. This concludes my involvement in this case.

THE BASIS for Your Affiant's belief is:

Your Affiant, DETECTIVE JUAN DeCASTRO (hereinafter referred to as YA), is a duly sworn law enforcement officer employed by the GAINESVILLE POLICE DEPARTMENT and has been since December 2007. YA successfully completed Basic Law Enforcement Training at Santa Fe Community College Institute of Public Safety in Gainesville, Florida, Alachua County, Florida. YA served as a patrol field training officer until transferred to the Criminal Investigations Division in July of 2012. YA is currently assigned to the Criminal Investigation Division of the Gainesville Police Department. YA is experienced in the investigation of batteries, burglaries, frauds, robberies, homicides, thefts, sexual batteries and other violations of law related to FSS 322, 713, 782, 784, 794, 800, 810, 812, 817, 827, 831, 847, 934. YA attended Crisis Intervention Training (CIT 2009), a covert training school (2010), and forensic computer training (BDRA 2013 and IDRA 2014). In May 2013 (& 2014) YA attended a technology conference focusing on mobile forensic products used to retrieve data from electronic devices. YA participated in a special Internet Crimes Against Children investigation course (36hrs) in October 2014 designed to educate the LEO on techniques used to gather evidence from the internet and other electronic media. In February 2015, YA attended training and became certified as an official XRY forensic examiner for mobile devices. YA attended an IACIS two week Basic Computer Forensic Examiner course held in Orlando, Florida on May 4<sup>th</sup> through the 15<sup>th</sup> of 2015. YA also participated in Trauma Informed Sexual Assault Investigations Training in Osceola County Sheriff's Office in October 2015. YA knows based on training and experience that it is common for evidence to be found on electronic devices and that those same electronic devices can be used to communicate in many different ways.

On October 19<sup>th</sup> 2017 at approximately 1720 hours, VIC (55. ) was sitting at the bus stop located at 3315 SW Archer Road immediately following the Richard Spencer speaking event which occurred nearby on the University of Florida campus. This event was similar to the event in Charlottesville, VA which sparked violence causing many to be injured and one death. This Gainesville, Florida event had a heavy presence of law enforcement due to the expected attendance of the "far right" (white supremacists, fascists, Nazi sympathizers) and "far left" (Antifa, Occupy movement, and similar anti-capitalist groups) which were responsible for the violence in many cities to include Charlottesville, VA.

A vehicle containing all three defendants pulled up to victim's location and the front seat passenger (W. Fears) began yelling "Hail Hitler" and other disturbing chants at the victims. The victims were with a group of "far left" sympathizers which were carrying Anti-Nazi signs. An argument ensued and VIC (55. ) used a baton to hit the rear window of defendant's vehicle. The VIC (55. ) said the vehicle pulled away approximately 10 feet and then quickly stopped. DEF (Tenbrink) emerged from the vehicle and produced a handgun. DEF (C. Fears/driver) and DEF (W. Fears/front passenger) were yelling at both victims, "I'm going to fucking kill you". DEF (C. Fears) and DEF (W. Fears) were also yelling, "kill them" and "shoot them" at DEF (Tenbrink). DEF (Tenbrink) fired a single shot at VICs (55. & 55. ). The round traveled between the two victims missing them and striking the business (Radio Shack) directly behind the victims. The defendants jumped back in the vehicle and fled eastbound on SW Archer Road. VIC (55. ) called the police and was able to provide the vehicle tag (TX 23. ) and description of the occupants.

An attempt to locate bulletin was immediately distributed to area agencies. The Alachua County Sheriff's Office (ACSO) located the suspect vehicle traveling north on I-75 about 20 miles north of Gainesville, Florida. A traffic stop was conducted on the vehicle and four adult male occupants were inside. ACSO Deputy observed a firearm in the vehicle and all four occupants were placed into handcuffs for officer safety.

VICs (55. ) & (55. ) were transported to the location of the suspect vehicle traffic stop and they positively identified DEF (Tenbrink), Def (C. Fears) and Def (W. Fears) as the subjects responsible for the shooting incident back at the bus stop on Archer Road in Gainesville, Florida. VIC (55. ) stated that DEF (Tenbrink) was the person who fired the shot. VIC (55. ) also stated that Def (W. Fears) to be the subject who emerged from the passenger side window yelling at them. It was determined that the fourth occupant (Maverick Mears) of the stopped vehicle was not in the vehicle at the time of the original shooting incident. Mears agreed to return back to GPD CID for questioning. Post Miranda, DEF (Tenbrink) admitted that he was in the suspect vehicle at the time of the incident and that he was the shooter. DEFs (Tenbrink, C. Fears & W. Fears) were transported back to GPD CID by ACSO for further questioning.

Prior to the vehicle being towed, an inventory of the vehicle was conducted. During that inventory the following items were located; two handguns, gloves with heavy knuckle, smoke grenades, and two-way radios.

During Post Miranda interviews, DEF (W. Fears) indicated that they travelled from Texas to Florida just to attend this event and support Richard Spencer. DEF (W. Fears) also explained that he communicates with other supporters via social media group texts and online forums. DEF (C. Fears) also indicated that he and the others who were traveling together communicated via a Facebook chat while in Gainesville. Based on these details, YA has reason to believe the defendants may have communicated via electronic device (and/or Facebook) to coordinate and travel to and around Gainesville, Florida with the intent to cause harm to individuals attending a public demonstration.

A preservation letter was sent to Facebook, Inc. requesting the company maintain the requested information on their server until a search warrant was obtained. The account number associated with the preservation request is 1300001.

YA believes that obtaining the name, address, e-mail address, date of account creation, IP address at account sign-up, logs showing IP address and date stamps for account accesses, the contents of private messages in the user's inbox, sent mail and trash folders, current and deleted Facebook, Inc. statuses, stored user files including photos and videos, and current and deleted blog content, and check in statuses depicting the users location from September 19<sup>TH</sup> 2017 through November 3<sup>RD</sup> 2017, including posted comments, captions and date/time of uploads, may provide items of evidentiary value to the current criminal investigation.

BASED ON THE FOREGOING, YA has reason to believe and does believe that the account in question has contained in the past, and does contain now, certain instrumentalities and contraband which constitutes a violation of the laws of the State of Florida, or certain evidence which constitutes proof of a violation of the laws of the State of Florida, and based upon the foregoing, requests issuance of a search warrant for the above-described business to allow seizure of the above-described items.

WHEREFORE, Your Affiant prays that a search warrant be issued according to law commanding YA, and/or the Sheriff and/or Deputy Sheriffs and Officers with the Gainesville- Alachua County Drug Task Force, Florida, or any of their duly constituted Agents,

with proper and necessary assistance, including forensic computer analyst experts, to search the above-described business for the above-described items, and for the seizure and safekeeping thereof, either in the daytime or in the night-time, or on Sunday, as the exigencies of the occasion may demand, in order that the evidence may be procured to be used in the prosecution of such person or persons unlawfully possessing or using the same in violation of the laws of the State of Florida.

[REDACTED] at the rally in Gainesville, Florida. [REDACTED] asked [REDACTED] if he wanted to take a road trip and [REDACTED] agreed to go. He wanted to get out of Houston and enjoys traveling. [REDACTED] stated he didn't know anything about the speaker, or the speech that would take place. [REDACTED] stated he trusted [REDACTED]. [REDACTED] was going to work on [REDACTED] security detail. [REDACTED] left Houston on Tuesday night and provided [REDACTED] with no details on who he would be traveling with, nor did [REDACTED] ask.

(U) [REDACTED] was instructed to ride with WILLIAM FEARS, COLTON FEARS and TYLER TENBRINK. They all met at the FEARS brother's apartment. [REDACTED] and C. FEARS ran to Walmart before they left for Florida. [REDACTED] had only met W. FEARS a few times before they left for Florida. [REDACTED] first met W. FEARS at a bar called Neil's Bahr in Midtown Houston. The four of them, and [REDACTED] had been communicating on a private Facebook chat called 'Florida Goys Hurricane Spencer' to coordinate ride sharing and intelligence.

(U) Everybody piled into W. FEARS' Jeep Patriot and left Houston at around 5pm Wednesday night. The topic of conversation on the drive ranged from the three complaining about getting threats of 'doxing', to the Alt-Right trying to change their current image. Each person was on their mobile phone which is typical for their generation. They took turns sleeping. [REDACTED] stated there was no talk of illegal activity, or plotting illegal activity on the trip to Florida. [REDACTED] stated he brought his Glock 19, and placed it into his backpack for the trip, after thoroughly looking into the gun laws for Florida. C. FEARS brought a Sig Sauer. [REDACTED] stated C. FEARS does not have a permit to carry a gun.

(U) They arrived in Gainesville early Thursday morning. They parked near a Chick-Fil-A and ate some breakfast. After they ate, they walked to where the [REDACTED] lecture would take place. [REDACTED] left his gun in his backpack, and placed it in the back trunk of the Jeep.

(U) Upon arriving at the lecture, they were approached by reporters. The other 3 spoke with reporters. As this happened, [REDACTED] stated he just started to realize the controversy surrounding [REDACTED]. By-standers at the rally were shouting "Nazi".

(U) [REDACTED] arrived at the lecture to speak around 1pm with 5-10 people as his security detail. The security detail was giving out tickets to get into the lecture. The majority of the people associated with the Houston group choose to sit in the first two rows. They were all wearing a white polo shirt with khaki pants. [REDACTED] and C. FEARS sat in the rear middle right the entire time. [REDACTED] choose to wear a suit.

Continuation of FD-302 of (U) [REDACTED], On 10/31/2017, Page 3 of 6

(U) [REDACTED] stated it was hard to hear the speech because everybody was yelling so much. Eventually, somebody called a bomb threat into the lecture, and the lecture was discontinued.

(U) After the lecture was discontinued, he was exiting the hall with C. FEARS, but found T. TINBRINK. As they were heading to an exit, a fight broke out. The Police were forming barricades as the crowd was spitting on T. TINBRINK and talking trash. T. TINBRINK jumped a police barricade and was detained. An unidentified black male 'kneed' [REDACTED]. [REDACTED] grabbed that person's cell phone and threw it because the black male was shoving it into this face. The police detained [REDACTED] and he was later let go.

(U) After the police released [REDACTED], he spoke with a few student protesters. They all debated the issues currently consuming the day. (Writer's note, [REDACTED] stated they were Communists and supported Communism in the United States). [REDACTED] had been given a script to follow by [REDACTED] when speaking with Antifa people. This script was for the purpose of telling if somebody was part of Antifa. [REDACTED] walked back to an apartment complex with a person from this party. [REDACTED] didn't want to walk alone. Since [REDACTED] was separated from the group, he called [REDACTED]. [REDACTED] stated the other 3 were together, but detained by the police and were in the process of getting released. [REDACTED] picked [REDACTED] up in a white van that included 5 other people. [REDACTED] had no information on the occupants of the van. They drove in the van for about an hour and meet up with other people at a Japanese Steak House.

(U) At the Japanese Steak House, W. FEARS, C. FEARS, and T. TINBRINK were speaking about the encounter at the bus stop to the people who were sitting next to them at the table. There were around 15-20 people eating. [REDACTED] recounted the story of the events from listening to W. FEARS describing what took place at the bus stop. W. FEARS had told him that they were driving around when they saw some Antifa people at the bus stop. An Antifa person tried to smash the rear of their vehicle with a baton. W. FEARS then proceeded to 'charge' the person until he heard a gunshot. C. FEARS and T. TINBRINK then stated 'we need to go'. [REDACTED] overhead T. TINBRINK state he shot the gun.

(U) [REDACTED] gave the opinion that C. FEARS's Sig Sauer was used to fire the shot because his Glock 19 was supposedly in his bag and in the trunk. In addition, once he retrieved his Glock 19, he accounted for all the ammunition. [REDACTED] also gave the opinion as to why the three even stopped at the bus stop citing W. FEARS short temper and W. FEARS's inability to restrain himself. [REDACTED] stated many people in their group seemed mad at the three for the events at the bus stop.

Continuation of FD-302 of (U) [REDACTED], On 10/31/2017, Page 4 of 6

(U) After they ate, [REDACTED] suggested [REDACTED] travel back to Houston with W. FEARS, C. FEARS and T. TINBRINK. [REDACTED] made the statement that everybody was pissed off over the events. Everybody else was going to stay the night.

(U) After piling into W. FEARS's Jeep, [REDACTED] was asked to drive. After driving 10-15 minutes, the low fuel indicator light came on. [REDACTED] pulled into a gas station to fill the Jeep up with gas. At this point, he opened the trunk to retrieve his Glock 19 and counted the brass. All brass and ammunition was accounted for. After 20-30 minutes of being on the road again, they were pulled over by a county sheriff's deputy and everyone in the vehicle was arrested. Each person was placed in a separate car and driven back to Gainesville.

(U) Recalling the placement of his gun and C. FEARS' gun, [REDACTED] stated after leaving Chick-Fil-A for the lecture, [REDACTED] placed his gun in his bag and secured it in the truck of W. FEARS's Jeep. [REDACTED] recalls C. FEARS left his gun in T. TENBRINK's bag, which was also secured in the trunk, or [REDACTED] bag. At some point when the incident had occurred, a person would have had to have retrieved C. FEARS's gun from the truck because it was used in the incident. When the police arrested everyone, the police found C. FEARS's gun in [REDACTED] bag. Both guns were confiscated by the police.

(U) [REDACTED] wasn't sure why the police pulled and detained everyone. [REDACTED] gave a statement to the police for the events he was part of, and the conversations he overheard at the Japanese Steak House from W. FEARS. After being detained and giving his statements, [REDACTED] was released. He voluntarily returned to the Gainesville Police Station and was placed in an interrogation room to wait. Eventually, he requested his cell phone back to make arrangements for transportation. [REDACTED] contacted [REDACTED] and updated him on the current situation.

(U) [REDACTED] met [REDACTED] and a person named 'Z' at a Circle K gas station. They arrived in 'Z's' black BMW. After picking up [REDACTED], they drove to a ranch style house where [REDACTED] was staying with his security detail. There was a party going on there. [REDACTED] proceeded to sleep in the BMW as [REDACTED] served as a 'look out'. [REDACTED] stated he never inquired about the occupancy of the house, who was in the house, or who owned the house. [REDACTED] provided had no knowledge on the location of the ranch style house.

(U) [REDACTED] woke up a few hours later. He, [REDACTED], 'Z' and 2 others drove back to Houston in the BMW. On the drive back, there was a discussion on the events in Gainesville. In [REDACTED] opinion, the people in the car thought T. TINBRINK was a 'hot head' and they didn't really

Continuation of FD-302 of (U) [REDACTED], On 10/31/2017, Page 5 of 6

want him in the group. He was bad for the group. W. FEARS was too focused on social media attention, and C. FEARS just got caught up in bad things.

(U) [REDACTED] stated [REDACTED] did not travel with a gun, neither did 'Z'.

(U) [REDACTED] works at [REDACTED] as a driver of an armor car. [REDACTED] has worked at [REDACTED]. [REDACTED] owns the following firearms: (1) CZ duty gun which is a 9mm hand gun; (1) AK47 Rifle that is 55. [REDACTED] made; (1) 12 Gauge Shotgun for hunting; (1) Tactical 9 (known as the gun used in Columbine). [REDACTED] stated [REDACTED] doesn't sell or keep any guns for anyone.

(U) [REDACTED] stated that [REDACTED] likes to mention that his great, great grandfather was in the German SS. Although [REDACTED] and [REDACTED] don't discuss ideology in great detail, all the Nazi ideology doesn't bother him. [REDACTED] has a girlfriend named Emily (LNU) that lives in Spring, Texas.

(U) On November 8, 2017, [REDACTED] is going to military court for what is basically an accusation of social media misconduct. [REDACTED] posted one picture of himself in a Nazi hat and somebody took offense. [REDACTED] gave the opinion that somebody was trying to get revenge on [REDACTED] for some harassment charges filed by [REDACTED]. In [REDACTED] opinion, somebody is trying to bolster their military career over these charges on [REDACTED]. In [REDACTED] opinion, [REDACTED] is a great guy and a good Marine and is being retaliated against. [REDACTED] gave the opinion that [REDACTED] should be able to serve in the military regardless of any White Supremacist Ideology as long as he is not wearing his military uniform. [REDACTED] agreed the same thought process should apply to him.

(U) On occasion, [REDACTED] has gone out with [REDACTED] and his friends to bars. He doesn't typically go because he doesn't have any interest in 'these type of people'. [REDACTED] couldn't recall many names of people he had met at these meets, but recalled meeting W. FEARS, 'Z' and a guy named [REDACTED]. [REDACTED] was a former U.S. Army soldier, he was quiet and didn't carry a gun. [REDACTED] works at some kind of machine shop but had no additional information.

(U) [REDACTED] owns the following firearms: (3) AK 47's, one he made; (1) Arsenal 106 CR; (1) Russian made Viper; (1) Glock 19; (1) AR15 Short Barrel Rifle.

Continuation of FD-302 of (U) [REDACTED], On 10/31/2017, Page 6 of 6

(U) [REDACTED] stated he won his current vehicle in a lottery style event from Iron Planet Auction. There was an issue with the title, so he doesn't have any plates, or temporary plates for the vehicle. He has always wanted a military Hummer type vehicle, and that is why he purchased it.

(U) [REDACTED] has heard of the Alt-Right before, but not Vanguard. [REDACTED] stated white people shouldn't feel guilty just because they are white.

(U) [REDACTED] stated he was not aware of any illegal activity that the Alt-Right or [REDACTED] is involved in. [REDACTED] does not participate in the Alt-Right. [REDACTED] stated he wouldn't hesitate to report illegal activity.

(U) On Twitter and Facebook, [REDACTED] goes by the name [REDACTED]. He doesn't participate in Alt-Right Facebook group chats. [REDACTED] goes by the name [REDACTED] on social media.

(U) [REDACTED] stated he has not looked into [REDACTED] ideology because he has better things to do, like play video games and learn Polish.

(U) [REDACTED] stated he has a former Marine friend named [REDACTED] who he might move in with at some point.

(U) [REDACTED] stated he doesn't think there is a problem with Nazi groups in or around the city of Houston.

(U) [REDACTED] stated he has notified his Command of this incident that occurred in Gainesville, Florida, and his Command is not concerned regarding his association to the incident. Currently, his immediate supervisor is [REDACTED] in the Reserve. A person named [REDACTED] is in charge of the 123<sup>rd</sup>, but there is an upcoming change in Command and [REDACTED] is departing.

(U) [REDACTED] stated he has answered all questions to the best of his ability. [REDACTED] also stated the human mind can be easily corrupted, but has given truthful answers as he can recall today.

(U) [REDACTED] is available for re-contact if needed, and agreed to keep this interview between interviewing Agents and himself.

(U) (U) On 6/10/17, a First Amendment protected event was held at Hermann Park, Houston, Texas. In attendance was a mix of Alt-Right groups consisting of members from Militias, 3%ers, Sons of Odin, Oath Keepers, and White Supremacists.

(U) As each group was participating in the protests, for varying reasons, William Fears claimed to have been assaulted by an opposing protester named [REDACTED]. A Houston Police report, 735132-17, detailed the complaint by William Fears. In the complaint, Fears claimed [REDACTED] came up behind him and "wrapped his right arm around his neck so he could not breathe". Fears claimed his breath was impeded resulting in a possible charge of Aggravative Assault.

(U) Information indicates that William Fears is a member of an Alt-Right organization that has ties to White Supremacy groups. [REDACTED] appears to be part of a Militia group.

(U) A threat assessment needs to determine if [REDACTED] is part of a Militia group that participates in extremism and if a possible escalation of violence could occur from the incident that happened at the 6/10/17 event. There is a concern that the White Supremacy Group that Fears is associated with may decide to retaliate for the assault on one of their members.

(U) Interview

Authorized Interview or request information from members of the public and private entities.

Method:

Description: (U) On October 30, 2017, [REDACTED], [REDACTED], phone number [REDACTED] was interviewed at his residence by [REDACTED] and [REDACTED]. After being advised as to the nature of the interview, and identity of the interviewing agents, [REDACTED] stated the following:

UNCLASSIFIED//LES

(U) [REDACTED] was receiving threats over the internet via social media by WILLIAM FEARS and COLTON FEARS. W. FEARS and C. FEARS were threatening to 'dox' [REDACTED] over an incident that happened on June 10, 2017 at a protest over the removal of a Sam Houston statue. (Writer's note: 'doxing' was explained by [REDACTED] as putting a person's personal information out on the internet for malicious intent).

(U) [REDACTED] believes a person who goes by the name of [REDACTED] gave his social media and phone number to W. FEARS and C. FEARS. [REDACTED] had met [REDACTED] at a Veteran's hike before the June 10 event.

(U) On June 10, 2017, [REDACTED] attended a protest at Hermann Park regarding the removal of the Sam Houston statue. The protest was supposed to be initiated by Antifa, with other groups to attend which included Vanguard, Alt-Right, Militia, III%ers and more. He was not associated with any groups that were represented at the protest. [REDACTED] decided to travel down to the protest out of pride for the city, and the statue. [REDACTED] appreciated the history of the statue and did not think it should be removed. Additionally, [REDACTED] didn't want any Confederate flags out there.

(U) [REDACTED] met up with a friend named [REDACTED] at the rally. [REDACTED] is a Military Veteran like himself. Additionally, he met up with a person named [REDACTED] who is the leader for the group called 'This is Texas'. 'This is Texas' is a group of like-minded persons who open carry their guns.

(U) During this particular event, Houston Police Department had told W. FEARS and other Vanguard members to exit the area where [REDACTED] was located and return to the area designated for Vanguard. There was a 'commotion' happening near where he was standing. [REDACTED] walked over to the commotion and saw W. FEARS talking and stirring up trouble. W. FEARS was verbally threatening a Militia person. [REDACTED] couldn't exactly remember what W. FEARS was saying, but could tell the tension was rising over the situation. [REDACTED] tried to de-escalate the situation by putting W. FEARS into a head lock and turning him to his right. HPD told him to release W. FEARS, and [REDACTED] immediately complied. To his knowledge, HPD never filed a report.

(U) At this event, [REDACTED] ran into [REDACTED]. [REDACTED] tried to persuade him to join the Vanguard Organization.

(U) The very next day, [REDACTED] started to receive doxing threats over his phone from C. FEARS and W. FEARS. [REDACTED] had not met W. FEARS or C. FEARS before receiving these doxing threats. Eventually, [REDACTED] had to change his phone number for his cell phone because he was receiving so many threats on-line. Additionally, a person named [REDACTED] would comment on the threats.

(U) [REDACTED] stated he would attempt to download the threats made by W. FEARS and C. FEARS onto a CD to give to the interviewing agents.

(U) [REDACTED] stated he was available for future contact.

(U) A copy of this 302 has been attached to this Guardian.

(U) On Tuesday  
October 16, 2017, [REDACTED] notified handler  
via text that he/she was traveling to Gainesville, FL for the Spencer Rally,  
and was meeting people in Baytown Wednesday night for a ride.

(U) On Wednesday,  
October 17, 2017, [REDACTED] notified handler via text the following:

[REDACTED] was not traveling to Gainesville because ARS is  
dead ([REDACTED] is not part of the Alt-Right).  
Source gave the opinion that [REDACTED] would definitely be at the rally  
because he was working in Florida.  
Source stated he/she was leaving with a total of 4 occupants in the vehicle. [REDACTED] was reportedly already  
there. A person named [REDACTED] asked via social media  
if he/she was traveling to Shelbyville, Tennessee the weekend of October 28,  
2017 for a White Lives Matter rally.

(U) On Thursday,  
October 18, 2017, [REDACTED] reported via conversation over the phone that he/she  
was in Gainesville, FL (early in the morning).

(Early in the afternoon) Source reported he was standing near a police  
officer at the speech because the tension in the room was high. There were many different groups there with  
opposing views creating the tension.

(U) Source stated [REDACTED] did not attend the rally. [REDACTED] was not observed, but is believed to be there.

(U) Additionally,  
Source also reported (at approximately 5:41PM Central Time) that he was at a [REDACTED] 55 ese  
Restaurant. After they ate, they would  
be traveling back to Houston. Source stated  
he was arrested because he was being chased and had to jump a barrier. The police did not file charges.

(U) [REDACTED] provided the following information in confidence:

(U) Source stated on Sunday night (10/15/17) into Monday morning, the Alt-Right will have another 'Flash mob' event at the Mexican Embassy. The mob will meet at midnight. It will be similar to the Antifa event. This time, Alt-Right are using road flares and some smoke bombs, like they have used in the past. The event will last around 5 minutes, and may include a speech. They will probably chant 'Blood and Soil'. [REDACTED] from Vanguard (Patriot Front) will attend. Source was unsure of why the place and time was picked. It was the Source's opinion that [REDACTED] was part of the planning.

(U) A person named Phil (LNU) used to be over Vanguard (Patriot Front) in Texas. Now, [REDACTED] is in charge. He is about 18 years old. Vanguard denounced the events in Charlottesville, which is why the organization changed their name to Patriot Front.

(U) [REDACTED] mentioned an event where everybody would dress up in SS uniforms and ride around in a Humvee. This event included [REDACTED].

(U) The Torch Rally is still supposed to happen on November 3 in Austin.

(U) William Fears is supposed to be in trouble for choking his girlfriend. The judge who is presiding over the case is black. His girlfriend filed charges against him.

CHS REPORTING DOCUMENT**Source Reporting:**

(U) [REDACTED] who provided the following information voluntary, and in confidence, stated the following:

(U) The Alt-Right's plan to disrupt the Antifa book fair was a success and there was no violence. Initially the group rallied at the designated parking lot to condense cars. Those in attendance included: [REDACTED], Chef (possibly [REDACTED]), [REDACTED], William Fears, [REDACTED] ([REDACTED]), [REDACTED] (sp), FNU Wooderson (went to Charlottesville), [REDACTED] ([REDACTED]), Jason (from Vanguard), and [REDACTED] (from the Daily Stormer who's true name is [REDACTED]). A person named Tom was there. He is the leader of Vanguard which is now called New Patriot Front.

(U) [REDACTED] gave all the ground work for the op plan and gave the pre-opt briefing in the parking lot. The Houston Police Department were doing a lot of drive-bys, so the group of Alt-Right decided to move their pre-operation meeting into a nearby parking garage. HPD even sent an officer in a Ford Expedition, or Tahoe, into the initial parking lot to sit in a vehicle and surveil them. Somebody said there were guns in the trucks they took, but Source never saw them. After they rallied in the parking garage, they took a few trucks to the Antifa event. Members sat in the back of the truck.

(U) Once they re-grouped, they left their cars in the parking garage to prevent vandalism.

(U) William Fears and another member held smoke bombs and threw smoke bombs at the building where Antifa were meeting. [REDACTED] was yelling through a microphone. [REDACTED] was observed wearing a black mask over his head. There was no violence. Antifa stayed inside the building.

(U) Afterwards, the group drank, ate and boxed at Memorial Park. [REDACTED] and William Fears' girlfriend were there.

(U) There are no immediate plans to do another operation.

(U) Source was unsure how [REDACTED] got information on the Antifa event.

(U) Source believed people came in from Austin, Dallas, and San Antonio.

(U) Source stated [REDACTED] and [REDACTED] are not on good terms over the Alt-Right, and ARS is splitting up.

(U) The Alt-Right are looking for people who can legally carry firearms, and may 'cutoff' convicted felons in the future. Behind closed doors, the Alt-Right discuss openly raging wars on minorities and the hate for those minorities.

(U) Source could not comment on why the Alt-Right were targeting Antifa, which is a mostly, if not all, white organization.

(U) Colt Fears dropped out of the Alt-Right. He didn't want to deal with the 'stuff' that comes with being in the Alt-Right.

(U) Source voluntarily  
provided the following information in confidence on September 17, 2017:

(U) William Fears  
stated that there might be a 'flash style' mob attack this Saturday (September  
23, 2017) at a known Anarchist hangout/bookclub called Café Express, or Express  
Café (midtown area). The exact time is  
yet to be determined. The Anarchist Book  
Club is part of the Communist Party, which also includes the Red Guard. Each organization is intertwined with each  
other.

(U) This 'flash mob'  
attack is being planned by [REDACTED], aka [REDACTED]. Whether this is a violent attack or, nonviolent  
attack, it will be left up to [REDACTED]. The  
idea of the attack is to overwhelm members of the Anarchist Club in a quick

(U) [REDACTED] is an angry person and follows what [REDACTED] says. [REDACTED] appears to be unstable who holds people at a distance. He doesn't trust people, is paranoid and is egotistical who has a 'god like complex'. Those traits are also used to describe [REDACTED].

(U) [REDACTED] is in Florida working. He is currently supervising water extraction left from the Hurricane. In addition, this company he is working for does re-building work and mold removal. [REDACTED] is more into 'identity politics' as opposed to violence within the WS movement.

(U) On September 18, 2017, Source provided the following information in confidence:

(U) The person who always refers himself to 'Chef' recently reached out via social media and requested Source add him to his friends list. As Source was adding him to his friends list, the name [REDACTED] was associated with the name 'Chef'.

Source Reporting:

(U) CHS reported the following information during the course of August 28, 2017 and September 5, 2017. CHS who is not in a position to testify, whose identity needs to be protected, and has provided accurate and reliable information, provided the following information:

(U) There seems to be some 'in house' fighting within the Alt-Right movement here in Texas. A person who goes by "Chef" and [REDACTED] have been fighting for control over the organization. Each person has a different ideal for the direction of the movement. "Chef" is from Austin. He is 28 years old and was a Military Correspondent while serving. CHS believes he is called "Chef" because he works as a chef at a restaurant in Austin.

(U) CHS was asked to go to a protest on 9/4/17 in downtown Houston. The Communist Party was protesting. William Fears and Colton Fears were planning on attending. Colton Fears may have moved to Houston. William Fears and [REDACTED] did attend the rally, but nobody else from the Alt-Right Movement attended. Once they got to the rally, they didn't observe any members of the Communist Party.

(U) The Alt-Right(2.0) are discussing "Flash Mob" attacks on the Communist Party/Red Guard. The plan is for members to wear masks, gloves, and hats. They will attack members of the Communist Party/Red Guard during one of their meetings. They would attack them for a minute or two and then leave. Supposedly, [REDACTED] has tested this plan. [REDACTED] went into a Communist Party/Red Guard meeting and placed his arm over the leader's shoulders (as if to one arm hug him). It took a few minutes for the leader to realize that [REDACTED] was with NSM or Alt-Right movement.

(U) Antifa is an Alt-Left group. They are a branch of the Red Guard, which is a part of the Communist Party.

(U) The ARS family has shrunk some. They are still active on the Facebook chat room. Ever since the Alt-Right has started calling themselves Alt-Right 2.0, some members of ARS are not accepted because of their appearance and appeal. The Alt-Right appeals to a younger crowd, and a more professional crowd. Some ARS members draw too much attention to themselves because of the style of their tattoos, and appear too 'unkept'.

(U) [REDACTED] and [REDACTED] have had a fallen out, or have parted ways with each other over the Alt-Right movement. [REDACTED] doesn't agree with the Alt-Right's idea of 'White Sharia Law'. Source was unsure of how this would affect the AR, or ARS.

(U) [REDACTED] is having some of his visible tattoos removed. This will help him fit in better with the Alt-Right. Source opined that [REDACTED] may try to get more involved in politics.

(U) The White Lives Matter Rally on 9/11/19 appears to be cancelled.

(U) Source believed [REDACTED] has returned to New York.

(U//FOUO) S-00078349 a cooperative Confidential Human Source (CHS) with excellent access, who has spoken in confidence, much of whose information has been corroborated, provided the following information on 08/18/2017:

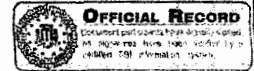

(U//FOUO) CHS stated he/she has received multiple threats over his/her Facebook Messenger account and his/her email account since returning from Charlottesville, Virginia on 08/15/2017. These threats are from all over the world. In addition, CHS stated that members of his/her extended family are also receiving threats.

(U//FOUO) CHS said he/she is uncomfortable in the house where CHS currently resides. CHS stated neighbors now know CHS has white supremacist views, where they did not previously know this. CHS explained that he/she was on a neighborhood watch list of some sort.

CHS said not only was his/her current residence listed but his previous address where his/her parents reside was also listed. CHS stated that because of the threats, he/she wants to move away from Houston, and wants to go on a hiatus.

(U//FOUO) CHS stated the mobs in Charlottesville were out for violence. CHS stated the Virginia State police provoked the Black Lives Matter (BLM) group and the ANTIFA group by shooting teargas into their crowds. Then the police moved the Alt-Right people into the agitated ANTIFA and BLM crowd, and then the police left the area. CHS believed this action by the police caused all the violence. CHS stated all was done to get out of that place alive.

(U//FOUO) CHS stated he/she was splashed with hydrochloric acid at the event in Virginia. CHS was wearing the same t-shirt that he/she wore at the Virginia event and showed holes on his right shoulder area and back. CHS explained that the holes in the t-shirt were caused by the acid.

(U//FOUO) CHS was warned by likeminded people to watch out and be very careful. He/she stated that the word from Alt-Right leadership is to be violent at any and all opportunities. CHS gave an example by stating if you are grocery shopping and someone calls you a Nazi, drop what you are doing and punch them. CHS stated that the Alt-Right group has proclaimed war with ANTIFA.

(U//FOUO) CHS stated the event scheduled for College Station on 09/11/2017 is still on. It will be some sort of march this time. CHS stated there will be violence at this event for certain. CHS does not know if [REDACTED] will be in College Station on 09/11/2017. He/she believes people will come from all over the United States to College Station but thinks the crowd will mostly be people from Texas. CHS was not familiar with anyone named [REDACTED]

(U//FOUO) CHS stated from now on there is no such thing as a quiet or peaceful protest. He/she said to expect violence at every protest. CHS learned of this from Facebook Messenger account and from other internet connections.

(U//FOUO) CHS stated there will be a flash mob in Dallas at a "March against Racism" event scheduled for 08/21/2017. CHS stated the event was actually initiated by a group called "Children of the Black Sun" as a ruse to get the ANTIFA people to show up. When the ANTIFA people show up to the event, the Alt-Right and Nazis are planning to start the violence.

(U//FOUO) CHS was visibly shaken. CHS provided his/her RCA Tablet which has all the pictures and videos of the event in Charlottesville, Virginia. CHS stated again that he/she did not want to continue with tasking, and wants to leave the area.

Source Reporting:

(U) [REDACTED] provided the following information:

(U) [REDACTED] and [REDACTED] continue to not agree on the involvement of the Alt-Right movement within ARS. Source gave the opinion that it was causing a 'riff' within ARS and was unsure of how it was affecting the Aryan Reich. The Alt-Right are essentially promoting the idea of "White Sharia Law". The Alt-Right believe too many white women are not reproducing white babies. Because of this, they discuss and advocate the systematic rape of women and believe in it. This topic gets attention because of members like William Fears who kidnapped his girlfriend in college and held her at knife point. This is the area where [REDACTED] and [REDACTED] are disagreeing.

(U) [REDACTED] is currently in Texas.

(U) Source stated that the Alt-Right were referring themselves as the 'Alt-Right 2.0'. They believe the groups that associate with the words Aryan Skin Head, or Neo Nazi groups (ie Aryan Nations, Aryan Strike Force) are outdated and not effective in delivering the message. They believe the groups that following [REDACTED] 88 Precepts are more of the '1.0'.

(U) The bus leaving for the rally is organizing at [REDACTED] house. [REDACTED] lives at [REDACTED], Houston, Texas.

(U) A person named 'chef' is from Austin and organizing this trip to the rally. 'Chef' is from Austin and might be an actual chef. NFI.

(U) Source provided a screen shot of persons attending the rally. The list of people have been attached to this document.

(U) Individuals or groups named in this source report have been identified as participating in activities that are protected by the First Amendment to the U.S. Constitution. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on known intelligence and/or specific, historical observations, it is possible the protected activity could invite a violent reaction towards the subject individuals or groups, or the activity could be used as a means to target law enforcement. In the event no violent reaction occurs and there is no other authorized investigative purpose that would justify further consideration or use of the information, FBI policy and federal law dictates that no further record be made of the protected activity.

DETAILS

The Confidential Human Source Policy Implementation Guide (CHSPG) states that at opening (before first operational tasking) and thereafter at least annually or more often if circumstances warrant, at least one FBI Agent and a witness who is either another FBI Agent or another government official must provide the CHS with all applicable instructions. (These guidelines shall be administered at opening, prior to the first operational use and no later than 90 days after the date of opening.)

The CHS was opened on 08/16/2016 and the instructions were provided to the CHS on 08/04/2017. The captioned CHS was provided with the instructions set forth below:

ADMONISHMENTS

1. The CHS's assistance and the information provided to the FBI are entirely voluntary.
2. The CHS must provide truthful information to the FBI.
3. The CHS must abide by the instructions of the FBI and must not take or seek to take any independent actions on behalf of the US Government.
4. The US Government will strive to protect the CHS's identity but cannot guarantee it will not be divulged.

ADDITIONAL ADMONISHMENTS

If applicable to the particular circumstances of the CHS, or as they become applicable, the following admonishments must be completed. They need not be given if they have no relevance to the CHS's situation. (For example, the immunity instruction need not be given unless there is an issue of apparent criminal liability or penalties relating to the CHS. The Attorney General's Guidelines emphasize, however, that whether or not these instructions are given, the FBI has no authority to confer immunity and that agents must avoid giving any person the erroneous impression that they have any such authority.) Indicate whether the following instructions were given:

1. The FBI on its own cannot promise or agree to any immunity from prosecution or other consideration by an FPO, a state or local prosecutor, or a court in exchange for the CHS's cooperation because the decision to confer any such benefit lies within the exclusive discretion of the prosecutor or court. However, the FBI will consider (but not necessarily act upon) advising the appropriate prosecutor of the nature and extent of the CHS's assistance to the FBI. (This instruction should be given if there is any apparent issue of criminal liability or penalty.) Yes
2. The CHS is not authorized to engage in any criminal activity and has no immunity from prosecution for any unauthorized criminal activity. (This instruction is not necessary for CHSs who have such authorization. This instruction should be repeated if the CHS is suspected of committing unauthorized illegal activity.) Yes
3. The CHS is not an employee of the US Government and may not represent himself/herself as such. (This instruction should be given to all CHSs except under those circumstances where the CHS previously has been or continues to be otherwise employed by the US Government.) No
4. The CHS may not enter into any contract or incur any obligation on behalf of the US Government, except as specifically instructed or approved by the FBI. (This instruction should be given to all CHSs except to those CHSs who are otherwise authorized to enter into a contract or incur an obligation on the behalf of the US.) No

5. No promises or commitments can be made, except by the Department of Homeland Security, regarding the alien status of any person or the right of any person to enter or remain in the US. (This instruction should be provided if there is any apparent issue of immigration status that relates to the CHS.) No
6. The FBI cannot guarantee any rewards, payments, or other compensation to the CHS. Yes
7. Each time a CHS subject to the AGGs receives any awards, payments, or other compensation from the FBI, the CHS shall be advised at the time of the payment that he/she is liable for any taxes that may be owed on that compensation. Yes
8. Whenever it becomes apparent that the CHS may have to testify in a court or other proceeding, the CHS must be advised of that possibility (CHSPM, §9.1). Yes

## Additional Instructions Based on Employment or Position

1. If a CHS is in a position to obtain information from a subject who is facing pending criminal charges for whom his/her Sixth Amendment right to counsel has attached, the CHS must be advised not to solicit such information from the subject regarding the pending charges. No
2. For CHSs in a position to obtain information from a subject who is represented by counsel or planning a legal defense, the CHS must be advised not to interfere with an attorney/client relationship. No
3. If the CHS is an employee of a financial institution, the CHS must be advised that he/she remains subject to the provisions of the Right to Financial Privacy Act and that the FBI will not knowingly accept information which violates the provisions of the Act (CHSPM, § 4.2.2). No
4. If the CHS is an employee of an educational institution, the CHS must be advised that he/she remains subject to the provisions of the Family Educational Rights and Privacy Act of 1974 (20 USC Sec. 1232g) known as the Buckley Amendment. No
5. If the CHS is a union official of any rank charged with the duties and obligations under the Employee Retirement and Income Security Act (ERISA) of 1974 (29 USC) (i.e., having responsibilities related to retirement, benefits, or other income benefits of union members) he/she must be advised that he/she remains subject to reporting provisions of the ERISA. The CHS must not operate in a manner which adversely affects the operation of union affiliated pension, welfare, and benefit plans. No

The content and meaning of the mandatory instructions and relevant additional instructions were conveyed to the CHS by the FBI Agent whose electronic signature appears below and were witnessed by the government official named below. The CHS acknowledged his/her receipt and understanding of these instructions.

(U) [REDACTED] confirmed Alt-Right Texas was at the rally at Sam Houston Rally. A member named William Fears (NFI) was placed in a choke-hold by a member of the Militia. William Fears intends to press charges. He seems to be receiving harassment over the internet for pressing charges.

(U) There is an Alt-Right/ARS event on June 17, 2017 in Austin, Texas.

(U) There was a conversation within the Alt-Right Texas group claiming that ANTIFA was responsible for robbing a gun store and stealing some rifles. \_\_\_\_\_ at the rally in Gainesville, Florida. \_\_\_\_\_ asked \_\_\_\_\_ if he wanted to take a road trip and \_\_\_\_\_ agreed to go. He wanted to get out of Houston and enjoys traveling. \_\_\_\_\_ stated he didn't know anything about the speaker, or the speech that would take place. \_\_\_\_\_ stated he trusted \_\_\_\_\_. \_\_\_\_\_ was going to work on \_\_\_\_\_ security detail. \_\_\_\_\_ left Houston on Tuesday night and provided \_\_\_\_\_ with no details on who he would be traveling with, nor did \_\_\_\_\_ ask.

(U) \_\_\_\_\_ was instructed to ride with WILLIAM FEARS, COLTON FEARS and TYLER TENBRINK. They all met at the FEARS brother's apartment. \_\_\_\_\_ and C. FEARS ran to Walmart before they left for Florida. \_\_\_\_\_ had only met W. FEARS a few times before they left for Florida. \_\_\_\_\_ first met W. FEARS at a bar called Neil's Bahr in Midtown Houston. The four of them, and \_\_\_\_\_ had been communicating on a private Facebook chat called 'Florida Goys Hurricane Spencer' to coordinate ride sharing and intelligence.

(U) Everybody piled into W. FEARS' Jeep Patriot and left Houston at around 5pm Wednesday night. The topic of conversation on the drive ranged from the three complaining about getting threats of 'doxing', to the Alt-Right trying to change their current image. Each person was on their mobile phone which is typical for their generation. They took turns sleeping. \_\_\_\_\_ stated there was no talk of illegal activity, or plotting illegal activity on the trip to Florida. \_\_\_\_\_ stated he brought his Glock 19, and placed it into his backpack for the trip, after thoroughly looking into the gun laws for Florida. C. FEARS brought a Sig Sauer. \_\_\_\_\_ stated C. FEARS does not have a permit to carry a gun.

(U) They arrived in Gainesville early Thursday morning. They parked near a Chick-Fil-A and ate some breakfast. After they ate, they walked to where the \_\_\_\_\_ lecture would take place. \_\_\_\_\_ left his gun in his backpack, and placed it in the back trunk of the Jeep.

(U) Upon arriving at the lecture, they were approached by reporters. The other 3 spoke with reporters. As this happened, \_\_\_\_\_ stated he just started to realize the controversy surrounding \_\_\_\_\_. By-standers at the rally were shouting "Nazi".

(U) \_\_\_\_\_ arrived at the lecture to speak around 1pm with 5-10 people as his security detail. The security detail was giving out tickets to get into the lecture. The majority of the people associated with the Houston group choose to sit in the first two rows. They were all wearing a white polo shirt with khaki pants. \_\_\_\_\_ and C. FEARS sat in the rear middle right the entire time. \_\_\_\_\_ choose to wear a suit.

Continuation of FD-302 of (U) [REDACTED], On 10/31/2017, Page 3 of 6

(U) [REDACTED] stated it was hard to hear the speech because everybody was yelling so much. Eventually, somebody called a bomb threat into the lecture, and the lecture was discontinued.

(U) After the lecture was discontinued, he was exiting the hall with C. FEARS, but found T. TINBRINK. As they were heading to an exit, a fight broke out. The Police were forming barricades as the crowd was spitting on T. TINBRINK and talking trash. T. TINBRINK jumped a police barricade and was detained. An unidentified black male 'kneed' [REDACTED]. [REDACTED] grabbed that person's cell phone and threw it because the black male was shoving it into this face. The police detained [REDACTED] and he was later let go.

(U) After the police released [REDACTED], he spoke with a few student protesters. They all debated the issues currently consuming the day. (Writer's note, [REDACTED] stated they were Communists and supported Communism in the United States). [REDACTED] had been given a script to follow by [REDACTED] when speaking with Antifa people. This script was for the purpose of telling if somebody was part of Antifa. [REDACTED] walked back to an apartment complex with a person from this party. [REDACTED] didn't want to walk alone. Since [REDACTED] was separated from the group, he called [REDACTED]. [REDACTED] stated the other 3 were together, but detained by the police and were in the process of getting released. [REDACTED] picked [REDACTED] up in a white van that included 5 other people. [REDACTED] had no information on the occupants of the van. They drove in the van for about an hour and meet up with other people at a Japanese Steak House.

(U) At the Japanese Steak House, W. FEARS, C. FEARS, and T. TINBRINK were speaking about the encounter at the bus stop to the people who were sitting next to them at the table. There were around 15-20 people eating. [REDACTED] recounted the story of the events from listening to W. FEARS describing what took place at the bus stop. W. FEARS had told him that they were driving around when they saw some Antifa people at the bus stop. An Antifa person tried to smash the rear of their vehicle with a baton. W. FEARS then proceeded to 'charge' the person until he heard a gunshot. C. FEARS and T. TINBRINK then stated 'we need to go'. [REDACTED] overhead T. TINBRINK state he shot the gun.

(U) [REDACTED] gave the opinion that C. FEARS's Sig Sauer was used to fire the shot because his Glock 19 was supposedly in his bag and in the trunk. In addition, once he retrieved his Glock 19, he accounted for all the ammunition. [REDACTED] also gave the opinion as to why the three even stopped at the bus stop citing W. FEARS short temper and W. FEARS's inability to restrain himself. [REDACTED] stated many people in their group seemed mad at the three for the events at the bus stop.

Continuation of FD-302 of (U) [REDACTED], On 10/31/2017, Page 4 of 6

(U) After they ate, [REDACTED] suggested [REDACTED] travel back to Houston with W. FEARS, C. FEARS and T. TINBRINK. [REDACTED] made the statement that everybody was pissed off over the events. Everybody else was going to stay the night.

(U) After piling into W. FEARS's Jeep, [REDACTED] was asked to drive. After driving 10-15 minutes, the low fuel indicator light came on. [REDACTED] pulled into a gas station to fill the Jeep up with gas. At this point, he opened the trunk to retrieve his Glock 19 and counted the brass. All brass and ammunition was accounted for. After 20-30 minutes of being on the road again, they were pulled over by a county sheriff's deputy and everyone in the vehicle was arrested. Each person was placed in a separate car and driven back to Gainesville.

(U) Recalling the placement of his gun and C. FEARS' gun, [REDACTED] stated after leaving Chick-Fil-A for the lecture, [REDACTED] placed his gun in his bag and secured it in the truck of W. FEARS's Jeep. [REDACTED] recalls C. FEARS left his gun in T. TENBRINK's bag, which was also secured in the trunk, or [REDACTED] bag. At some point when the incident had occurred, a person would have had to have retrieved C. FEARS's gun from the truck because it was used in the incident. When the police arrested everyone, the police found C. FEARS's gun in [REDACTED] bag. Both guns were confiscated by the police.

(U) [REDACTED] wasn't sure why the police pulled and detained everyone. [REDACTED] gave a statement to the police for the events he was part of, and the conversations he overheard at the Japanese Steak House from W. FEARS. After being detained and giving his statements, [REDACTED] was released. He voluntarily returned to the Gainesville Police Station and was placed in an interrogation room to wait. Eventually, he requested his cell phone back to make arrangements for transportation. [REDACTED] contacted [REDACTED] and updated him on the current situation.

(U) [REDACTED] met [REDACTED] and a person named 'Z' at a Circle K gas station. They arrived in 'Z's' black BMW. After picking up [REDACTED], they drove to a ranch style house where [REDACTED] was staying with his security detail. There was a party going on there. [REDACTED] proceeded to sleep in the BMW as [REDACTED] served as a 'look out'. [REDACTED] stated he never inquired about the occupancy of the house, who was in the house, or who owned the house. [REDACTED] provided had no knowledge on the location of the ranch style house.

(U) [REDACTED] woke up a few hours later. He, [REDACTED], 'Z' and 2 others drove back to Houston in the BMW. On the drive back, there was a discussion on the events in Gainesville. In [REDACTED] opinion, the people in the car thought T. TINBRINK was a 'hot head' and they didn't really

want him in the group. He was bad for the group. W. FEARS was too focused on social media attention, and C. FEARS just got caught up in bad things.

(U) [REDACTED] stated [REDACTED] did not travel with a gun, neither did 'Z'.

(U) [REDACTED] works at [REDACTED] as a driver of an armor car. [REDACTED] has worked at [REDACTED]. [REDACTED] owns the following firearms: (1) CZ duty gun which is a 9mm hand gun; (1) AK47 Rifle that is 55. [REDACTED] made; (1) 12 Gauge Shotgun for hunting; (1) Tactical 9 (known as the gun used in Columbine). [REDACTED] stated [REDACTED] doesn't sell or keep any guns for anyone.

(U) [REDACTED] stated that [REDACTED] likes to mention that his great, great grandfather was in the German SS. Although [REDACTED] and [REDACTED] don't discuss ideology in great detail, all the Nazi ideology doesn't bother him. [REDACTED] has a girlfriend named Emily (LNU) that lives in Spring, Texas.

(U) On November 8, 2017, [REDACTED] is going to military court for what is basically an accusation of social media misconduct. [REDACTED] posted one picture of himself in a Nazi hat and somebody took offense. [REDACTED] gave the opinion that somebody was trying to get revenge on [REDACTED] for some harassment charges filed by [REDACTED]. In [REDACTED] opinion, somebody is trying to bolster their military career over these charges on [REDACTED]. In [REDACTED] opinion, [REDACTED] is a great guy and a good Marine and is being retaliated against. [REDACTED] gave the opinion that [REDACTED] should be able to serve in the military regardless of any White Supremacist Ideology as long as he is not wearing his military uniform. [REDACTED] agreed the same thought process should apply to him.

(U) On occasion, [REDACTED] has gone out with [REDACTED] and his friends to bars. He doesn't typically go because he doesn't have any interest in 'these type of people'. [REDACTED] couldn't recall many names of people he had met at these meets, but recalled meeting W. FEARS, 'Z' and a guy named [REDACTED]. [REDACTED] was a former U.S. Army soldier, he was quiet and didn't carry a gun. [REDACTED] works at some kind of machine shop but had no additional information.

(U) [REDACTED] owns the following firearms: (3) AK 47's, one he made; (1) Arsenal 106 CR; (1) Russian made Viper; (1) Glock 19; (1) AR15 Short Barrel Rifle.

Continuation of FD-302 of (U) [REDACTED], On 10/31/2017, Page 6 of 6

(U) [REDACTED] stated he won his current vehicle in a lottery style event from Iron Planet Auction. There was an issue with the title, so he doesn't have any plates, or temporary plates for the vehicle. He has always wanted a military Hummer type vehicle, and that is why he purchased it.

(U) [REDACTED] has heard of the Alt-Right before, but not Vanguard. [REDACTED] stated white people shouldn't feel guilty just because they are white.

(U) [REDACTED] stated he was not aware of any illegal activity that the Alt-Right or [REDACTED] is involved in. [REDACTED] does not participate in the Alt-Right. [REDACTED] stated he wouldn't hesitate to report illegal activity.

(U) On Twitter and Facebook, [REDACTED] goes by the name [REDACTED]. He doesn't participate in Alt-Right Facebook group chats. [REDACTED] goes by the name [REDACTED] on social media.

(U) [REDACTED] stated he has not looked into [REDACTED] ideology because he has better things to do, like play video games and learn Polish.

(U) [REDACTED] stated he has a former Marine friend named [REDACTED] who he might move in with at some point.

(U) [REDACTED] stated he doesn't think there is a problem with Nazi groups in or around the city of Houston.

(U) [REDACTED] stated he has notified his Command of this incident that occurred in Gainesville, Florida, and his Command is not concerned regarding his association to the incident. Currently, his immediate supervisor is [REDACTED] in the Reserve. A person named [REDACTED] is in charge of the 123<sup>rd</sup>, but there is an upcoming change in Command and [REDACTED] is departing.

(U) [REDACTED] stated he has answered all questions to the best of his ability. [REDACTED] also stated the human mind can be easily corrupted, but has given truthful answers as he can recall today.

(U) [REDACTED] is available for re-contact if needed, and agreed to keep this interview between interviewing Agents and himself.

Good afternoon,

It appears that APD assisted ASO and GPD with a traffic stop on 10/19/17. The stop took place in the area of Williston Road and I-75 at approximately 11:23 pm. The vehicle was a Silver Jeep with Texas plates. Occupants of the vehicle were Colton Fears, William Fears and Tyler TenBrink. I do have any other information concerning APD's involvement. Could you check into this and see if you can find any reports or in car video that you may have concerning this traffic stop?

Thank you!

YA knows based on training and experience that it is common for evidence to be found on electronic devices and that those same electronic devices can be used to communicate in many different ways.

On October 19<sup>th</sup> 2017 at approximately 1720 hours, VIC (55. ) was sitting at the bus stop located at 3315 SW Archer Road immediately following the Richard Spencer speaking event which occurred nearby on the University of Florida campus. This event was similar to the event in Charlottesville, VA which sparked violence causing many to be injured and one death. This Gainesville, Florida event had a heavy presence of law enforcement due to the expected attendance of the "far right" (white supremacists, fascists, Nazi sympathizers) and "far left" (Antifa, Occupy movement, and similar anti-capitalist groups) which were responsible for the violence in many cities to include Charlottesville, VA.

A vehicle containing all three defendants pulled up to victim's location and the front seat passenger (W. Fears) began yelling "Hail Hitler" and other disturbing chants at the victims. The victims were with a group of "far left" sympathizers which were carrying Anti-Nazi signs. An argument ensued and VIC (55. ) used a baton to hit the rear window of defendant's vehicle. The VIC (55. ) said the vehicle pulled away approximately 10 feet and then quickly stopped. DEF (Tenbrink) emerged from the vehicle and produced a handgun. DEF (C. Fears/driver) and DEF (W. Fears/front passenger) were yelling at both victims, "I'm going to fucking kill you". DEF (C. Fears) and DEF (W. Fears) were also yelling, "kill them" and "shoot them" at DEF (Tenbrink). DEF (Tenbrink) fired a single shot at VICs (55. & 55. ). The round traveled between the two victims missing them and striking the business (Radio Shack) directly behind the victims. The defendants jumped back in the vehicle and fled eastbound on SW Archer Road. VIC (55. ) called the police and was able to provide the vehicle tag (TX 23. ) and description of the occupants.

An attempt to locate bulletin was immediately distributed to area agencies. The Alachua County Sheriff's Office (ACSO) located the suspect vehicle traveling north on I-75 about 20 miles north of Gainesville, Florida. A traffic stop was conducted on the vehicle and four adult male occupants were inside. ACSO Deputy observed a firearm in the vehicle and all four occupants were placed into handcuffs for officer safety.

VICs (55. & 55. ) were transported to the location of the suspect vehicle traffic stop and they positively identified DEF (Tenbrink), Def (C. Fears) and Def (W. Fears) as the subjects responsible for the shooting incident back at the bus stop on Archer Road in Gainesville, Florida. VIC (55. ) stated that DEF (Tenbrink) was the person who fired the shot. VIC (55. ) also stated that Def (W. Fears) to be the subject who emerged from the passenger side window yelling at them. It was determined that the fourth occupant (Maverick Mears) of the stopped vehicle was not in the vehicle at the time of the original shooting incident. Mears agreed to return back to GPD CID for questioning. Post Miranda, DEF (Tenbrink) admitted that he was in the suspect vehicle at the time of the incident and that he was the shooter. DEFs (Tenbrink, C. Fears & W. Fears) were transported back to GPD CID by ACSO for further questioning.

Prior to the vehicle being towed, an inventory of the vehicle was conducted. During that inventory the following items were located; two handguns, gloves with heavy knuckle, smoke grenades, and two-way radios.

During Post Miranda interviews, DEF (W. Fears) indicated that they travelled from Texas to Florida just to attend this event and support Richard Spencer. DEF (W. Fears) also explained that he communicates with other supporters via social media group texts and online forums. DEF (C. Fears) also indicated that he and the others who were traveling together communicated via a Facebook chat while in Gainesville.

Based on these details, YA has reason to believe the defendants may have communicated via electronic device (and/or Facebook) to coordinate and travel to and around Gainesville, Florida with the intent to cause harm to individuals attending a public demonstration.

A preservation letter was sent to Facebook, Inc. requesting the company maintain the requested information on their server until a search warrant was obtained. The account number associated with the preservation request is 1300001.

YA believes that obtaining the name, address, e-mail address, date of account creation, IP address at account sign-up, logs showing IP address and date stamps for account accesses, the contents of private messages in the user's inbox, sent mail and trash folders, current and deleted Facebook, Inc. statuses, stored user files including photos and videos, and current and deleted blog content, and check in statuses depicting the users location from September 19<sup>TH</sup> 2017 through November 3<sup>RD</sup> 2017, including posted comments, captions and date/time of uploads, may provide items of evidentiary value to the current criminal investigation.

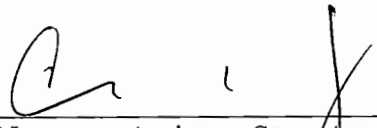

BASED ON THE FOREGOING, YA has reason to believe and does believe that the account in question has contained in the past, and does contain now, certain instrumentalities and contraband which constitutes a violation of the laws of the State of Florida, or certain evidence which constitutes proof of a violation of the laws of the State of Florida, and based upon the foregoing, requests issuance of a search warrant for the above-described business to allow seizure of the above-described items.

WHEREFORE, Your Affiant prays that a search warrant be issued according to law commanding YA, and/or the Sheriff and/or Deputy Sheriffs and Officers with the Gainesville- Alachua County Drug Task Force, Florida, or any of their duly constituted Agents,

with proper and necessary assistance, including forensic computer analyst experts, to search the above-described business for the above-described items, and for the seizure and safekeeping thereof, either in the daytime or in the night-time, or on Sunday, as the exigencies of the occasion may demand, in order that the evidence may be procured to be used in the prosecution of such person or persons unlawfully possessing or using the same in violation of the laws of the State of Florida.

Before me, the undersigned Judge, State of Florida, came this sworn application and affidavit by DETECTIVE JUAN DeCASTRO, a law enforcement officer employed by the GAINESVILLE POLICE DEPARTMENT, who was first duly Sworn, deposes and says that HE has reason to believe the laws of the State of Florida have been violated and are now being violated, and there is now being kept in or on the below described computer server accessed from GAINESVILLE, ALACHUA County, Florida, and located at

Facebook, Inc., 1601 Willow Road, Menlo Park, CA 94025:

Said Facebook, Inc. page is being accessed from ALACHUA County, Florida and is under the control of and/or owned by Maverick Mears and/or Facebook, Inc. Your Affiant has probable cause to believe that the following described information is located on the Facebook, Inc. main computer server housed at 1601 Willow Road, Menlo Park, CA 94025:

Records concerning the identity of Facebook ID number

Florida Statute 782.04 & 777.04 – ATTEMPTED MURDER

Florida Statute 790.23 – POSSESSION OF A FIREARM BY A CONVICTED FELON

THE BASIS for Your Affiant's belief is:

Your Affiant, DETECTIVE JUAN DeCASTRO (hereinafter referred to as YA), is a duly sworn law enforcement officer employed by the GAINESVILLE POLICE DEPARTMENT and has been since December 2007. YA successfully completed Basic Law Enforcement Training at Santa Fe Community College Institute of Public Safety in Gainesville, Florida, Alachua County, Florida. YA served as a patrol field training officer until transferred to the Criminal Investigations Division in July of 2012. YA is currently assigned to the Criminal Investigation Division of the Gainesville Police Department. YA is experienced in the investigation of batteries, burglaries, frauds, robberies, homicides, thefts, sexual batteries and other violations of law related to FSS 322, 713, 782, 784, 794, 800, 810, 812, 817, 827, 831, 847, 934. YA attended Crisis Intervention Training (CIT 2009), a covert training school (2010), and forensic computer training (BDRA 2013 and IDRA 2014). In May 2013 (& 2014) YA attended a technology conference focusing on mobile forensic products used to retrieve data from electronic devices. YA participated in a special Internet Crimes Against Children investigation course (36hrs) in October 2014 designed to educate the LEO on techniques used to gather evidence from the internet and other electronic media. In February 2015, YA attended training and became certified as an official XRY forensic examiner for mobile devices. YA attended an IACIS two week Basic Computer Forensic Examiner course held in Orlando, Florida on May 4<sup>th</sup> through the 15<sup>th</sup> of 2015. YA also participated in Trauma Informed Sexual Assault Investigations Training in Osceola County Sheriff's Office in October 2015. YA knows based on training and experience that it is common for evidence to be found on electronic devices and that those same electronic devices can be used to communicate in many different ways.

On October 19<sup>th</sup> 2017 at approximately 1720 hours, VIC (55. ) was sitting at the bus stop located at 3315 SW Archer Road immediately following the Richard Spencer speaking event which occurred nearby on the University of Florida campus. This event was similar to the event in Charlottesville, VA which sparked violence causing many to be injured and one death. This Gainesville, Florida event had a heavy presence of law enforcement due to the expected attendance of the "far right" (white supremacists, fascists, Nazi sympathizers) and "far left" (Antifa, Occupy movement, and similar anti-capitalist groups) which were responsible for the violence in many cities to include Charlottesville, VA.

A vehicle containing all three defendants pulled up to victim's location and the front seat passenger (W. Fears) began yelling "Hail Hitler" and other disturbing chants at the victims. The victims were with a group of "far left" sympathizers which were carrying Anti-Nazi signs. An argument ensued and VIC (55. ) used a baton to hit the rear window of defendant's vehicle. The VIC (55. ) said the vehicle pulled away approximately 10 feet and then quickly stopped. DEF (Tenbrink) emerged from the vehicle and produced a handgun. DEF (C. Fears/driver) and DEF (W. Fears/front passenger) were yelling at both victims, "I'm going to fucking kill you". DEF (C. Fears) and DEF (W. Fears) were also yelling, "kill them" and "shoot them" at DEF (Tenbrink). DEF (Tenbrink) fired a single shot at VICs (55. & 55. ). The round traveled

between the two victims missing them and striking the business (Radio Shack) directly behind the victims. The defendants jumped back in the vehicle and fled eastbound on SW Archer Road. VIC (55.) called the police and was able to provide the vehicle tag (TX [REDACTED]) and description of the occupants.

An attempt to locate bulletin was immediately distributed to area agencies. The Alachua County Sheriff's Office (ACSO) located the suspect vehicle traveling north on I-75 about 20 miles north of Gainesville, Florida. A traffic stop was conducted on the vehicle and four adult male occupants were inside. ACSO Deputy observed a firearm in the vehicle and all four occupants were placed into handcuffs for officer safety.

VICs (55. & 55. [REDACTED]) were transported to the location of the suspect vehicle traffic stop and they positively identified DEF (Tenbrink), Def (C. Fears) and Def (W. Fears) as the subjects responsible for the shooting incident back at the bus stop on Archer Road in Gainesville, Florida. VIC (55.) stated that DEF (Tenbrink) was the person who fired the shot. VIC (55.) also stated that Def (W. Fears) to be the subject who emerged from the passenger side window yelling at them. It was determined that the fourth occupant (Maverick Mears) of the stopped vehicle was not in the vehicle at the time of the original shooting incident. Mears agreed to return back to GPD CID for questioning. Post Miranda, DEF (Tenbrink) admitted that he was in the suspect vehicle at the time of the incident and that he was the shooter. DEFs (Tenbrink, C. Fears & W. Fears) were transported back to GPD CID by ACSO for further questioning.

Prior to the vehicle being towed, an inventory of the vehicle was conducted. During that inventory the following items were located; two handguns, gloves with heavy knuckle, smoke grenades, and two-way radios.

During Post Miranda interviews, DEF (W. Fears) indicated that they travelled from Texas to Florida just to attend this event and support Richard Spencer. DEF (W. Fears) also explained that he communicates with other supporters via social media group texts and online forums. DEF (C. Fears) also indicated that he and the others who were traveling together communicated via a Facebook chat while in Gainesville.

Based on these details, YA has reason to believe the defendants may have communicated via electronic device (and/or Facebook) to coordinate and travel to and around Gainesville, Florida with the intent to cause harm to individuals attending a public demonstration.

A preservation letter was sent to Facebook, Inc. requesting the company maintain the requested information on their server until a search warrant was obtained. The account number associated with the preservation request is 1300001.

YA believes that obtaining the name, address, e-mail address, date of account creation, IP address at account sign-up, logs showing IP address and date stamps for account accesses, the contents of private messages in the user's inbox, sent mail and trash folders, current and deleted Facebook, Inc. statuses, stored user files including photos and videos, and current and deleted blog content, and check in statuses depicting the users location from September 19<sup>TH</sup> 2017 through November 3<sup>RD</sup> 2017, including posted comments, captions and date/time of uploads, may provide items of evidentiary value to the current criminal investigation.

BASED ON THE FOREGOING, YA has reason to believe and does believe that the account in question has contained in the past, and does contain now, certain instrumentalities and contraband which constitutes a violation of the laws of the State of Florida, or certain evidence which constitutes proof of a violation of the laws of the State of Florida, and based upon the

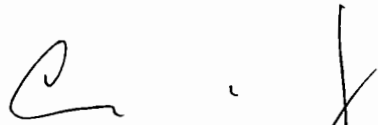

foregoing, requests issuance of a search warrant for the above-described business to allow seizure of the above-described items.

WHEREFORE, Your Affiant prays that a search warrant be issued according to law commanding YA, and/or the Sheriff and/or Deputy Sheriffs and Officers with the Gainesville- Alachua County Drug Task Force, Florida, or any of their duly constituted Agents, with proper and necessary assistance, including forensic computer analyst experts, to search the above-described business for the above-described items, and for the seizure and safekeeping thereof, either in the daytime or in the night-time, or on Sunday, as the exigencies of the occasion may demand, in order that the evidence may be procured to be used in the prosecution of such person or persons unlawfully possessing or using the same in violation of the laws of the State of Florida.

DETECTIVE JUAN DeCASTRO, Affiant  
GAINESVILLE POLICE DEPARTMENT

SWORN TO AND SUBSCRIBED before me this 7<sup>th</sup> day of November, 2017.

Notary or Assistant State Attorney

The above Application for Search Warrant coming on to be heard and having examined the application made under oath and the above sworn affidavit set forth and other facts and thereupon being satisfied that there is probable cause to believe that the grounds set forth in said Application and the facts do exist and that the law is being violated, I so find, and a search warrant is hereby allowed and issued.

## FEDERAL BUREAU OF INVESTIGATION

Date of entry 02/02/2018

(U) On January 8, 2018, Reagan Watson, Date of Birth 7/14/95, cellular phone number 713-557-6664, was interviewed at her residence of 5619 South Denham Ridge Lane, Spring, Texas by SA John Bray, HPD/TFO Richard Perkins, and HCSO/TFO Courtney McLaughlin. Also present were her parents, Don Watson and Jacinda Watson. After being advised as to the nature of the interview, and identity of the interviewing agents, Reagan Watson stated the following:

(U) R. WATSON met a guy named 'Z' in a Facebook group named 'Alt-Right the Core;I' or 'Alt-Right the Core II' before her and WILLIAM FEARS starting dating. They connected because they both lived in Houston. R. WATSON went to a bar with 'Z' and that is where she met W. FEARS. 'Z' had known W. FEARS. R. WATSON and W. FEARS dated for around 3 months over the summer.

(U) R. WATSON was assaulted by W. FEARS on October 7, 2017. On that night, she informed the responding officer that W. FEARS owned guns. W. FEARS had an AR-15 Rifle and a Sig Souer. COLTON FEARS purchased the guns and gave them to W. FEARS. W. FEARS carried the Sig Souer often, even though he was a convicted felon. R. WATSON believed the gun to be a 9mm and light grey in color. The AR-15 was kept loaded in his room. R. WATSON never saw W. FEARS use smoke bombs/grenades.

(U) On the night she got assaulted, W. FEARS took her phone after she offered it to him in an attempt to get him to leave. R. WATSON then purchased a temporary phone, and later purchased a permanent phone.

(U) W. FEARS has not tried to contact her since the incident on October 7, 2017. A family friend named Dale LNU was contacted by W. FEARS, or vice versa, and Dale told W. FEARS not to contact R. WATSON. R. WATSON left her passport at W. FEARS house. C. FEARS did contact her via Facebook and asked that she 'please not testify' against his brother. R. WATSON and W. FEARS no longer have any mutual friends in common.

(U) W. FEARS was a controlling person, but never abusive prior to the incident that lead to this interview.

---

Investigation on 01/08/2018 at Houston, Texas, United States (In Person)File # [REDACTED] Date drafted 01/12/2018by SA John Bray, MCLAUGHLIN COURTNEY RENEE, PERKINS RICHARD BRYCE

~~Page No 2221900~~

Continuation of FD-302 of (U) Interview of Reagan Watson , On 01/08/2018 , Page 2 of 3

(U) R. WATSON did not know W. FEARS's password to his phone.

(U) R. WATSON stated that many people from the Alt-Right movement in which W. FEARS hung out with disliked him for his 'hair trigger' response. She had no knowledge if there was a relationship with Richard Spencer, or direct contact with him. W. FEARS enjoyed Richard Spencer as the focal point for the Alt-Right movement and R. WATSON opined that W. FEARS 'piggy backed' on R. Spencer. W. FEARS enjoyed the media attention he received.

(U) R. WATSON stated that W. FEARS thought the best thing to happen for the Alt-Right movement was if somebody got killed, and W. FEARS wanted to be the martyr.

(U) C. FEARS is the younger brother, and follows his brother. To her knowledge, C. FEARS was done participating in the Alt-Right movement. R. WATSON was surprised to hear C. FEARS traveled to Gainesville, Florida for the lecture. C. FEARS's girlfriend, Ashli LNU, did not want him involved. R. stated after the Hurricane Harvey floods, M. MEARS claimed flood damage on his charger and used the money to buy a Military style vehicle. When this discussion came up, people commented to keep that conversation quiet since it would be considered insurance fraud. R. WATSON described W. FEARS and M. MEARS as being friends or acquaintances.

(U) Dustin Allman and his girlfriend hang out with M. MEARS. M. MEARS and D. ALLMAN live together. D. Allman's girlfriend's name is Emilie LNU and lives at 6011 FM 2920, Spring, Texas.

(U) R. WATSON was shown a picture of 7 males giving a Nazi salute with beers in their hand.

(U) R. WATSON identified the male in the front as 'Z'. He was Polish and an associate of W. FEARS. The male at the far left, wearing jeans and a dark shirt was JESSE (MILES). He was the cousin of KEN REED. K. REED was in the middle of the picture wearing a flannel shirt. She met K. REED once. R. WATSON did not know the name of the bald male, who is known to writer as JOFFRE J. CROSS III next to J. MILES, but knew he was a convicted felon because he told her. He owns a German Sheppard and makes his own guns. His vehicle has an extra light, similar to a search light. R. WATSON has been to his house before, and has ridden in his vehicle before. On the visit to his house, R. WATSON recalls 'Z', W. FEARS, herself, the bald guy and his wife/girlfriend to be present. R. WATSON stated that if anybody in the Alt-Right movement was to be sympathetic to W. FEARS, it would be the bald guy since he too was a convicted felon. The group likes to hang out at dog friendly bars. The picture was taken at Pub Fiction.

(U) Don Watson stated he and his wife would like to be kept up to date with any court appearances or relevant information to the safety of R. WATSON.

## FEDERAL BUREAU OF INVESTIGATION

Date of entry 02/12/2018

(U) On February 8, 2018, ASHLI RODRIGUEZ, DOB 8/27/89, SSN 47. [REDACTED] cellular phone 832-600-3919, address of 606 Kimswick Court, Deer Park, Texas, was interviewed at her residence by FBI/TFO Courtney McLaughlin and SA John Bray. A. RODRIGUEZ's mother was also present for the interview. After TFO C. McLaughlin advised A. RODRIGUEZ as to her identity and purpose of the interview, A. RODRIGUEZ stated the following:

(U) A. RODRIGUEZ and COLTON FEARS have known each other for approximately two years. That is the same amount of time that she has known WILLIAM FEARS. W. FEARS got out of prison around the time she and C. FEARS started dating. C. FEARS was in a band, but the band broke up before the incident in Gainesville, Florida.

(U) W. FEARS wanted to travel to Gainesville, Florida to listen to Richard Spencer speak. W. FEARS wanted C. FEARS to travel to Gainesville with him but C. FEARS did not want to go. W. FEARS was able to persuade C. FEARS into traveling with him. C. FEARS told A. RODRIGUEZ he felt like he needed to go with W. FEARS to keep him from doing anything stupid. C. FEARS was a strong follower of W. FEARS and held him at a high regard. A. RODRIGUEZ only found out C. FEARS was planning to attend the interview right before he left, on Wednesday. W. FEARS knew he had a warrant out for his arrest and W. FEARS wanted to go for one last time before he went to prison.

(U) W. FEARS and C. FEARS drove W. FEARS' vehicle to Florida. A. RODRIGUEZ believes TYLER TENBRINK drove with them, because when C. FEARS told her they were going, he mentioned they were waiting for someone to get off of work before they could leave. She believed the person they were waiting for was T. TYLER.

(U) A. RODRIGUEZ stated C. FEARS doesn't subscribe to White Nationalist views/White Supremacist views, but only acts like he does around his brother and his brother's friends. A. RODRIGUEZ stated C. FEARS is just trying to impress his brother (W. FEARS). A. RODRIGUEZ thinks W. FEARS got his White Nationalist views from his prison time.

(U) A. RODRIGUEZ first heard of the arrest from C. FEARS' mother on the Friday morning after their arrest. A. RODRIGUEZ advised she was at work when she got the call.

(U) A. RODRIGUEZ stated W. FEARS and C. FEARS both traveled to Charlottesville, Virginia. A. RODRIGUEZ advised again, it was W. FEARS idea to go and he convinced C. FEARS to go, and it was against her wishes for him to go. A. RODRIGUEZ identified a picture of a man holding a flag pole in a fighting stance as most likely W. FEARS, and not C. FEARS. A. RODRIGUEZ identified the same person in the video as most likely W. FEARS and not C. FEARS.

(U) A. RODRIGUEZ and C. FEARS never really hung out with W. FEARS. When they did hang out together, W. FEARS would be on-line trolling and causing drama. Both FEARS brothers lived with their parents. A. RODRIGUEZ and C. FEARS rarely hung out with W. FEARS and his then girlfriend Regan Watson. She only met her once, and believed she was into the same ideology as W. FEARS.

(U) A. RODRIGUEZ stated C. FEARS is furious about the recent events. This includes C. FEARS letting his brother talk him into going, and the events in Gainesville that lead to his arrest.

(U) A. RODRIGUEZ wasn't aware of the exact time line of events in Gainesville, Florida, but has found police reports on-line and through social media. To her understanding, people attacked their vehicle when they were there, but there was only three people in the car. According to the arrest report, there was four people in the car when they got arrested.

(U) A. RODRIGUEZ believes C. FEARS owns a gun, but that wasn't something they talked about. She was not aware of a reason why C. FEARS would take a gun to Florida. C. FEARS did not carry his gun around with him while they were together. A. RODRIGUEZ could not advise if W. FEARS carried a gun or owned a gun.

(U) A. RODRIGUEZ can schedule video chats and has visited C. FEARS in prison.

(U) The FEARS' brothers have one step-sister.

(U) W. FEARS and C. FEARS' parents are furious at W. FEARS for getting C. FEARS into this mess.

(U) A. RODRIGUEZ has heard of Samantha Jacobs. For the two years she has dated C. FEARS, she never met S. Jacobs, but once the incident happened,

~~266N-HQ-222489~~

Continuation of FD-302 of (U) Interview of Ashli Rodriguez, On 02/08/2018, Page 3 of 3

S. Jacobs started coming around. She is the sister of a friend that the brothers met when they first moved to the area.

(U) DAVID BRICKMAN is also a friend of both FEARS' brother, but to A. RODRIGUEZ'S knowledge is not associated with this same stuff.

(U) A. RODRIGUEZ has heard the name TYLER TENBRINK but has never met him or MAVERICK MEARS.

(U) A. RODRIGUEZ believes C. FEARS is a follower of W. FEARS, not R. SPENCER. Until this incident, A. RODRIGUEZ did not know who R. SPENCER was. She has since looked him up on the internet to learn who he is. She does not recall C. FEARS ever talking about R. SPENCER.

(U) A RODRIGUEZ has ran into W. FEARS once at his parents' house since returning from Florida. W. FEARS did not say anything to A. RODRIGUEZ.

(U) After the interview was completed, TFO McLaughlin provided A. RODRIGUEZ her contact information in case she had any more information related to this interview. After departing the residence, A. RODRIGUEZ contacted TFO McLaughlin and stated the picture and video that was shown to her was definitely W. FEARS.

Spencer at the rally in Gainesville, Florida. D. ALLMAN asked M. MEARS if he wanted to take a road trip and M. MEARS agreed to go. He wanted to get out of Houston and enjoys traveling. M. MEARS stated he didn't know anything about the speaker, or the speech that would take place. M. MEARS stated he trusted D. ALLMAN. D. ALLMAN was going to work on Richard Spencer's security detail. D. ALLMAN left Houston on Tuesday night and provided M. MEARS with no details on who he would be traveling with, nor did M. MEARS ask.

(U) M. MEARS was instructed to ride with WILLIAM FEARS, COLTON FEARS and TYLER TENBRINK. They all met at the FEARS brother's apartment. M. MEARS and C. FEARS ran to Walmart before they left for Florida. M. MEARS had only met W. FEARS a few times before they left for Florida. M. MEARS first met W. FEARS at a bar called Neil's Bahr in Midtown Houston. The four of them, and D. ALLMAN had been communicating on a private Facebook chat called 'Florida Goys Hurricane Spencer' to coordinate ride sharing and intelligence.

(U) Everybody piled into W. FEARS' Jeep Patriot and left Houston at around 5pm Wednesday night. The topic of conversation on the drive ranged from the three complaining about getting threats of 'doxing', to the Alt-Right trying to change their current image. Each person was on their mobile phone which is typical for their generation. They took turns sleeping. M. MEARS stated there was no talk of illegal activity, or plotting illegal activity on the trip to Florida. M. MEARS stated he brought his Glock 19, and placed it into his backpack for the trip, after thoroughly looking into the gun laws for Florida. C. FEARS brought a Sig Sauer. M. MEARS stated C. FEARS does not have a permit to carry a gun.

(U) They arrived in Gainesville early Thursday morning. They parked near a Chick-Fil-A and ate some breakfast. After they ate, they walked to where the Richard Spencer lecture would take place. M. MEARS left his gun in his backpack, and placed it in the back trunk of the Jeep.

(U) Upon arriving at the lecture, they were approached by reporters. The other 3 spoke with reporters. As this happened, M. MEARS stated he just started to realize the controversy surrounding Richard Spencer. By-standers at the rally were shouting "Nazi".

(U) Richard Spencer arrived at the lecture to speak around 1pm with 5-10 people as his security detail. The security detail was giving out tickets to get into the lecture. The majority of the people associated with the Houston group choose to sit in the first two rows. They were all wearing a white polo shirt with khaki pants. M. MEARS and C. FEARS sat in the rear middle right the entire time. M. MEARS choose to wear a suit.

(U) M. MEARS stated it was hard to hear the speech because everybody was yelling so much. Eventually, somebody called a bomb threat into the lecture, and the lecture was discontinued.

(U) After the lecture was discontinued, he was exiting the hall with C. FEARS, but found T. TINBRINK. As they were heading to an exit, a fight broke out. The Police were forming barricades as the crowd was spitting on T. TINBRINK and talking trash. T. TINBRINK jumped a police barricade and was detained. An unidentified black male 'kneed' M. MEARS. M. MEARS grabbed that person's cell phone and threw it because the black male was shoving it into this face. The police detained M. MEARS and he was later let go.

(U) After the police released M. MEARS, he spoke with a few student protesters. They all debated the issues currently consuming the day. (Writer's note, M. MEARS stated they were Communists and supported Communism in the United States). M. MEARS had been given a script to follow by D. ALLMAN when speaking with Antifa people. This script was for the purpose of telling if somebody was part of Antifa. M. MEARS walked back to an apartment complex with a person from this party. M. MEARS didn't want to walk alone. Since M. MEARS was separated from the group, he called D. ALLMAN. D. ALLMAN stated the other 3 were together, but detained by the police and were in the process of getting released. D. ALLMAN picked M. MEARS up in a white van that included 5 other people. M. MEARS had no information on the occupants of the van. They drove in the van for about an hour and meet up with other people at a Japanese Steak House.

(U) At the Japanese Steak House, W. FEARS, C. FEARS, and T. TINBRINK were speaking about the encounter at the bus stop to the people who were sitting next to them at the table. There were around 15-20 people eating. M. MEARS recounted the story of the events from listening to W. FEARS describing what took place at the bus stop. W. FEARS had told him that they were driving around when they saw some Antifa people at the bus stop. An Antifa person tried to smash the rear of their vehicle with a baton. W. FEARS then proceeded to 'charge' the person until he heard a gunshot. C. FEARS and T. TINBRINK then stated 'we need to go'. M. MEARS overhead T. TINBRINK state he shot the gun.

(U) M. MEARS gave the opinion that C. FEARS's Sig Sauer was used to fire the shot because his Glock 19 was supposedly in his bag and in the trunk. In addition, once he retrieved his Glock 19, he accounted for all the ammunition. M. MEARS also gave the opinion as to why the three even stopped at the bus stop citing W. FEARS short temper and W. FEARS's inability to restrain himself. M. MEARS stated many people in their group seemed mad at the three for the events at the bus stop.

(U) After they ate, D. ALLMAN suggested M. MEARS travel back to Houston with W. FEARS, C. FEARS and T. TINBRINK. D. ALLMAN made the statement that everybody was pissed off over the events. Everybody else was going to stay the night.

(U) After piling into W. FEARS's Jeep, M. MEARS was asked to drive. After driving 10-15 minutes, the low fuel indicator light came on. M. MEARS pulled into a gas station to fill the Jeep up with gas. At this point, he opened the trunk to retrieve his Glock 19 and counted the brass. All brass and ammunition was accounted for. After 20-30 minutes of being on the road again, they were pulled over by a county sheriff's deputy and everyone in the vehicle was arrested. Each person was placed in a separate car and driven back to Gainesville.

(U) Recalling the placement of his gun and C. FEARS' gun, M. MEARS stated after leaving Chick-Fil-A for the lecture, M. MEARS placed his gun in his bag and secured it in the trunk of W. FEARS's Jeep. M. MEARS recalls C. FEARS left his gun in T. TENBRINK's bag, which was also secured in the trunk, or M. MEARS's bag. At some point when the incident had occurred, a person would have had to have retrieved C. FEARS's gun from the truck because it was used in the incident. When the police arrested everyone, the police found C. FEARS's gun in M. MEARS's bag. Both guns were confiscated by the police.

(U) M. MEARS wasn't sure why the police pulled and detained everyone. M. MEARS gave a statement to the police for the events he was part of, and the conversations he overheard at the Japanese Steak House from W. FEARS. After being detained and giving his statements, M. MEARS was released. He voluntarily returned to the Gainesville Police Station and was placed in an interrogation room to wait. Eventually, he requested his cell phone back to make arrangements for transportation. M. MEARS contacted D. ALLMAN and updated him on the current situation.

(U) M. MEARS met D. ALLMAN and a person named 'Z' at a Circle K gas station. They arrived in 'Z''s black BMW. After picking up M. MEARS, they drove to a ranch style house where Richard Spencer was staying with his security detail. There was a party going on there. M. MEARS proceeded to sleep in the BMW as D. ALLMAN served as a 'look out'. M. MEARS stated he never inquired about the occupancy of the house, who was in the house, or who owned the house. M. MEARS provided had no knowledge on the location of the ranch style house.

(U) M. MEARS woke up a few hours later. He, D. ALLMAN, 'Z' and 2 others drove back to Houston in the BMW. On the drive back, there was a discussion on the events in Gainesville. In M. MEARS opinion, the people in the car thought T. TINBRINK was a 'hot head' and they didn't really

want him in the group. He was bad for the group. W. FEARS was too focused on social media attention, and C. FEARS just got caught up in bad things.

(U) M. MEARS stated D. ALLMAN did not travel with a gun, neither did 'Z'.

(U) D. ALLMAN works at Dunbar Security as a driver of an armor car. D. ALLMAN has worked at Top Gun. D. ALLMAN owns the following firearms: (1) CZ duty gun which is a 9mm hand gun; (1) AK47 Rifle that is Chinese made; (1) 12 Gauge Shotgun for hunting; (1) Tactical 9 (known as the gun used in Columbine). M. MEARS stated D. ALLMAN doesn't sell or keep any guns for anyone.

(U) M. MEARS stated that D. ALLMAN likes to mention that his great, great grandfather was in the German SS. Although M. MEARS and D. ALLMAN don't discuss ideology in great detail, all the Nazi ideology doesn't bother him. D. ALLMAN has a girlfriend named Emily (LNU) that lives in Spring, Texas.

(U) On November 8, 2017, D. ALLMAN is going to military court for what is basically an accusation of social media misconduct. D. ALLMAN posted one picture of himself in a Nazi hat and somebody took offense. M. MEARS gave the opinion that somebody was trying to get revenge on D. ALLMAN for some harassment charges filed by D. ALLMAN. In M. MEARS opinion, somebody is trying to bolster their military career over these charges on D. ALLMAN. In M. MEARS opinion, D. ALLMAN is a great guy and a good Marine and is being retaliated against. M. MEARS gave the opinion that D. ALLMAN should be able to serve in the military regardless of any White Supremacist Ideology as long as he is not wearing his military uniform. M. MEARS agreed the same thought process should apply to him.

(U) On occasion, M. MEARS has gone out with D. ALLMAN and his friends to bars. He doesn't typically go because he doesn't have any interest in 'these type of people'. M. MEARS couldn't recall many names of people he had met at these meets, but recalled meeting W. FEARS, 'Z' and a guy named CROSS. CROSS was a former U.S. Army soldier, he was quiet and didn't carry a gun. CROSS works at some kind of machinist shop but had no additional information.

(U) M. MEARS owns the following firearms: (3) AK 47's, one he made; (1) Arsenal 106 CR; (1) Russian made Viper; (1) Glock 19; (1) AR15 Short Barrel Rifle.

(U) M. MEARS stated he has never sold a firearm to a convicted felon. M. MEARS stated he doesn't hold any guns for anyone. M. MEARS stated he has never sold a gun to a convicted felon.

(U) M. MEARS stated he won his current vehicle in a lottery style event from Iron Planet Auction. There was an issue with the title, so he doesn't have any plates, or temporary plates for the vehicle. He has always wanted a military Hummer type vehicle, and that is why he purchased it.

(U) M. MEARS has heard of the Alt-Right before, but not Vanguard. M. MEARS stated white people shouldn't feel guilty just because they are white.

(U) M. MEARS stated he was not aware of any illegal activity that the Alt-Right or D. ALLMAN is involved in. M. MEARS does not participate in the Alt-Right. M. MEARS stated he wouldn't hesitate to report illegal activity.

(U) On Twitter and Facebook, M. MEARS goes by the name Maverick Mears. He doesn't participate in Alt-Right Facebook group chats. D. ALLMAN goes by the name 'Kyle Sheckleberg' on social media.

(U) M. MEARS stated he has not looked into Richard Spencer's ideology because he has better things to do, like play video games and learn Polish.

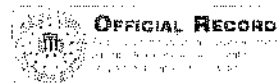

(U) M. MEARS stated he has a former Marine friend named Blaine Wells who he might move in with at some point.

(U) M. MEARS stated he doesn't think there is a problem with Nazi groups in or around the city of Houston.

(U) M. MEARS stated he has notified his Command of this incident that occurred in Gainesville, Florida, and his Command is not concerned regarding his association to the incident. Currently, his immediate supervisor is James Bellar in the Reserve. A person named Chief Fleming is in charge of the 123<sup>rd</sup>, but there is an upcoming change in Command and Chief Fleming is departing.

(U) M. MEARS stated he has answered all questions to the best of his ability. M. MEARS also stated the human mind can be easily corrupted, but has given truthful answers as he can recall today.

(U) M. MEARS is available for re-contact if needed, and agreed to keep this interview between interviewing Agents and himself.

## FEDERAL BUREAU OF INVESTIGATION

Date of entry 03/20/2018

(U) On February 21, 2018, MAVERICK MATT MEARS, DOB 10/25/1994, 17223 Hamilwood Drive, Houston, Texas, cellular phone number 731-426-2147, was interviewed at 10949 Aerospace Avenue, Houston, Texas which is located on Ellington Field Joint Reserve Base by SA/FBI John Bray, SA/CGIS David Pileggi, and SA/NCIS Gifford Parker. After being advised as to the nature of the interview, identity of the interviewing agents and being advised that this interview was voluntarily, M. MEARS agreed to answer the investigators questions and stated the following:

(U) M. MEARS recently called the Evidence section of Gainesville Police Department in an attempt to retrieve his Glock 19 that was confiscated the night of October 19, 2017. Gainesville Police Department stated they would keep possession of the Glock 19 until the trial/court is completed.

(U) WILLIAM FEARS is no longer in Florida, but is back in Texas. He has been back since the end of December or beginning of January. M. MEARS stated he currently believes COLTON FEARS is in Texas, but has not had any contact with him. TYLER TENBRINK is currently in Florida awaiting trial. M. MEARS talked to W. FEARS in January. He was out with DUSTIN ALLMAN at a bar called Bar Bella (sp). W. FEARS met them there. W. FEARS spoke some regarding the topic of the Gainesville incident making comments like "Florida threatened to hold me if I didn't give a statement, or refile charges to extend my prison time," and "Florida threatened to charge me if I didn't do an interview".

(U) W. FEARS, D. ALLMAN and M. MEARS recently went to the beach in Galveston, Texas about 2-3 weeks ago. M. MEARS stated they didn't go for Mardi Gras, nor did he know if Mardi Gras was in progress, but did notice streets that were blocked off. They were actually going to an Extreme Off-Road Park in Humble, but decided to turn around. They didn't talk much about the incident, nor did W. FEARS talk about C. FEARS. M. MEARS stated W. FEARS has a new girlfriend that is half Hispanic.

(U) M. MEARS recalled the night of the incident on October 19, 2017 in Gainesville, Florida. After the Richard Spencer lecture there were crowds of protesters outside who were swarming them as they exited the lecture.

T. TENBRINK jumped a barricade to escape the protesters, and was led away in handcuffs by the police. After he was assaulted by a black man, M. MEARS was led away by police officers with his hands behind his back.

(U) M. MEARS was separated from the other three. M. MEARS tried to contact them on their private Facebook group called "Hurricane Spencer or Florida Goys." M. MEARS couldn't recall the exact name of the group. After being released by the police officers, M. MEARS chatted up an opposing group of protesters. After they talked calmly, and debated opposing views, M. MEARS arranged for a ride from D. ALLMAN. D. ALLMAN picked him up in a white cargo van. There were about 6-8 other people in the van. M. MEARS stated he did not know any of the other people in the van, to include their names.

(U) When D. ALLMAN arrived in the van, M. MEARS climbed into the van and sat behind D. ALLMAN, who was sitting in the front passenger seat. D. ALLMAN was wearing PT cloths, and was not wearing the tan khakis or white shirt. On the way to the Japanese restaurant, D. ALLMAN informed M. MEARS that C. FEARS, W. FEARS, and T. TENBRINK were detained by the police. M. MEARS stated the consensus in the van was that those three were giving the 'group' a bad image. When the interviewer asked follow up questions on what was meant by 'the group' or who was in the group, M. MEARS stated he was referring to Richard Spencer followers. M. MEARS stated there was no conversation in the van related to the incident at the bus stop, nor was there any conversation in the van related to the topic of the three portraying a bad image. M. MEARS could not provide an answer as to why he stated 'the consensus in the van arrived at an opinion' if the topic was never discussed.

(U) At around 6:00PM, they arrived at the Japanese restaurant. There were around 10-20 people in the restaurant sitting at a number of tables that were clustered together. M. MEARS stated he did not know a single person. Although this Japanese restaurant was a nice restaurant, it was not odd for D. ALLMAN to still be wearing his PT cloths. W. FEARS, C. FEARS and T. TENBRINK met them at the restaurant. W. FEARS was talking to people about the incident. M. MEARS stated he overheard W. FEARS state, "he started the stuff at the bus stop, and then some people at the bus stop charged him and tried to tackle him." M. MEARS stated W. FEARS told people he heard a loud bang, people were yelling, and the three hurried to the car and left. After further questions on a description of this 'loud bang,' M. MEARS stated W. FEARS described it only as a loud bang, and not a gun shot. M. MEARS stated he didn't hear, W. FEARS, C. FEARS, T. TENBRINK mention a gun being fired at the bus stop while at the restaurant. M. MEARS stated T. TENBRINK was quiet at the restaurant and he wasn't sure where C. FEARS went. T. TENBRINK didn't have enough money for dinner, so M. MEARS gave him some money. After dinner, M. MEARS inquired

with D. ALLMAN about the plans for the rest of the night. D. ALLMAN stated M. MEARS better leave with the people he came with. M. MEARS wanted to stay the night and enjoy the city, but nobody had money for the hotel, and everybody wanted to get back to Texas. They quickly paid for dinner and hurried along to say their good-byes. After inquiring with M. MEARS as to names of people at the dinner, M. MEARS again stated he did not know any names of people at the restaurant. Even though he said his good-bye to people there. M. MEARS stated he never introduced himself by name to anyone, nor did he ask for anybody's name while introductions were given.

(U) After leaving the restaurant, M. MEARS was asked to drive. After driving for a short time, the low gas indicator light came on so they stopped for gas near a Luby's restaurant. M. MEARS stated they made no stops between leaving the Japanese restaurant and arriving at the gas station. At the gas station, M. MEARS retrieved his gun from the back of the Jeep and re-armed himself. He strapped the gun on his left side, closer to his front. M. MEARS stated there was no conversation regarding the incident at the bus stop during this part of the drive.

(U) M. MEARS stated no stops were made from the time they left the gas station until the time the police pulled them over. M. MEARS stated there was no conversation regarding the incident at the bus stop during this part of the drive. After 10-15 minutes of leaving the gas station, M. MEARS saw the police car blue lights in the rear view mirror. M. MEARS stated he had no clue why they were being pulled over. The police pulled the Jeep over. The sole conversation while they were pulling over focused on calming down W. FEARS. W. FEARS stated he did not want to go back to jail for his aggravated assault charge on his ex-girlfriend. W. FEARS was worried the police would find the police report in Texas that indicated this assault and mentioned a warrant was out for his arrest. Later in the interview, M. MEARS stated W. FEARS wanted to get into a shoot-out with the officers while they were getting pulled over.

(U) As the officers were giving orders, M. MEARS again stated he had no idea why the police had pulled them over and had their guns drawn on them. The police officers had M. MEARS lift up his shirt and that is when they saw his Glock 19. After arriving at the Gainesville Police Department, and while in the interview, M. MEARS first learned of the gun shot that was fired at the bus stop.

(U) M. MEARS stated he sold C. FEARS the Sig Sauer that was used in the incident while employed at Top Gun. M. MEARS stated his last day of employment at Top Gun was sometime in August 2017.

(U) After further questioning by all interviewees, M. MEARS admitted that he was not truthful. He amended his statement by saying that after leaving

the Japanese Restaurant, and before arriving at the gas station, he was driving the Jeep and was being giving directions by W. FEARS via the GPS on his phone to a wooded area. M. MEARS was unsure why he was receiving GPS coordinates to a wooded area, asked no questions, and was provided no information on the stop. After arriving at the woods, W. FEARS, C. FEARS and T. TENBRINK had to take a 'piss.' W. FEARS was in the front passenger seat, and C. FEARS and T. TENBRINK were in the back. M. MEARS stated he did not see anybody retrieve any bags from the woods. M. MEARS stated he assumed his gun was in the back of the jeep, but was unsure of where it was actually at.

(U) During the interview with Gainesville Police Department, M. MEARS requested to be given his phone back. Interviewing agents asked M. MEARS how many times he spoke with D. ALLMAN while inside the interview room at the Gainesville Police Department, and M. MEARS stated once to his recollection. Upon further questioning, M. MEARS stated that during the first call, he called D. ALLMAN and 'woke him up,' and then he made a second call, where D. ALLMAN arranged a ride for him. M. MEARS said he took an Uber to a Circle-K and D. ALLMAN and another friend picked him up. After getting picked up, M. MEARS, D. ALLMAN and the friend drove to a private residence. Back at the private residence, a party was taking place so M. MEARS and D. ALLMAN slept in the vehicle.

(U) M. MEARS again stated he had no knowledge that W. FEARS, C. FEARS or T. TENBRINK spoke about a gun shot fired at the bus stop.

(U) M. MEARS stated RICHARD SPENCER was not at the Japanese Restaurant, nor did he know anybody else by name who was at the restaurant beside W. FEARS, C. FEARS, T. TENBRINK and D. ALLMAN.

(U) M. MEARS was shown his Military Suspect's Acknowledgment and Waiver of Rights form dated November 11, 2017. This documented M. MEARS notification to his command of the events on October 19, 2017 in Gainesville, Florida. M. MEARS advised all contents in that form were correct and honest. In the document, M. MEARS was asked about his statement regarding his intent to travel to Orlando, Florida to make additional statements to the Gainesville Police Department and Attorneys at their request. After confirming the truthfulness of the statement, and being advised by investigators that Gainesville Police Department and the State Attorney was contacted to verify their request to speak with him, M. MEARS stated it was T. TENBRINK's defense attorney who had contacted him to fly to Florida to be a character witness. When asked when he first knew it was T. TENBRINK's attorney who contacted him, M. MEARS stated it was after arriving in Gainesville, Florida.

Continuation of FD-302 of (U) Maverick Matt Mears Interview 2 , On 02/21/2018 , Page 5 of 9

(U) M. MEARS stated he flew to Orlando, Florida using his own money and took public transportation to Gainesville, Florida, possibly on Greyhound or a Mega Bus. M. MEARS then took an Uber to his hotel. M. MEARS could not provide the name of his hotel, but later said it had the word "Gainesville" in it. After checking into the hotel, M. MEARS stated he went to the Gainesville Police Department for the interview, and was turned away because they had not requested his presence. That is when he first realized he spoke to T. TENBRINK's attorney on the phone. M. MEARS then returned to the hotel, ate at a Cuban restaurant, shopped at car dealerships, and went home after a few days without ever having talked to an attorney. Upon further questioning, M. MEARS could not remember the person he spoke with at the Gainesville Police Department when he arrived, nor the rank or gender of the person. Additionally, M. MEARS stated he could not contact T. TENBRINK's attorney because he didn't have a contact number for him. M. MEARS could not provide an explanation as to why he didn't use his cellular phone to access his recent call list to contact T. TENBRINK's attorney. M. MEARS also could not provide an answer as to why he would be called as a character witness if he had just meet T. TENBRINK for the first time at the start of their trip to Gainesville, Florida.

(U) Investigators asked M. MEARS as to why he told investigators that he had notified his command during his first interview on October 31, 2017, but the above mentioned document, which served as an official notification to this command, was dated November 11, 2017. M. MEARS then clarified himself stating his notification to his Command was made verbally prior to October 31, 2017. M. MEARS stated he verbally notified HM2 Deforest, HM2 Jennings, HM2 Robinson, and HM2 Derby.

(U) M. MEARS stated he was laid off from this employment of Lohan's Gunsmith in mid-January and was not presently working. M. MEARS stated he is still living with D. ALLMAN and does not currently have any 'options.' M. MEARS also stated he was trying to go Active Duty in the Navy and the position he desired required a top secret clearance. M. MEARS also advised he may move to Michigan. M. MEARS knows a person in Dallas, Texas named 'Pastor' (NEI) with whom he can live with. M. MEARS advised he could move to South Korea with his mom, but didn't want to do that. M. MEARS stated his wife is currently on active duty in San Diego but she was thinking about moving back to Alaska. She is currently on terminal leave from the Navy and searching for a new job. She is concerned about the Navy and Marine investigations currently pending against him.

(U) M. MEARS again stated that R. SPENCER was not at the Japanese Restaurant.

(U) Investigators asked M. MEARS additional questions regarding his conversations with D. ALLMAN while in the interview room at Gainesville Police Department. M. MEARS advised he initially contacted D. ALLMAN via a Snap Chat App, and then called him via cellular phone. When questioned about the first call and questioned on the identity of the female D. ALLMAN handed the phone to, M. MEARS advised the phone was never handed off to a female. After investigators offered to play the CD of the interview, M. MEARS confirmed D. ALLMAN handed the phone to a female. M. MEARS stated he could not identify the name of the female, nor remember the topic of conversation. Additionally, M. MEARS could not offer an explanation as to why he did not inquire as to her identity, nor the purpose of D. ALLMAN passing the phone to her. Additionally, investigators asked M. MEARS as to the nature and tone of D. ALLMAN's comments in the second phone call when D. ALLMAN stated something to the effect "You better not tell them anything." M. MEARS provided no information as to the nature and tone of the statement.

(U) Again, M. MEARS was asked if R. Spencer was at the Japanese Restaurant, and M. MEARS stated he did not observe him at the restaurant.

(U) M. MEARS stated he never told Gainesville Police Department that he was curious about Richard Spencer and that was a reason for him going to listen to the Richard Spencer lecture.

(U) M. MEARS was asked why he never told investigators during his first interview with the FBI on October 31, 2017 about his travel to New Orleans for a confederate statue removal. M. MEARS stated he wasn't thinking, and should have told investigators. M. MEARS advised he was not armed at that protest.

(U) M. MEARS was advised that this interview was voluntary, but lying and untruthfulness was not acceptable. M. MEARS stated there was nothing wrong with his statements, and he was not intentionally lying. M. MEARS was advised by investigators that they did not think he was being completely honest. M. MEARS voluntarily continued the interview.

(U) M. MEARS advised on the night of the shooting, after he took an Uber ride to meet D. ALLMAN at a Circle-K store, that he was terrified D. ALLMAN might gun him down in the parking lot. M. MEARS stated he was unsure of the agenda of the people in the group, but would not provide an explanation, or details, of the 'group.' M. MEARS stated he had no assurances from people, and would not provide an explanation on that statement. M. MEARS stated D. ALLMAN told him that people connected to this group are connected to the FBI and would check M. MEARS statement. M. MEARS again provided no explanation, or details, on the 'group.' M. MEARS

Continuation of FD-302 of (U) Maverick Matt Mears Interview 2 , On 02/21/2018 , Page 7 of 9

stated he was terrified, or paranoid, and referred to these people as being on-line or in chat groups. M. MEARS stated he was unsure of the intentions of the investigators, and felt like his only option was to 'commit suicide,' M. MEARS stated he had a fear on how these events would get 'linked' up and that he would be used as bait, or to take the fall.

(U) Investigators stated to M. MEARS that being truthful was expected and investigators were looking for the truth regarding the incident in Gainesville, Florida. Investigators reminded him that this interview was voluntarily. M. MEARS agreed to continue the interview.

(U) M. MEARS was asked about the tone and meaning of D. ALLMANS comment when he telephoned D. ALLMAN for the second time in the Gainesville Police Department interview. M. MEARS again stated he did not know what D. ALLMAN was talking about, and again provided no details on the tone and meaning when D. ALLMAN stated something to the effect "you better not tell them anything" on the second phone conversation.

(U) M. MEARS was reminded of his response to investigators at the beginning of the interview when recounting the events at the Japanese Restaurant when W. FEARS was recounting his story at the bus stop. M. MEARS confirmed the accuracy of that statement. SA John Bray then read a paragraph from the first interview with M. MEARS on October 31, 2017, in which M. MEARS had told investigators that "W. FEARS had told him that they were driving around when they saw some Antifa people at the bus stop. An Antifa person tried to smash the rear of their vehicle with a baton. W. FEARS then proceeded to charge the person until he heard a gunshot. C. FEARS and T. TENBRINK then stated 'we need to go.' M. MEARS overheard T. TENBRINK state he shot the gun."

(U) SA John Bray then asked M. MEARS to comment on the conflicting stories. M. MEARS stated his first interview was accurate. M. MEARS then stated at the Japanese Restaurant, W. FEARS was talking about what had happened at the bus stop. M. MEARS recounted how W. FEARS stated he charged a guy and heard a gunshot. He, being W. FEARS, then got back into the car. M. MEARS then stated somebody at the restaurant asked Tyler "Did you really shoot" and T. TENBRINK nodded. M. MEARS stated he did not know the identification of the person who asked T. TENBRINK the question.

(U) SA John Bray reminded M. MEARS of his statement at the beginning of the interview in which M. MEARS stated he did not know any identities of persons at the restaurant. After asking again, M. MEARS provided the following names of people at the restaurant: "Z", Nick LNU, Tim LNU. M. MEARS stated he did not know if Richard Spencer was at the table because he did not know what he looked like. After Investigators provided M. MEARS

with multiple pictures of Richard Spencer found on an open source search of Google, M. MEARS stated he didn't see Richard Spencer at the table. M. MEARS stated he did not see Mike Enoch at the table.

(U) Investigators reminded M. MEARS of his statements at the beginning of the interview in which he recounts the conversations while they were getting pulled over. M. MEARS again stated everybody in the car, including the people in the back seat, were trying to calm down W. FEARS. W. FEARS was paranoid. M. MEARS stated at no time did anybody encourage T. TENBRINK to change his cloths, nor was there a conversation on the topic.

(U) Investigators reminded M. MEARS of his statements at the beginning of the interview regarding the stop in the woods after leaving the Japanese Restaurant. After being asked again, M. MEARS then stated that the three others had "threw their bags out and wanted to get them back." M. MEARS provided the explanation that one of them had mentioned they had to leave in a hurry, threw out their bags, and stated 'they must be around here somewhere.' M. MEARS stated he did not know if the guns were in the backpack(s). M. MEARS also stated he did not know where his gun was at during this point of the trip. M. MEARS stated they smoked pot during the ride to Florida, and he thought that was why they had hid their backpacks.

(U) M. MEARS then provided the name of the female that D. ALLMAN had handed the phone to during the first call to D. ALLMAN during the Gainesville Police Department interview. M. MEARS stated her name was Brittany, and stated he did not know her last name. She was the wife of somebody and had long dirty blond hair.

(U) M. MEARS was asked who W. FEARS called immediately after the shooting at the bus stop. M. MEARS stated he did not know.

(U) M. MEARS was asked if the guns were planned to be used for anything particular once they arrived in Florida or while driving from Houston to Gainesville. M. MEARS then stated that there was no talk about using the guns for any particular event.

(U) M. MEARS stated W. FEARS had purchased fireworks on the drive. W. FEARS then stated "Antifa will love this." M. MEARS stated there was no conversation as to what was meant by that comment in the group, nor did M. MEARS know what was meant. M. MEARS stated he assumed W. FEARS would light them off somewhere.

(U) M. MEARS stated he is currently applying for a job with G4S as a Sales Manager (NFI). He has also applied at Brinks (with the referral from D. ALLMAN), and a Veteran Ops Group (NFI).

face, so he stated he was trying to be very careful with his words. Initially, he didn't want to do an interview, but eventually did speak with the media.

(U) TENBRINK stated JOFFRE CROSS III (aka Trey) and DUSTIN ALLMAN were handing out tickets to get into the lecture.

(U) TENBRINK stated that after the lecture they walked into a mess. TENBRINK approached a police officer and asked if they had a stand down order. The police officer told him there was no stand down order.

(U) TENBRINK stated he was constantly harassed, kicked and spit on by ANTIFA leftists. At one point he almost punched someone who pushed him in the back, but he held off. TENBRINK stated the police were no help.

(U) TENBRINK stated he was being kicked and punched so much that he had to jump a police barrier to get away from the ANTIFA protestors who were harassing him.

(U) TENBRINK stated that after he jumped the police barrier, he was restrained by police and escorted to the "QRF" area. Once at the QRF area, he was put in quick ties, and taken by golf cart to a parking garage.

(U) TENBRINK stated that he saw that the police also had W. FEARS and C. FEARS in custody.

(U) After being moved away from the area by the police, they were cut loose, and told to walk away. TENBRINK stated that they proceeded to walk down a back road but saw what he described as approximately 400 angry people. They walked for a distance and came to an outbuilding where there were multiple county deputy vehicles. They walked around a wooded area, and eventually made it to their vehicle.

(U) TENBRINK stated they could not locate Maverick MEARS. TENBRINK stated he telephoned Thomas from Patriot Front, Dustin ALLMAN, and Trey CROSS looking for M. MEARS, but no one knew where he was.

Continuation of FD-302 of (U) Interview of Tyler Eugene Tenbrink , On 03/01/2018 , Page 3 of 8

(U) TENBRINK stated they got into the vehicle and drove on Archer Road looking for M. MEARS. While driving, they saw some ANTIFA protestors at a bus stop.

(U) TENBRINK stated that W. FEARS said, "Let's fuck with them." They pulled up to the bus stop, and W. FEARS asked the protestors if they had seen a short Asian dude with glasses. He also asked if they had seen their friend Kyle, while giving the Nazi salute. TENBRINK stated the rear windows of the vehicle were all the way up, and he was in the back seat.

(U) W. FEARS was in the front passenger seat and was wearing a white dress shirt. C. FEARS was driving the vehicle.

(U) TENBRINK stated one of the protestors said, "Fuck you" while looking at W. FEARS. That same protestor pulled out a baton and hit the rear window of the vehicle.

(U) TENBRINK stated that C. FEARS moved the vehicle up a short distance, but only stopped because W. FEARS opened the door and was jumping out. As W. FEARS was getting out of the vehicle, TENBRINK saw the protester with the baton squaring off with W. FEARS.

(U) TENBRINK stated at that time he grabbed the pistol, jumped out of the vehicle and fired a single shot to the right of the person into a wall. TENBRINK stated at no time did he intend to hurt the person or anyone else. TENBRINK stated he intentionally fired the shot into the wall because he knew the wall would stop the bullet.

(U) TENBRINK stated immediately after firing the shot, he yelled at W. FEARS to get into the car. W. FEARS jumped in the car but got out again. TENBRINK stated he kept yelling at W. FEARS to get into the car. Finally, W. FEARS got back into the vehicle and they departed the area.

(U) TENBRINK stated the pistol he grabbed and used to fire the shot, was in MEARS' backpack on the seat next to him. The backpack was already opened. TENBRINK said both handguns were in the backpack on the seat, C. FEARS' handgun and M. MEARS' handgun. TENBRINK could not explain why that particular backpack was next to him on the vehicle seat, and the other one was in the back area of the vehicle.

Continuation of FD-302 of (U) Interview of Tyler Eugene Tenbrink, On 03/01/2018, Page 4 of 8

(U) TENBRINK stated after they left the area, they pulled up to a traffic light. While at the light, they saw a police car, so they made a right hand turn and got out of the area.

(U) TENBRINK stated after they got clear of the area of the incident, W. FEARS called D. ALLMAN and said, "Someone needs to get Maverick. I think we just got into some shit." TENBRINK said D. ALLMAN told Trey CROSS.

(U) TENBRINK said they eventually ended up at a Japanese steakhouse restaurant. TENBRINK stated he told CROSS exactly what happened regarding the incident and that he fired the shot.

(U) TENBRINK stated that when they were in the restaurant, and the news of what had happened began to spread, Brittany Cross, who was standing next to Trey CROSS, began freaking out. She said something to the effect of "someone could have been hurt."

(U) TENBRINK said that W. FEARS told some people at the restaurant what had occurred. C. FEARS was upset and asked W. FEARS why he told anyone. TENBRINK added that C. FEARS left the Japanese restaurant and went to a Subway sandwich shop that was close by to charge his cell phone. C. FEARS kept going back between the Subway and the Japanese restaurant.

(U) TENBRINK stated that after a while, M. MEARS arrived at the restaurant with D. ALLMAN.

(U) TENBRINK said he could hardly eat. All he wanted to do was get out of Florida.

(U) TENBRINK stated that Richard SPENCER was not at the Japanese restaurant. He was supposed to be there, but wasn't.

(U) TENBRINK stated that Mike Enoch (SP) was also not present at the restaurant.

Continuation of FD-302 of (U) Interview of Tyler Eugene Tenbrink, On 03/01/2018, Page 5 of 8

(U) TENBRINK stated that as people ate, there was no conversation. He sat with M. MEARS and barely ate.

(U) TENBRINK stated that D. ALLMAN approached him about the incident. He didn't know how D. ALLMAN knew, but he told D. ALLMAN that he fired the pistol.

(U) TENBRINK stated when they left the restaurant they found U.S. Interstate 75. M. MEARS was driving the vehicle. As they drove, they saw a police vehicle on the other side of the highway. The police vehicle turned around, and they were stopped and arrested.

(U) AGENT's NOTE: At this point in the interview, TENBRINK was asked if he was certain that there were no other details of the incident he wanted to provide that occurred prior to the arrest, specifically referring to the backpacks that held the handguns. TENBRINK apologized and stated that there were additional details that he forgot to mention. TENBRINK then continued as follows.

(U) TENBRINK stated before visiting the Japanese restaurant, he, C. FEARS and W. FEARS decided to leave the backpacks with the handguns in a wooded area. TENBRINK said they left the backpacks on a county road. W. FEARS and TENBRINK wanted to leave the backpacks and guns, but C. FEARS did not.

(U) TENBRINK stated they drove around for 5 - 20 minutes looking for a place to leave the guns and the backpacks. They drove down a county road. Initially, TENBRINK said they didn't get out of the car but later stated he got out of the vehicle and put the backpack in the bushes. Before placing the backpack in the bushes, TENBRINK stated he emptied the chamber on the handgun. C. FEARS and W. FEARS marked the spot on their GPS device on their cellular phones. C. FEARS didn't want to get rid of the guns. W. FEARS did. TENBRINK stated C. FEARS seemed to be more attached to the gun than W. FEARS. W. FEARS said we can go back and get it.

(U) TENBRINK stated that prior to departing for the interstate, they retrieved the backpacks from the wooded area. TENBRINK stated he did not

Continuation of FD-302 of (U) Interview of Tyler Eugene Tenbrink , On 03/01/2018 , Page 6 of 8

retrieve the guns from the bushes and was not sure of who did. W. FEARS and C. FEARS got out of the vehicle. TENBRINK stated C. FEARS was leading them via the GPS position on his phone.

(U) TENBRINK stated while at the Japanese restaurant, nobody told M. MEARS that his gun was dumped.

(U) TENBRINK stated that prior to being arrested, M. MEARS put his gun on at some point. TENBRINK stated that he did not know that M. MEARS was armed until the time of the arrest.

(U) TENBRINK stated the conversation in the vehicle at the time they were pulled over was trying to calm W. FEARS down. W. FEARS was nervous because he said he had a warrant in Texas, and didn't want to go to jail. TENBRINK said that W. FEARS wanted to go out like 'John Dillinger style'. TENBRINK said he told W. FEARS that it would all be okay and for him to calm down.

(U) TENBRINK stated (they), excluding M. MEARS, smoked a joint on the way to Gainesville, Florida, but was not on any drugs at the time of the incident or arrest.

(U) TENBRINK recalled that he changed his clothes after the incident at the bus stop. He took off his tennis shoes and put on some boots. W. FEARS also changed and he believed W. FEARS put on a blue polo shirt. TENBRINK stated that after they were stopped by the police, he and C. FEARS were placed in the back of a police car together. C. FEARS encouraged T. TENBRINK to "plead the 5th." TENBRINK told C. FEARS not to worry, that he was going to tell them that he did it.

(U) After they were arrested, they were taken to a highway welcome center where it seemed that they remained for about 3 hours. It was during this time that they were pulled out of the car one at a time for a lineup.

(U) TENBRINK stated that a Gainesville police officer asked him if M. MEARS was at the scene of the shooting incident. TENBRINK said he told the officer that M. MEARS was not.

Continuation of FD-302 of (U) Interview of Tyler Eugene Tenbrink , On 03/01/2018 , Page 7 of 8

(U) TENBRINK said after the lineup, he was placed in another police vehicle with a Gainesville police detective. TENBRINK said he initially played stupid. TENBRINK stated the detective asked him if it was self-defense because the detective already knew about the baton and encourage TENBRINK to let him know. TENBRINK stated that he told the detective that he was the one who fired the gun.

(U) Prior to departing Houston for Gainesville, they met at C. FEARS' apartment. C. FEARS had his handgun on a table in the apartment. C. FEARS took the gun with him on the trip. TENBRINK did not know why M. MEARS took his gun on the trip.

(U) TENBRINK said the first time he saw M. MEARS was at the Anarchist Book Fair and the Punch a Nazi event that occurred in Houston in September 2017. He recalled seeing M. MEARS at the BBQ that took place after they protested the book fair. TENBRINK stated he did not see M. MEARS again until the night they left for Gainesville while at C. FEARS apartment.

(U) TENBRINK stated that there was no preplanning to commit any act of violence in Gainesville either with a gun or with anything else. TENBRINK added that if there was any planning to commit violence he was not in the know.

(U) TENBRINK stated he was in fear of W. FEARS being hurt by the ANTIFA protestor who had the baton. TENBRINK said he only fired the handgun to make the protestor drop the baton. TENBRINK stated he knew what a baton could do to a person, and knew he could hurt W. FEARS with it.

(U) TENBRINK stated he made a calculated evaluation of the wall behind the protestor with the baton and knew he could hit the wall with the bullet and not anyone else.

(U) TENBRINK stated that it was only after he fired the shot that the protestor dropped the baton.

(U) TENBRINK appeared remorseful during the course of the interview, and stated he wished the event had never occurred.

## Police probe alleged campus kidnapping, stabbing

Sep 14, 2009

University Police say a man who allegedly kidnapped a female student from campus remains in the Smith County Jail on a \$750,000 bond.

At about 6 a.m. Sunday morning, William Fears, 22, entered the University Pines Apartments, 3333 Varsity Dr., and forced an 18-year-old woman to his car at knifepoint. The 18-year-old victim is Fears' ex-girlfriend, police said.

University Police Chief, Mike Medders, said Fears did not drive into the gated premises, but entered the complex on foot.

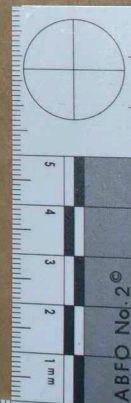

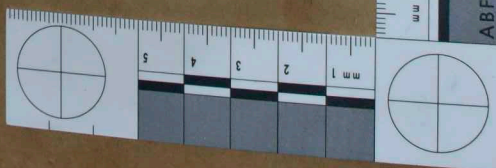

"He did not force his way into the apartment," Medders said. "He knocked on her door and she opened it. She didn't know what his intentions were when she opened the door. From that point on, everything that happened was against her will."

Fears drove the victim to a location east of Tyler where he allegedly stabbed her in the face, arms and legs. The victim escaped from Fears and fled back to campus and reported the incident to The University police. A University police officer later arrested Fears, who was charged with aggravated kidnapping and possession of marijuana.

"We are investigating the possession of marijuana but the Tyler Police Department is investigating the kidnapping," Medders said.

BOARD OF PARDONS AND PAROLES

## NOTICE TO OFFENDERS

### Voting Rights

In recent years, Texas law specified that citizens convicted of a felony offense were ineligible to vote in this state until two years after full discharge of their sentence. Effective September 1, 1997, the two-year waiting period will no longer be imposed. Provided that other requirements are met (such as being a U.S. citizen, at least 18 years old, and mentally competent), you regain voting rights in Texas beginning with the actual date you fully discharge all sentences. This is true whether you are directly discharges from TDCJ Correctional Institutions Division or are discharged after completing a term of probation, parole, or mandatory supervision.

Before voting in local, state, or federal elections, you must register to vote in the county where you reside. You may obtain further information from the Registrar of Voters in your county or from the Elections Division of the Secretary of State's Office.

Please note that Texas Law does not cover voting rights in other states. Many states still impose a post-discharge waiting period before restoring voting rights, and in some states voting rights after a felony conviction may only be restored by a pardon.

### Protective Orders

If an offender is the subject of a protective order that was issued on or after September 1, 1999, and is confined or imprisoned on the date the protective order expires, the Texas Family Code, Section 85.025 (c) mandates that the protective order be extended for one year from the date the offender is released from confinement or imprisonment.

A photograph of a RadioShack store building. The building has a two-story design with a light-colored brick lower level and a corrugated metal upper level. The RadioShack logo, a red 'R' inside a circle, is mounted on the upper level to the left of the 'RadioShack' text, which is in large, white, three-dimensional letters. A long row of windows runs along the upper level. To the right, there is a glass entrance door. The building is surrounded by trees and is situated next to a paved parking lot. In the foreground, a blue fire hydrant is visible.

WHILE SITTING AT A BUS STOP A SUSPICIOUS VEHICLE PULLED UP. THE OCCUPANTS MADE SOME REMARKS AND DID A HITLER MAN SALUTE. TO MY MEMORY I CANNOT STATE EXACTLY WHAT WAS SAID. I FELT THAT MY LIFE AND THE LIVES OF THOSE AROUND ME WAS AT RISK. I REMOVED MY BATON AND TAPPED THEIR WINDOW WITH IT TO GET THEM TO GO AWAY. THERE WAS NO BREAK. THE CAR PULLED OFF, STOPPED, THE DRIVER SAID "SHOOT HIM" TWICE I PUT MY BATON ON THE GROUND AND HANDS IN THE AIR. AT THAT TIME THE PERPETRATOR RAISED HIS WEAPON, AIMED, AND FIRED. THE BULLET MISSED ME AND THEY HESITATED POSSIBLY GOING FOR ANOTHER SHOT BEFORE THEY LEFT IN A SILVER CHEVY OR GMC SUV.

A white male with short blonde hair stepped out of the driver's side, pulled out a black hand gun and shot towards 34th St. There were pedestrians, possibly protestors, walking down the road. I left my friends Buddy, Wesley, Lynn Caroline and Michelle at the bus stop to ride the bus back home. Myself and 3 friends went to walk back to the Anti-Nazi protest that we had left earlier. At the crosswalk, I heard a "BLAP" like a .38 being shot. I turned and saw my friends in visible distress so I came back to check on them. When I returned I found out that someone had stopped their truck, gotten out, and fired a shot @ them.

WHILE SITTING AT A BUS STOP A SUSPICIOUS VEHICLE PULLED UP. THE OCCUPANTS MADE SOME REMARKS AND DID A HITLER MAN SALUTE. TO MY MEMORY I CANNOT STATE EXACTLY WHAT WAS SAID. I FELT THAT MY LIFE AND THE LIVES OF THOSE AROUND ME WAS AT RISK. I REMOVED MY BATON AND TAPPED THEIR WINDOW WITH IT TO GET THEM TO GO AWAY. THERE WAS NO BREAK. THE CAR PULLED OFF, STOPPED, THE DRIVER SAID "SHOOT HIM" TWICE I PUT MY BATON ON THE GROUND AND HANDS IN THE AIR. AT THAT TIME THE PERPETRATOR RAISED HIS WEAPON, AIMED, AND FIRED. 1. Activity Origin: On Thursday, October 19, 2017 at 1720 hours, while working in a uniformed patrol capacity, I was dispatched to SW 34th Street and SW Archer Road in reference to a shots fired complaint.

2. Investigation: Upon arrival I to the area I heard Ofc. Griffith advise that the suspect vehicle continued east on SW Archer Road. I heard that the vehicle may be a silver or gray Jeep or SUV. I traveled east on SW Archer Road and turned onto SW 16th Avenue, while another officer traveled east on SW Archer Road to look for the suspect vehicle.

I saw a gray SUV Chevy and pulled it over to see if it had a white male suspect driver. I found that the vehicle I had stopped had a white female named Kaitlyn Graves in it. She was a little shaken up but stated to me "I just saw a shooting at SW 34th Street and SW Archer Road" She advised me that she rounded the corner on SW Archer Road headed east bound in the curb lane when she noticed the vehicle in front of her stop and the white male driver (25-35 years of age, skinny, wearing a black shirt and shorts or jeans) exited the vehicle (area of the old Radio Shack) with a black handgun (maybe Glock or other pistol) pointed the gun across the road toward the sidewalk on the north side of the road and fired once. She advised that she saw the smoke expel from the end of the gun. She advised that once the suspect turned around to get back into his vehicle, she travelled to the middle lane and left the area quickly as she was very scared. She advised that she believes she would recognize the suspect if she saw him again. I obtained all her information and had her write a sworn written statement that I turned into records.

5. Vehicle: N/A

6. Additional: After leaving the witness I searched the parking lots of Hotels on SW 13th Street which met with negative results for the suspect.

I then transported two witnesses to the police station. Their names were Elizabeth Sherrill (09/16/93) and 55.

On October 19, 2017 at approximately 8:22 PM, and while in the Williston area, FHP Air 31 (staffed by pilot Sgt. Anson Creech and TFO Sgt. Gary Schluter) was dispatched to the south west corner area of I-75 and SR-121 to assist with the search of the area for a silver Jeep Cherokee that had been involved in an earlier shooting. Shortly after arriving at approximately 8:28 PM, several patrol vehicles arrived in the area and staged near a convenience store. At approximately 8:32 PM, the patrol units, having received communications that the silver Jeep was being followed by an Alachua County Sherriff's Office Deputy north bound on I-75, proceeded north on I-75 to assist with an apprehension.

Air-31 proceeded north along I-75 to provide air cover and, at approximately 8:40 PM the silver Jeep was intercepted and a felony traffic stop was conducted on the right emergency shoulder of I-75 north of CR-236 near the 405 mile marker. The two outside lanes of I-75 were initially blocked by patrol vehicles after which all northbound lanes of I-75 were halted south of the felony stop. Air-31 provided air surveillance and infra-red incident recording of the felony stop as the driver exited the vehicle, walked backward to the waiting law enforcement officers and was taken into custody. Air-31 reported the presence of additional passengers in the suspect vehicle as a total of three more persons were taken into custody. At that point, Air-31 reported that no more heat sources were observed through the open doors of the vehicles. The vehicle was checked to confirm the absence of any further occupants by a K-9 and five law enforcement officers.

At 8:52 PM a single lane of northbound I-75 was reopened and, at 8:55 PM the center lane of northbound I-75 was reopened. The right lane of northbound I-75 remained closed as Air-31 departed the area.

50A

On 10/19/2017 at 2038 hrs I responded to the area of State RD 93 and the 399 mm North bound in reference to assisting The Alachua County Sheriff's Office conduct a high risk felony stop. As I entered onto the interstate I observed the sheriffs office patrol car pass traveling North with it's rear red and blue lights on to be visible to the other units attempting to catch up. ASO had positively identified the vehicle as the one that was involved in an earlier shooting in Gainesville.

Once there were enough patrol cars to conduct a felony stop the lead deputy affected the traffic stop. The suspect vehicle came to a stop at the 405mm and officers blocked several lanes to conduct the stop. I exited my vehicle with K9 Thor and approached to the rear of one of the deputies vehicles in case anyone fled on foot. I had a view of the drivers side of the suspect's vehicle. The deputies called the occupants out of the vehicle one at a time and took them into custody. Once the vehicle was believed to be unoccupied a team was set up, who K9 Thor and I approached with to clear the vehicle. Once the vehicle was cleared the patrol cars were all removed from the roadway to allow traffic to pass.

This concluded my involvement in this case. I placed Ofc. Bohannon's in-car video along with my in-car video into property as evidence. There is no further information.

1. Activity Origin: On Thursday, October 19, 2017 at 1720 hours, while working in a uniformed patrol capacity, I was dispatched to SW 34th Street and SW Archer Road in reference to a shots fired complaint.

2. Investigation: Upon arrival I to the area I heard Ofc. Griffith advise that the suspect vehicle continued east on SW Archer Road. I heard that the vehicle may be a silver or gray Jeep or SUV. I traveled east on SW Archer Road and turned onto SW 16th Avenue, while another officer traveled east on SW Archer Road to look for the suspect vehicle.

I saw a gray SUV Chevy and pulled it over to see if it had a white male suspect driver. I found that the vehicle I had stopped had a white female named Kaitlyn Graves in it. She was a little shaken up but stated to me "I just saw a shooting at SW 34th Street and SW Archer Road" She advised me that she rounded the corner on SW Archer Road headed east bound in the curb lane when she noticed the vehicle in front of her stop and the white male driver (25-35 years of age, skinny, wearing a black shirt and shorts or jeans) exited the vehicle (area of the old Radio Shack) with a black handgun (maybe Glock or other pistol) pointed the gun across the road toward the sidewalk on the north side of the road and fired once. She advised that she saw the smoke expel from the end of the gun. She advised that once the suspect turned around to get back into his vehicle, she travelled to the middle lane and left the area quickly as she was very scared. She advised that she believes she would recognize the suspect if she saw him again. I obtained all her information and had her write a sworn written statement that I turned into records.

3. Evidence: N/A

4. SCA: N/A

5. Vehicle: N/A

6. Additional: After leaving the witness I searched the parking lots of Hotels on SW 13th Street which met with negative results for the suspect.

I then transported two witnesses to the police station. Their names were Elizabeth Sherrill (09/16/93) and 55. (02/28/90).

Possession of Firearm by Convicted Felon

10/19/17 2026 HOURS

I made contact with Oliver Luther Austin IV (W/M DOB: 05/21/91) at GPD CID for an interview. Oliver stated that he and a group of his friends (Elizabeth Sherrill, Michelle Gershon, Shawn 55., and 55. 55.) drove from Tallahassee, Florida to attend the "Richard Spencer" event that was held at the Curtis M. Phillips Center for Performing Arts (CPA), located on the University of Florida campus (3201 Hull Road).

After the event, Austin stated that they walked and sat at a bus stop on SW Archer Road near Radio Shack. While at the bus stop, he stated that a white SUV pulled up to next to them then displayed Nazi salutes and Hitler verbiage.

Austin stated that 55. did use a baton and hit the back window of the white SUV as it was leaving, but it did not break. The SUV pulled off, but immediately stopped after pulling off. He stated that SUV was occupied with two white males. He could not tell if there were any other occupants inside the SUV. The front seat passenger was wearing a white button up shirt and the driver was wearing a blue button up shirt. He stated that both the driver and front passenger had slick hair just like "Richard Spencer." He stated that the subject with the white button up shirt exited the SUV then ran back to the vehicle and stated, "Get the gun. Shoot them." At this point Gershon, Sherrill, and he ran into the woods. He then heard one gunshot. Austin stated that 55. was still sitting on the bus stop bench and had his hands up when the shot was fired.

On 10-19-17 while on patrol I responded to 3400 SW archer Rd in reference to a shooting investigation.

I responded from 200 SW 13th St and bolo'd for the suspect vehicle a silver jeep. I did not locate the vehicle as I responded to the scene. Ofc. Griffith and Sgt. Robinson were already speaking to multiple witnesses/victims when I arrived. Ofc. Griffith located a shell casing in the roadway. I blocked the roadway near the casing with my vehicle.

Dispatch then advised that FHP received information that the suspect vehicle had crashed near 16th and Archer. I responded to this area to Bolo. This information was determined to be false.

I then called Darryl Ellis who witnessed the shooting. Dispatch received a call from him and his contact information was in the call notes. Ellis stated that he saw a silver jeep occupied by three white males shoot at a group of people at the bus stop at 34th and archer. Ellis advised he followed the vehicle and attempted to get a picture of the tag but was unable. Ellis saw the vehicle turn southbound on SW 23rd Ter "towards Phoenix." I bolo'd this area and provided this information over the radio.

This concluded my involvement in this case.

On 10-19-17 while working in a uniform capacity, I was notified of a shots fired call that occurred shortly after the NPI event that was held at the University of Florida. The incident occurred in the immediate area of Radio Shack, which is on the SE corner of SW Archer Rd/SW 34th St. I was working in the capacity of SWAT during the incident and unable to respond.

Patrol worked the initial call along with Det. DeCastro and FCU Inv. Foong. At the conclusion of the NPI event and release of officers, myself, Det. Pandak, Det. Mullins and Det. Castor responded to the GPD station; as there were witnesses/victims from the shooting there and waiting to be interviewed. Upon my arrival at the station, Det. DeCastro was already on scene and beginning to gather information. Det. Davies was working in an intelligence capacity and at a command post during the incident and afterwards. He and others, began working information in reference to the vehicle description and tag number (silver Jeep Liberty, TX tag# 23. ) that was giving by one of the witnesses just after the incident occurred.

Det. Mullins, DeCastro, Pandak and Castor began interviewing the witnesses and victims. While these interviews were being conducted, I was receiving information from Det. Davies that one of the involved individuals in the Jeep may be a William Fears. Det. Davies also had put out a BOLO in reference to the vehicle being involved in a Felony incident; which the vehicle was entered into NCIC/FCIC.

I was notified a short time later by Det. Davies that he and investigators from the intelligence post received a phone ping from William Fears' phone (based on phone number history) in the area of SW Williston Rd/SW 34th St. There were FDLE agents and other agencies actively looking for the vehicle. At approximately 2055hrs, I was notified by Det. Davies that ASO Deputies had the suspect vehicle stopped on I75 near mile marker 405 and subjects were being detained. Shortly after the notification to me by Det. Davies, I made phone contact with ASO Lt. D. Butscher. Lt. Butscher told me that four male subjects had been detained and moved off of the interstate to a gas station parking lot on CR 316; which is the very near exit at mile marker 405. He also said that there were deputies at the traffic stop location on the interstate and everything was left in the condition/position as when the felony stop was conducted and subjects detained.

Det. Pandak, Mullins, Castor, DeCatro and I drove to the I75 exit at CR316; each of them having a witness/victim with them in order to conduct a show up of the detained individuals. Each witness/victim was driven to the parking lot where the subjects were at and show ups were conducted. Prior to the show ups, they were read and signed a show up instruction sheet. I did not participate in the show up process.

After the show ups were completed, Det. Mullins informed me that three of the subjects were positively identified by all witnesses/victim as being in the suspect vehicle during the shooting incident. After the show up process was

completed, I went to the traffic stop location. I was joined a short time later by Det. Pandak. Dets. Mullins, Castor and DeCastro drove the witnesses/victim back to GPD and began preparing for interviews of the suspects identified during the show up.

The suspect vehicle was parked on the outside shoulder of the northbound traffic lanes, just north of the CR 316 exit. I met with ASO Deputy McClain #1710 and another deputy who were still on scene. I noticed that the vehicle had the rear hatch open, a black suitcase/backpack type bag laying on the asphalt at the rear of the vehicle. All four doors were opened and I also saw a handgun laying on the asphalt on the driver's side of the vehicle, along with a set of keys. I photographed the vehicle starting from the rear exterior and working my counter clockwise, photographing the exterior and interior in the condition as the vehicle was when I arrived on scene. I requested that ASO tow the vehicle to GPD Sallyport for secure storage so that a search warrant could be written/served on the vehicle.

Prior to the vehicle being towed, an inventory was conducted.

- I collected the handgun that was on the ground outside of the driver's side of the vehicle (Glock 19)
- placed the keys on the driver seat
- checked the black bag on the ground at the rear of the vehicle (collected a Sig Sauer SP2022 handgun with partially loaded magazine; no chambered round)
- collected three additional handgun magazines from the black bag
- collected one cell phone from front passenger seat
- collected two cell phones from rear passenger seats
- collected one black/brown wallet from rear passenger seat

The black bag was then placed in the rear compartment of the vehicle. There were no other items of significant monetary value that needed to be collected prior to the vehicle being towed. The vehicle was towed to GPD by Elite towing.

I placed the two handguns, magazines and ammunition into GPD Evidence. I completed two ATF Firearm Trace Forms and also requested evidence analysis of both firearms against the shell casing that was recovered from the shooting scene.

I handed the three cell phones and wallet over to Det. Pandak prior to leaving the traffic stop scene. Det. Pandak placed the wallet and a white button down shirt (retrieved from front passenger floorboard) into Evidence. He placed the three cell phones into a temporary evidence locker pending warrant submission.

I uploaded the vehicle photographs onto the FCU Photo log under CR# 17-19592.

On 10-24-17 at 1630 hours I assisted Det. Juan DeCastro in the service of a search warrant on the above listed vehicle. The vehicle was secured in the south side secure sally port bay at the Gainesville Police Department, 545 NW 8 Ave. The search warrant was obtained by Det. DeCastro and directed officers to search for the firearms, holsters, ammunition, incendiary devices, Identification, computers or memory storage items, cell phones, signage or paraphernalia connected to extreme groups, and journals, documents or literature with racially motivated wording etc. I photographed the interior and exterior of the vehicle using a digital camera and flash. CASE NUMBER: 17-019592 / Attempted Homicide

CRIME SCENE INVESTIGATION: On 10/19/17 at 1805 hours I responded to the RTS bus stop near 3315 SW Archer Rd (Radio Shack) in reference to an attempted homicide investigation. I made contact with Det. DeCastro who advised two groups of people were having a confrontation; one group was in a vehicle and the other was on the sidewalk. One victim, a member of the group on the sidewalk, allegedly struck the vehicle with an expandable baton. One member of the group in the vehicle allegedly exited the vehicle and fired a single round at the victims (the group on the sidewalk). I conducted my investigation and cleared the scene at 1903 hours.

After returning to the GPD FCL I was contacted by Lt. Fanelli and advised the expandable baton used in the incident was located in a trash can at 528 NW 8th Ave (Sunoco Gas Station). I arrived on scene at about 2100 hours, photographed and collected the expandable baton, and cleared the scene at about 2108 hours.

PARTICULARS OF CRIME SCENE: The incident took place on the south side of SW Archer Rd at the RTS bus stop located near the Radio Shack (3315 SW Archer Rd). SW Archer Rd runs southwest to northeast. The bus stop is located on the southeast side of SW Archer Rd on the north side of the parking lot for the Radio Shack and consists of a single bench and bus stop sign. A sidewalk runs parallel to SW Archer Rd. The Radio Shack building is located southwest of the bus stop; the front faces northwest. The building is rectangular with a reverse "L"-shaped section cut out of the front, forming a short northeast facing wall and a longer northwest facing wall.

A 9mm fired cartridge casing (6111-1) was located in the outside westbound lane of SW Archer Rd, northeast of the bus stop.

Two bullet impact marks (A and A1) were located on the Radio Shack building. Bullet impact "A" was on the northwest face of the building and Bullet impact "A1" was on the northeast face. The building façade appeared to be made of brick. A projectile jacket fragment (6111-2) was located in the parking lot just north of the building.

The scene at 528 NW 8th Ave (Sunoco Gas Station) was contained to the trash can located on the west side of the building near the air pump. A black expandable baton (6111-4) with a small piece of red tape around the handle was on the bottom of the trash can.

October 19th 2017

At 1730hrs, I responded as the evening shift detective to assist with a shooting investigation. The incident occurred near a bus stop located at 3315 SW Archer Road. It was determined that this incident was related to the Richard Spencer speaking event which occurred nearby on the University of Florida campus. This event was similar to the event in Charlottesville, VA which sparked violence causing many to be injured and one death. This Gainesville, Florida event had a heavy presence of law enforcement due to the expected attendance of the "far right" (white supremacists, fascists, Nazi sympathizers) and "far left" (Antifa, Occupy movement, and similar anti-capitalist groups) which were responsible for the violence in many cities to include Charlottesville, VA.

It was determined that a vehicle with three subjects pulled up to the victim standing on the sidewalk and the front seat passenger in that vehicle began yelling "Hail Hitler" and other disturbing chants at the victims standing near a bus stop. The victims were with a group of "far left" sympathizers which were carrying Anti-Nazi signs. An argument ensued and 55. 55. used a baton to hit the rear window of the offending vehicle. 55. 55. stated that the vehicle pulled away approximately 10 feet and then quickly stopped. A white male subject (later identified as Tyler Tenbrink) emerged from the rear of the vehicle and produced a handgun. At that same moment, the front seat passenger (later identified as William Fears) emerged yelling at both victims, "I'm going to fucking kill you". W. Fears was also yelling at Tenbrink, "kill them" and "shoot them"! Tenbrink fired a single shot at both victims (55. & 55.). The round traveled between the two victims missing them and striking the business (Radio Shack) directly behind them. Tenbrink and W. Fears jumped back in the vehicle and fled eastbound on SW Archer Road.

55. called the police and was able to provide the vehicle tag (TX/ 23. ) and description of the occupants to dispatch. Multiple calls were also coming in reporting the incident. Many law enforcement agencies were in town assisting GPD with the Richard Spencer event and they all had a representative in a unified command center tracking the details of the shooting. Detectives and Crime Analysts in the command center were able to quickly identify the

vehicle's owner (Gena Martinez) and link it to her son (W. Fears) as the usual driver. W. Fears had many social media accounts and happened to be posting live video of him attending the current Richard Spencer event confirming W. Fears was indeed in Gainesville, Florida. Many of those videos showed W. Fears with individuals matching the description given by the witnesses allowing the investigators to identify Colton Fears (brother of W. Fears) and Tenbrink as the subjects in the Texas vehicle. A BOLO (Be-On-Look-Out) bulletin was immediately distributed to area agencies.

55. 55. and some of the witnesses involved in the shooting agreed to return to GPD CID so that a more thorough interview could be conducted;

At approximately 1900hrs, I spoke with Elizabeth Sherrill in an audio/video recorded interview room. Sherrill explained she was walking with a group of her friends from the Spencer speaking event to a bus stop on SW Archer Road just east of SW 34th Street. Some of the friends in her group included 55. 55. and 55. 55. Sherrill then observed a vehicle on SW Archer Road come to a stop in front of them and the passenger was leaning out of the window yelling something. Sherrill could hear the white male passenger yelling "Hail Hitler!". At that point, 55. produced a baton and attempted to strike the rear of the vehicle. The vehicle pulled away briefly when the occupants heard the impact (which did not cause damage). Suddenly the vehicle stopped and two subjects emerged. Sherrill observed two white males; one was on the driver side while the other was on the passenger side. Sherrill could hear them yelling, "Shoot'em, Kill'em" and they were also saying something about Florida being a stand your ground state. Sherrill remembered that 55. and 55. were standing closest to the vehicle and it appeared the subject on the driver side had a gun. Sherrill ran behind a nearby wall and then heard a "pop". Sherrill was worried for 55. because it appeared that the shooter was aiming directly at him. Sherrill looked back over the wall to see the subjects running back to the vehicle yelling, "Go dude go, fuck it, fuck them". The vehicle pulled away eastbound on SW Archer Road at a high rate of speed. That was when 55. called the police.

Sherrill described the vehicle as an SUV, possibly a Jeep or 4runner, pale blue in color, with a roof rack. There was an air freshener on the rear view mirror. Sherrill described the passenger as a white male about 5'8", 150-170lbs, 22-28yoa, slicked back short hair, flushed red "Irish" face, wearing shiny watches, a southern accent while they were saying "Shoot'em", white button-up shirt with the top button un-buttoned, no under shirt, khaki pants, and Oakley style glasses on his head. Sherrill then described the subject that emerged on the driver side of the vehicle as a white male wearing a blue buttoned up shirt with the top button missing, white under-shirt, a little heavier in weight than the passenger, darker blonder hair with the front flipped up (maybe using gel), Oakley style glasses on his face, his hands were together and holding the gun in a traditional shooting position (similar to a Weave stance which she demonstrated herself during the interview), and a southern accent. Please reference the copy of this interview for more details.

Then at approximately 1930hrs, I was able to speak with 55. in a separate audio/video recorded interview room. 55.

also stated they were at the bus stop on SW Archer Road with a group of friends after the Spencer speaking event. 55. observed a vehicle stop on the road in front of them and the passenger emerged saying something. 55. thought they were joking at first and then he heard him yell, "Hail Hitler!" while giving the one handed salute associated with the reference. 55. remembered the vehicle pulled away after 55. struck it with his baton. But then it suddenly stopped in the roadway and two subjects emerged yelling "shoot them". 55. stated the passenger charged towards 55. while the subject on the driver side was standing with his arms together holding a black gun. 55. heard one shot and then the driver yelling, "Let's go!". 55. was able to obtain the vehicle tag and then place a call to 911.

55. described the vehicle as a whitish/silver SUV with the subject on the passenger side as a white male, about 5'9", medium build, blonde short hair, white buttoned-up shirt with top button missing and khaki pants. 55. then described the subject on the driver side as a white male, taller and thinner than the passenger, and with sunglasses on his face. Please reference the copy of the interview for more details.

During the interview of the victims and witnesses, it was discovered that an Alachua County Sheriff's Office (ACSO) deputy located the suspect vehicle traveling north on I-75 about 20 miles north of Gainesville, Florida. A traffic stop was conducted on the vehicle and four adult male occupants were inside. During the traffic stop, ACSO discovered a firearm in the vehicle. ACSO detained the four subjects and notified GPD of their findings. Please reference ACSO report number 17-9646 for more details on the stop.

At approximately 2215hrs, GPD detectives transported 55., 55., and other witnesses to the location of the ACSO traffic stop north of Gainesville, Florida. I personally transported 55. in my department vehicle to the scene where the ACSO deputies were holding the suspects. An individual show up was performed and 55. identified Tenbrink as the shooter. 55. then also positively identified W. Fears as the suspect in the front passenger seat who was yelling obscenities at them back at the bus stop.

It was determined that the fourth subject (Maverick Mears) in the vehicle stopped by ACSO was not in the vehicle at the time of the original shooting incident. Mears agreed to voluntarily return back to GPD CID for questioning. Tenbrink, C. Fears & W. Fears remained in custody and were transported back to GPD CID by ACSO for further questioning.

Prior to the vehicle being towed back to GPD, an inventory of the vehicle was conducted. During that inventory the following items were located; two handguns, gloves with armored knuckles, multiple smoke grenades, and two-way radios. The guns were removed and safely secured while the remaining items were left inside the vehicle which was to be transported to secured storage at GPD. A search warrant will be obtained at a later date to perform a more thorough search the vehicle.

At 0339hrs during a Post Miranda interview, W. Fears indicated that they travelled from Texas to Florida just to attend this event and support Richard Spencer. W. Fears also explained that he communicates with other supporters via social media group texts and online forums. W. Fears said, "I'm a known person because of alt right politics". W. Fears alleged that everyone started to recognize him and at one point they came up to the car and surrounded it. One of the subjects pulled out an expandable baton and started hitting his vehicle. He then got out of the car to confront the subject. W. Fears said there were people surrounding the car. W. Fears stated he never heard a gunshot, but instead heard his brother (C. Fears) yelling at him to get back in the car. W. Fears explained he jumped back in and they began to argue as they drove away. Initially he was concerned if someone was hit, but did not call the authorities to report the incident. W. Fears claimed he did not see who had a gun. Later in the interview, W. Fears did admit to stopping on the roadway after doing a U-turn to purposefully confront some people on the sidewalk. Please reference the copy of the interview for more details.

Then at 0403hrs we spoke with C. Fears who stated he was at the event and then walked back to the car. C. Fears was driving the vehicle as they drove around looking for Mears who they get separated from after the event. The next thing he remembers seeing is a girl on the sidewalk holding a "No Nazi's" sign and they stopped the car. A subject behind the car hits the back of the car, but C. Fears does not know specifically who.

C. Fears recalled his brother and Tenbrink stepped out of the car when he then heard a gunshot. C. Fears spontaneously stated he was not sure how Tenbrink got the firearm. He began to explain that he and Mears had each brought a gun with them into Florida for the event. C. Fears was not sure which firearm was used. C. Fears then drives them to a Taco Bell where they met up with Mears who caught a ride from other supporters of Richard Spencer. C. Fears remembered hearing Tenbrink say he purposefully did not aim at anyone and therefore did not think it was a big deal. C. Fears was not able to explain why they did not call the authorities. Please reference the copy of the interview for more details.

October 25th 2017

I made arrangements with the GPD contract tow company (Shelby's Towing) to remove the vehicle from the secured GPD sally port to a storage lot awaiting for the owner to retrieve. I was unable to personally contact the owner (Gena Lee Martinez) in Texas.

October 26th 2017

I completed the return on the vehicle search warrant and submitted it to the SAO. The return was signed by Judge Colaw and clerked into records.

A review of the SD card found in the vehicle search warrant was not successful. It appeared the card was damaged and unreadable.

The following items were submitted into evidence:

believe I may have (including alibi witnesses). My attorney and I have discussed the allegations and charges against me, the evidence  
in this case, including depositions, witnesses disclosed by the State, arrest reports and motions that may be filed on my behalf. My  
attorney and I have discussed the physical evidence in this case and whether any DNA associated with that physical evidence could  
exonerate me. I am satisfied that my attorney has sufficiently explained the State's case against me, as well as any defenses that I may  
have against the State's case against me. I understand that by entering this plea, I waive (give up) those issues and defenses. I am fully  
satisfied with my attorney's representation in these matters and I have no concerns about the adequacy of my attorney's investigation  
and preparation of my case.

Initial the paragraph that applies.

I have the right to take the witness stand at my sole option, and if I do not take the witness stand, I understand the jury, at my request, will be told this may not be held against me. **I understand that by pleading guilty nolo contendere to the charge(s) I waive and give up my rights as listed in this paragraph, and that there will be no trial.** I further understand that if I plead guilty/nolo contendere, the Judge may ask me questions about the offense(s) to which I have pleaded. A copy of the Notice can be obtained at [www.circuit8.org](http://www.circuit8.org).

13. NA I understand that the Court may require me to pay restitution or costs of investigation:
- In the following amount(s): \$\_\_\_\_\_.

14. CF I understand that Probation & Parole Services, Department of Corrections, may be asked to conduct a pre-sentence investigation and submit a report to the Judge prior to my sentencing.
- I request a pre-sentence investigation.
  - CF I waive my right to a pre-sentence investigation.
  - I am not entitled to a pre-sentence investigation.
15. CF My attorney has advised me that at trial the State could present evidence to establish the facts set forth in the probable cause affidavit and I agree that the Court may rely upon documents in the court's file, including the probable cause affidavit, for a factual basis for this plea.
16. CF **IMMIGRATION WARNING:** I understand that if I am not a citizen of the United States, this plea may result in my detention and deportation/removal from the United States and/or stop me from being able to legally enter or re-enter the United States. I further understand that I have the right to seek individualized advice from my attorney about the effect this plea will have on my immigration status. Initial the applicable paragraph:
- My attorney has advised me that I am pleading to a presumptively mandatory deportable offense. I fully understand the immigration consequences of pleading to a presumptively mandatory deportable offense. In some cases, detention and removal will be required.
  - My attorney has advised me that I am **not** pleading to a presumptively mandatory deportable offense. I fully understand that this plea may still subject me to removal proceedings and/or exclusion from the United States. In some cases, detention and removal will be required.

**CERTIFICATE OF COUNSEL**

The undersigned attorney for the Defendant certifies as follows:

23. To the best of my knowledge and belief, the statements, representations and declarations made by the Defendant in this petition are voluntary and in all respects accurate and true. S/he fully understands them.
24. I have read and explained to the Defendant the allegations contained in the Information(s), as well as the maximum penalty for each count. I have discussed with the Defendant the facts and circumstances about the charges and any lesser included offenses. I have explained to the Defendant the possible penalties to which s/he may be subjected as a result of this plea. (Initial the paragraph that applies.)
- LT a. I believe the Defendant and I are fully informed on all such matters. I have fully investigated this case and all witnesses for and against the Defendant (including alibi witnesses if any were revealed to me). I have discussed with the Defendant the defenses available to him/her and motions that might be filed on the Defendant's behalf.
- \_\_\_\_\_ b. Because the Defendant wishes to accept the State's plea offer, with the Defendant's agreement, I have not fully investigated his/her case or talked to all of the witnesses.
25. The plea of guilty/nolo contendere being entered by the Defendant is in accord with my understanding of the facts, the law and possible defenses. If the Defendant is to receive a sentence of incarceration, I have not promised the Defendant that s/he will serve a specific length of time incarcerated. I have made no promises to the Defendant that are not set forth in this agreement to induce him/her to enter this plea, nor have I threatened, coerced or intimidated the Defendant in any way to induce him/her to enter this plea.
26. Having discussed this matter fully with the Defendant, it is my opinion that s/he is mentally and physically competent, and there is no mental or physical condition which would affect his/her understanding of these proceedings. I have no reason to believe that s/he is under the influence of drugs or alcohol at this time. The exceptions to this are listed in Paragraph 8.
27. I have explained to the defendant that if s/he is not a citizen of the United States, this plea may result in his/her detention and deportation/removal from the United States and/or stop him/her from being able to legally enter or re-enter the United States. I have further advised the defendant that s/he has the right to seek individualized advice from me about the effect this plea will have on his/her immigration status prior to entering the plea. Initial the applicable paragraph:

- \_\_\_\_\_ b. I have **not** provided the defendant with individualized advice regarding his/her immigration status.
28. I have explained to the Defendant the difference between a direct appeal and a collateral attack upon his/her conviction. I have advised the Defendant that if s/he is now pleading to a sexually violent offense or if s/he has previously been convicted of a sexually violent offense as that term is defined in Section 394.912(9), Florida Statutes, s/he may be subject to the provisions of the Jimmy Ryce Civil Commitment Act, Section 394.910, et. seq., Florida Statutes, which allows the State to commit to a secure treatment facility a person who has been convicted of a sex offense and who is determined to be likely to commit a violent sexual offense in the future.

**PROBABLE CAUSE**

On October 19th 2017 at approximately 1720 hours the DEF (Tenbrink) willfully and willingly fired a deadly weapon at VIC with the intent to kill.

VIC (55) was sitting at the bus stop located at 3315 SW Archer Road immediately following the Richard Spencer speaking event which occurred nearby on the University of Florida campus. The vehicle containing the defendants pulled up to VIC's location and one of the passengers began yelling Hail Hitler and other chants at VIC. An argument ensued and VIC (55) used a baton to hit the rear window of DEF's vehicle. The VIC (55) said the vehicle pulled away approximately 10 feet and then quickly stopped. DEF (Tenbrink) emerged from the vehicle and produced a handgun. CoDEF (C. Fears) and CoDEF (W. Fears) were yelling at both VICs, "I'm going to fucking kill you". CoDEF (C. Fears) and CoDEF (W. Fears) were also yelling, "kill them" and "shoot them". DEF (Tenbrink) fired a single shot at VIC, which missed and struck the business directly behind VIC. The DEFs jumped back in the vehicle and fled eastbound on SW Archer Road.

VIC (55) called the police and was able to provide the vehicle tag (TX) (23) and description of the occupants. An attempt to locate bulletin was immediately distributed to area agencies. The Alachua County Sheriff's Office located the suspect vehicle traveling north on I-75 about 20 miles north of Gainesville, Florida. A traffic stop was conducted and the vehicle was occupied by 4 males and a firearm was also located.

VIC (55) was transported to the location of the suspect vehicle traffic stop and positively identified DEF (Tedbrink), CoDef (C. Fears) and CoDef (W. Fears) as the subjects who threatened him. VIC stated that DEF (Tedbrink) was the person who fired the shot. VIC also stated that CoDef (W. Fears) to be the subject who emerged from the passenger side and yelling at them.

Post Miranda, DEF (Tedbrink) admitted that he was in the suspect vehicle at the time of the incident and that he was the shooter.

This probable cause was transferred to me by Detective Juan DeCastro of the Gainesville Police Department.

We got separated coming out b/c of the chaos  
I jumped the barrier, made the police arrest me  
They came with Fears and his brother, we picked up Maverick down the street  
We then went to a 55. eese food place to get something to eat  
-Where was the car parked when you went to the event  
At a Chik-Fil-A  
We had to basically run there  
The Fears brothers and I got together at the QRF set up in the parking garage  
They didn't get detained, but I did  
I got put in handcuffs and then they said to take us for our safety  
We picked Maverick up somewhere really close by  
-In the car  
Yeah  
-If the car is at Chik-fil-A  
We went and got it, got Maverick, and then left  
-How did you know where to get Maverick  
Called him  
-You pick him up and then go to 55. eese food place, then what  
We leave, driving around, and then got pulled over  
-Here's the issue, I won't lie to you. That car and the people that were in the car, you and the brothers, were involved in a shooting  
We weren't involved in a shooting  
-There are traffic cameras operating and 5 people on the corners. I don't want you to get yourself in trouble. You are here with some guys, somebody does something, not your fault. You are in the car when this shit goes down, so you are part of it  
-I don't want you to get involved in it by lying about it...that's not going to help anything  
-I'm not saying you're going to tell me who shot the gun...I expect you to tell me the truth  
They attacked the car  
We were scared  
-This all makes sense, that's what I need to know  
I'm scared, I don't wanna go back to prison  
They attacked the car with a deadly weapon  
-A damn baton  
We were terrified  
We literally stopped and asked for directions, they recognized us, went off and attacked the car  
-Where were you in the car  
I was in the backseat  
-To protect yourselves, what did they do...don't get yourself in trouble  
I was scared, I wasn't paying attention, I heard a gunshot and that is it  
-I don't want to get Maverick in trouble, was Maverick in the car  
No sir  
-Was it his gun  
No sir  
-IS the gun in the car  
No sir, well it was in the backpack  
-Where is it at now  
IN a black backpack

-In the car  
Yeah  
-Your backpack  
No  
-We're gonna search the car, which backpack are we gonna find it in  
Maverick's  
-Why would they put it there  
I don't know, its where his gun was  
-Mavericks  
Yeah  
I don't know man  
Can I get a bottle of water, we've been sitting here  
-I know  
-SO when you're going to Chik-fil-A, who gets in driver's seat  
Honestly I don't remember, I drove all the way from Houston, I fell asleep in the car  
-Let's be real with each other...some people attacked the car and a gunshot went off...you ain't sleeping  
Look man, I'm a felon, I fired the gunshot  
-Why'd you fire the gunshot  
I was scared, I had just gotten out of a mob and I didn't shoot it at anybody, I just popped it  
-How did you even get the god damn gun  
It was sitting next to me, in the backseat in the backpack  
Both guns were in the backpack  
-Did they belong to Maverick  
No, I don't know which one the Sig belongs to, it was in the backpack and I fired it b/c I was scared  
I didn't know what else to do  
You want me to be perfectly candid with you  
These two don't know this, I'm here on official business, I'm undercover with the FBI. If I had my phone,  
I could call them right now and show you I'm not bullshitting  
That right there could cost me my life  
My handler texted me a local contact in case I get in trouble but my phone is dead  
I'd have to get my phone, honestly  
These people wanted to tear up your city, and it wasn't us  
I'm asking for a little grace here  
-No, its fine  
No its not, this caused a lot of trouble and inconvenience today  
I just want to go home to my kids  
-If something was done in self defense, that's what I need to know  
It was absolutely done in self defense  
-If I talk to Colton, is he gonna tell me that  
Yeah, if I tell him to tell the truth and that I did it  
-I don't want you to tell him  
No, I did do it  
-I don't want you to tell him to say you did it, just tell him to be honest  
I'll tell both of them to be honest  
-When you fired the shot, were you in or out of the car  
I stepped out of the car and got right back in  
-Which side did you get out of  
I got out of the left side, fired a round, got back in the car

-Driver's side

Yes sir, driver's side

-Who was driving

Colton I think

-William front and no one else in car

No sir

I'm sorry man, I'm sorry I bullshitted you a little bit, I'm scared, I have a family to go home to...today was terrifying it was literally enough for me to go I don't give a shit about this stuff any more, I don't wanna go to another event. I want to go home, kiss my wife and hold my kids

-Let me try to get your phone

It's a motorolla cell phone

The only motorolla in the car, backseat maybe near the middle

My boss is gonna fucking kill me

-You mean the contact

Yeah

I'm not supposed to have this kinda thing...not supposed to put myself in that position but I didn't put myself there

-Tyler, I need to talk to Maverick, take a seat in the car

-Don't say nothing, we'll go to the station and talk some more

-Have him sit where Maverick is sitting and I'll take Maverick to the station

-Maverick said come over here

-Let me turn this recording off

-Hey John, we're gonna go ahead and get out of here

-Hey John, I'm going to the station

-I appreciate you cooperating, sorry you got yourself in this mix

-Remember when I read you Miranda, all of that still applies by the way, you're not under arrest, freely and voluntarily

-Tell me what's going on, what they are telling you

Again, it was just talking

-Please be honest

I understand that sir...I'm some half Asian guy...I only came here b/c my friend Dustin told me to check it out

I don't really know these guys that well

-No reason to protect them then

I'm a little scared of them, a lot of them are super extremist...I've been up for two days, under a lot of stress

I don't want to accidentally say something that puts them or me in a bad spot

-All I'm asking for is the truth

-Were you in the car when the shot was fired

I wasn't in the jeep with them since we left Chik-Fil-A

-If you were not in the car with them, you're not in trouble

-You didn't participate in it did you

No sir

-Did you tell them to go find those people and shoot at them

No sir

-You can't be charged with nothing, nothing you can say will put you in bad light

-All I'm asking is what you heard them saying...I know they were talking about it

-They told you about someone hitting the car

-You didn't witness it, you just heard it

-I don't want to arrest the wrong person...someone's going to jail. One person shot, 3 don't need to go to jail

-Does that make any sense

Yes sir

-I'm not about arresting people just to arrest them

-What did they say

What I heard was they were antifa guys, one of them rushed the car, hit it with a baton, didn't do anything

Someone shot trying to scare him off

-It could be a self defense thing, nothing to hide

Yeah, you're right

As far as who shot the gun, I don't know any of that

All I know is they've been getting death threats from antifa

Hotel stuff has been put out there

They are domestic terrorism

-We were there to protect everybody...but I need to figure out why the shot was fired

From what I heard, he was trying to assault them with the baton, so someone grabbed a gun and shot

-Are both guns yours

The Glock is mine, the Sig was at the apt when I met with them

The two brothers live together, I'm not sure which one it was

It's a Sig Sauer

-Stainless or blued steel

I don't recall, polymer grip, SG2022

Not sure what caliber, but typically they are 9mm

If they didn't move it, it should still be in my bag

They put it in there b/c I have the CCW

They just told me they were gonna put it in my bag in case something happens

I think it was Colt who told me that

-Who did they say was driving and where was everyone sitting

I didn't get any details of that

One of the antifa guys assaulted them with the baton, someone shot, they had to get out of there

100% honest with you, don't know any of those details

I'm just an outsider, don't pay much attention to what they are saying

-What were your plans tonight

At first we were going to be staying at the hotel with the security team

Today was a whole shitshow b/c everyone was so vague

Apparently the security team was staying at a hotel with Spencer, the security guys were pissed off b/c

Tyler got detained for jumping a police barricade to get escorted safely away

I heard that Will and Colt got detained, don't know why

Then next time I heard from them was at the restaurant when we all hooked back up

-I'm going to ask you an honest question, want an honest answer

-If Tyler told me he shot, would that be a lie

I don't know sir, I'm being 100% honest with you

-Have you ever seen Tyler with the gun during this trip

The only time I saw him with it...I arrived at the apt with Colt, Tyler arrived later, we were waiting on William

I saw Tyler holding the gun, it was in condition 1, mag inserted and round in the chamber, he cleared it and set it down

-When you drove here, where was the gun

It was in my backpack

-So you guys are involved in all this stuff, you hear about the stuff that happened...why didn't y'all hang out

They were supposed to meet at the hotel, from what I heard everyone else was pissed off that they got detained

Trying to put an image out as a professional group and these guys are getting detained

So then at that point we were just going all the way back home

My stuff was in the car anyways, so I rode with them

-How close are Tyler and the brothers

-From what you know

I heard them complaining about Tyler, like why is he so late...I'm guessing they don't get along too well

This was my first time hanging out with Colt

I've only hung out with Will when I've been with Dustin briefly at the bar

First time meeting Tyler as well

-Does Dustin live in Texas

Yes, I live with him

He came here for the event as part of Spencer's security team

He left with the rest of the security team and rented a van

They left 11 pm on Tuesday and me and the other guys left at 5 pm on Wednesday

Dustin definitely left the night before to set up security

-Are there any drugs in the car

No, I didn't see any

It did smell of weed when I got in

-When y'all got stopped, where was everyone

I was driving, not sure who was in driver's seat

I think Tyler was in backseat with one of the brothers

I think Tyler was right behind me

I get the brothers mixed up anyways

They look so alike

-Did they seem like they wanted to get out of town? Were they hyped up about this thing

They seemed like they wanted to hang out, Will was pissed about not being able to meet/hang out with Spencer b/c the security team was pissed at them

He idolizes Spencer

I know I dropped my Glock on the ground outside the vehicle

I don't know about any drugs or explosives or anything hazardous

Will uses it as his work car, he works at oil refineries of some kind

-Is Will the type of person to shoot at somebody

No, Will seems pretty calm

-What about Colton

First time meeting him, wouldn't be able to say...he's been super chill

Obviously if someone is calling you a Nazi, gonna get pissed off, I didn't see any flags

-Tyler

He seems to be a really nice guy, has kid and girlfriend back home he talks about

Seems like a caring guy...talked to his girlfriend the whole way here

Seem like a good bunch but I've only known them for about 1 day

-Well somebody shot out that car, who do you think it was...if you had to guess, which of those three would be tempted to shoot

-This is just you and me talking, not something I'd use in court

-One of them shot

(Long pause)

If Colt owned the gun, then he's probably the one that would have been quicker to have access to it as the owner of the firearm...Again I barely know these guys, can't give a good assessment.

If I had to guess, if anyone shot the gun it would probably be the owner of the gun

-Are you working anywhere

I work part time at a gunsmithing shop

My recruiter recently submitted my security clearance package, I'm at the last step to going back to active duty

-I'm gonna read you your Miranda rights

(Goes over rights)

-Understand these rights?

Yes sir

-Fire away my man...what'd you want to talk about

I'll just tell you everything

Went to the event at the college campus

On the way out, me and my brother and Tyler got separated from Maverick

Police had to escort us out, mob of people trying to attack us

Cops said we had to go

We go this back street out from the event, you can see them going around, mobs of people  
-Did they escort you or eject you  
They escorted us to a parking garage and then ejected us from the garage  
-What caused that  
I don't know, they were just like go that way, it's the only safe way out  
We don't know where Maverick's at  
We get to my brother's vehicle  
We can tell people are following us  
-Where was the vehicle  
Chik-fil-A  
We ran there  
-That's a long way  
Yeah, it was pretty bad  
Once we got there, I believe there were people following us taking pictures  
I don't know if they were tweeting our location  
Get in the car, trying to find Maverick  
IN a group chat together on Facebook  
We basically drive by, don't know what street it is, I'm driving  
I'm frustrated b/c of what happened  
Next thing I know, there's a girl on the street with a no nazi sign  
I stop  
She throws something  
Next thing I know, I look over and there's a guy running with a baton  
He hits the frickin window, I'm surprised it didn't shatter  
As soon as he hit it, my reaction was to go, but it was my brother's vehicle so the first thing he did was  
open his door  
Someone was attacking us in the car  
I'm in the driver's seat, I hear Tyler get out from behind me  
My brother is out yelling  
I hear bam, gunshot goes off  
I didn't know what happened  
Maverick has a CCW, he was supposed to have my gun and his gun also  
I don't know where it is  
When it went off, I was thinking Tyler has a gun  
Still to right now, I don't know if he fired my firearm or he fired Maverick's  
As far as I know, Maverick was supposed to be concealing my pistol, he had it in his bag with his  
Right after that, I hear the gunshot and turn...I see a kid like that (arms up), the kid that hit the car  
I'm screaming for them to get in the car  
We pull off and I'm freaking out, what the hell Tyler  
I'm scared for my life  
At this point, I'm like we gotta find Maverick, this is bad  
We met, they were able to locate him, we met at a Taco Bell  
That's pretty much it  
Nothing else happened in between besides a lot of me driving, not knowing where I'm going  
Trying to keep a lookout to see if they are following us  
-What conversation happens after the shooting  
A lot of me and my brother screaming at Tyler  
-What's he saying

I don't know dude, they were attacking the car  
There was 3 or 4 of them, they all started running up  
The one guy had a baton  
Tyler said when he fired the gun, he purposely fired off to the side and the dude dropped the baton and stood there  
I was cussing and screaming, I was freaking out, I've only heard gunshots at the range  
I have a Sig Sauer 9mm  
Maverick was carrying mine on him, supposed to hold on to it the whole time, I don't have a concealed carry  
-After the event  
Basically we didn't know what to do...I pulled over trying to make Tyler get out of the vehicle  
I was like we need to figure out what we're doing from here  
I wanted him to stay out of the vehicle with them, but I didn't want to give him my gun  
I never even saw the gun (during the shooting)  
-Did he tell you it was his gun  
No, I didn't ask him  
I don't know whose gun it was  
Maverick has a 9mm also  
-Last time you held your gun, was it loaded  
It was not racked, the clip...magazine was in there  
-Did you have it full...as many as it would hold  
I'm not sure  
-Who loaded it  
I loaded those  
There might have been 13 in it...clip holds 12  
-When we run the fingerprints on the casing on the ground...is it gonna be yours  
Should be mine...unless  
If it was the Sig that was fired  
-When you left there did you call the police  
No  
-Did you flag any officers down...tell them this guy hit your car and you guys fired a shot  
No at that point, when we took off, it was more of back streets, didn't see any cops  
-Why those kinds of roads  
I don't know, when we left, I didn't know where to go  
We just ended up not in the city so much, first time here  
-I appreciate you're wanting to talk to us...but I'm cat[55]g a vibe that you're minimizing  
-Obviously you're here, y'all are in some kind of trouble...you need to come clean and give us a little more detail about the interaction  
When we drove by them, they did yell at us and I did turn around  
-What was the purpose of you stopping in front of them  
I guess to ask them why they're harassing us and ask them if they are following us  
-So you're being harassed and followed and you just stop to talk to them  
Basically my brother and Tyler were what the fuck y'all want, why are you following us  
I might have yelled hey or something  
-When he hit the car with the baton, what did you do  
I wanted to pull off, my brother and Tyler were already getting out of the vehicle  
I guess my brother was going to defend his property  
-Did you try to pull away

No, I didn't try to pull off in the vehicle

-What were you yelling during the incident

I might have called them communists

I might have said hey you fucking communists, why are you following us

-Who said shoot them

I didn't hear nothing like that

-Shoot them, kill them...something like that....somebody said something

I didn't say that or hear that

I was just yelling hey get back in and gunshot goes off

-Is this your first time or do you go to a lot of these events

I don't go to a lot of them, my brother goes to more

-Do you know how the network works...finding out where events are and stuff

This one was just on Richard Spencer's twitter

My brother said he was coming, I didn't want him to come by himself

-Was there plans for something to happen or come together today

No, the only thing we expected today was to go to that event, hear the guy talk, and leave

Meet with some guys after and eat

-What were you going to do with the guns in the car and two way radios and stuff

We went to an event before and were attacked so bad, we got split up like that...I thought it would be a good idea to bring the radios to keep in communication

Those smoke bombs, those are my brothers, he never said he planned on using them

My brother had a few friends we were going to meet up with afterwards

We were on our way home when we got pulled over

We weren't planning on staying...my brother was planning on working tomorrow

He works a lot

-Where does he work at

I don't know if he wants to give out his company...its construction

I do electrical but I'm just an apprentice right now

-Do you have any questions for me

What kinda charge are they trying to give me

-We have to finish talking to everybody, but I'll be honest with you...what does it look like to you when there's people fighting and someone pulls out a gun and takes a shot at them

For me, when they're attacking your car...your vehicle is an extension of you or your home...you have a right to defend it

-That would sort of apply if you were in your vehicle and you can't leave

-Could you have left

Yeah

-Who shot

Tyler, one bullet

-Could have killed somebody

Yeah

-Easily attempted homicide, that's serious

Yeah

That's crazy

-I gotta go step to that other guy

Yes sir

-I'll be back
